# Presidential Approval A Sourcebook

**George C. Edwards, Alec Gallup**

## **Presidential Approval A Sourcebook:**

**Presidential Approval** George C. Edwards, Alec Gallup, 1990 This provides incredibly convenient access to most of the results of the most asked of all survey research questions Wilson Library Bulletin     Presidential Power Robert Y. Shapiro, Martha Joynt Kumar, Lawrence R. Jacobs, 2000 A collection of essays that reevaluates Richard Neustadt's place in presidential studies and shows that while Neustadt's classic work remains a beacon for the study of the presidency it no longer offers a reliable roadmap embodying the consensus among contemporary scholars     Presidential Mandates Patricia Heidotting Conley, 2001-06 Presidents have claimed popular mandates for more than 150 years How can they make such claims when surveys show that voters are uninformed about the issues In this groundbreaking book Patricia Conley argues that mandates are not mere statements of fact about the preferences of voters By examining election outcomes from the politicians viewpoint Conley uncovers the inferences and strategies the politics that translate those outcomes into the national policy agenda Presidents claim mandates Conley shows only when they can mobilize voters and members of Congress to make a major policy change the margin of victory the voting behavior of specific groups and the composition of Congress all affect their decisions Using data on elections since 1828 and case studies from Truman to Clinton she demonstrates that it is possible to accurately predict which presidents will ask for major policy changes at the start of their term Ultimately she provides a new understanding of the concept of mandates by changing how we think about the relationship between elections and policy making     **The Presidential Republic** Gary L. Gregg, 1997 For two centuries American presidents have considered themselves to be representatives of the American people In this detailed study of presidential representation Gary Gregg explores the theory history and consequences of presidents acting as representatives in the American political system Gregg explores questions such as what it means to be a representative how the Founding Fathers understood the place of the presidency in the Republic established by the Constitution and the effects a representational presidency has on deliberative democracy This important examination of the presidency's place in our political system is essential reading for those interested in American political theory constitutional studies and American history     **The President's Agenda** Paul Light, 1999 Although there are important differences between the two Presidents not the least of which is Bush's high proportion of small scale old ideas the two share a pronounced tendency to look backward for inspiration rather than forward from the Preface     The Prospect of Presidential Rhetoric Martin J. Medhurst, 2008-01-17 Culminating a decade of conferences that have explored presidential speech The Prospect of Presidential Rhetoric assesses progress and suggests directions for both the practice of presidential speech and its study In Part One following an analytic review of the field by Martin Medhurst contributors address the state of the art in their own areas of expertise Roderick P Hart then summarizes their work in the course of his rebuttal of an argument made by political scientist George Edwards that presidential rhetoric lacks political impact Part Two of the volume consists of the forward

looking reports of six task forces comprising more than forty scholars charged with outlining the likely future course of presidential rhetoric as well as the major questions scholars should ask about it and the tools at their disposal The Prospect of Presidential Rhetoric will serve as a pivotal work for students and scholars of public discourse and the presidency who seek to understand the shifting landscape of American political leadership

**Presidential Power Meets the Art of the Deal** Todd M. Schaefer, 2020-12-10 This work attempts to understand the chaotic and enigmatic presidency of Donald Trump through Neustadt's iconic work on presidential power and bargaining Neustadt's model explains much of Trump's difficulties in office but not his relative success It argues he defies expectation due to new political realities such as party polarization a transformed media and the administrative presidency

**Guide to the Presidency** Michael Nelson, 2015-05-01 The Guide to the Presidency is an extensive study of the most important office of the U.S. political system Its two volumes describe the history workings and people involved in this office from Washington to Clinton The thirty-seven chapters of the Guide arranged into seven distinct subject areas ranging from the origins of the office to the powers of the presidency to selection and removal cover every aspect of the presidency Initially dealing with the constitutional evolution of the presidency and its development the book goes on to expand on the history of the office how the presidency operates alongside the numerous departments and agents of the federal bureaucracy and how the selection procedure works in ordinary and special circumstances Of special interest to the reader will be the illustrated biographies of every president from Washington to the present day and the detailed overview of the vice presidents and first ladies of each particular office Also included are two special appendices one of which gathers together important addresses and speeches from the Declaration of Independence to Clinton's Inaugural Address and another which provides results from elections and polls and statistics from each office

**The Presidential Difference** Fred I. Greenstein, 2012-11-28 Fred I. Greenstein has long been one of our keenest observers of the modern presidency In The Presidential Difference he provides a fascinating and instructive account of the presidential qualities that have served well and poorly in the Oval Office beginning with Franklin D. Roosevelt's first hundred days He surveys each president's political skill vision cognitive style organizational capacity ability to communicate and emotional intelligence and argues that the last is the most important in predicting presidential success Throughout Greenstein offers a series of bottom line judgments on each of his thirteen subjects as well as an overarching theory of why presidents succeed or fail In this new edition Greenstein assesses President George W. Bush in the wake of his two terms The book also includes a new chapter on the leadership style of President Obama and how we can expect it to affect his presidency and legacy

**Jimmy Carter, American Moralist** Kenneth E. Morris, 1997-10-01 In the first full scale biography of America's 39th president since 1980 Kenneth Morris shows readers that any conclusions about Carter's leadership and the adequacy of his challenges as a president cannot ignore the moral quandary that vexed the nation 35 photos

Communication Yearbook 21 Michael Roloff, 2012-03-22 The Communication Yearbook annuals publish diverse state of

the discipline literature reviews that advance knowledge and understanding of communication systems processes and impacts across the discipline Sponsored by the International Communication Association each volume provides a forum for the exchange of interdisciplinary and internationally diverse scholarship relating to communication in its many forms This volume re issues the yearbook from 1998

**Legacy of a Leader** Michael W. Staib, 2011-08-01 Legacy of a Leader commemorates the unprecedented historical contribution of our 40th U S President Ronald W Reagan Rehabilitating its internal infrastructure during a tumultuous period in American history Reagan managed to resolve external tensions relinquishing communist influence while simultaneously revitalizing economic stability Indeed unbridled in his pursuits Reagan neither faltered nor capitulated He remained relentlessly undeterred Ultimately with untrammelled tenacity Reagan transcended these tempestuous tribulations restoring prosperity for American society in his unsurpassed legacy of leadership to the United States A sociological interpretation essay additionally assesses the apperception of personal experience people institutions which subsequently influenced his profoundly positive trajectory as president

Economic Politics in the United States William R. Keech, 2013-10-14 The book shows how and why democracy has worked well or badly as measured by US macroeconomic performance

**Monitoring Government** Paul Charles Light, 1993-01-01 This volume offers the first systematic evaluation of the offices of inspector general OIG and examines the government wide investment in the OIGs concept Despite their increasingly prominent often controversial role in the internal oversight of government very little is known about their institutional or operational problems

*The Postmodern Presidency* Steven E. Schier, 2012-02-15 Choice Outstanding Academic Book As America s first truly postmodern president Bill Clinton experienced both great highs and stunning lows in office that will shape the future course of American politics Clinton will forever be remembered as the first elected president to be impeached but will his tarnished legacy have lasting effects on America s political system Including the conflict in Kosovo the World Trade Organization meeting in Seattle and new developments in the 2000 presidential campaign The Postmodern Presidency is the most comprehensive and current assessment of Bill Clinton s presidency available in print The Postmodern Presidency examines Clinton s role in redefining the institution of the presidency and his affect on future presidents economic and foreign policies The contributors highlight the president s unprecedented courtship of public opinion how polls affected policy how the president gained celebrity status how Clinton s postmodern style of public presidency helped him survive the 1994 elections and impeachment and how all of this might impact future presidents This new text also demonstrates how the Clinton presidency changed party politics in the public and in Congress with long term implications and costs to both Republicans and his own Democratic party while analyzing Clinton s effect on the 1990s culture wars the politics and importance of gender and the politics and policy of race This text is a must for anyone who studies teaches or has an interest in the American presidency and politics

Jimmy Carter, Human Rights, and the National Agenda Mary E. Stuckey, 2008 Though Jimmy Carter is widely viewed as one of the least effective modern presidents the

human rights agenda for which his administration is known remains high in the national awareness and continues to provide important justifications for presidential and congressional action a quarter century later The very elements of Carter s communications on human rights that engendered obstacles to the formation of a coherent and consistent policy the term s vagueness the difficulties of applying it its uneasy relationship with national security interests and the divergence between Democratic and Republican understandings allowed human rights to become a useful rubric for presidents both Democratic and Republican who followed Carter Stuckey discusses the key elements of how human rights came to the nation s attention

**Presidential Lightning Rods** Richard J. Ellis, 2021-10-08 H R Haldeman President Nixon s former chief of staff is said to have boasted Every president needs a son of a bitch and I m Nixon s I m his buffer and I m his bastard I get done what he wants done and I take the heat instead of him Richard Ellis explores the widely discussed but poorly understood phenomenon of presidential lightning rods cabinet officials who take the heat instead of their bosses Whether by intent or circumstance these officials divert criticism and blame away from their presidents The phenomenon is so common that it s assumed to be an essential item in every president s managerial toolbox But Ellis argues such assumptions can oversimplify our understanding of this tool Ellis advises against indiscriminate use of the lightning rod metaphor Such labeling can hide as much as it reveals about presidential administration and policymaking at the cabinet level The metaphor often misleads by suggesting strategic intent on the president s part while obscuring the calculations and objectives of presidential adversaries and the lightning rods themselves Ellis also illuminates the opportunities and difficulties that various presidential posts especially secretaries of state chiefs of staff and vice presidents have offered for deflecting blame from our presidents His study offers numerous detailed and instructive examples from the administrations of Truman Dean Acheson Eisenhower Richard Nixon John Foster Dulles Herbert Brownell and Ezra Taft Benson LBJ Hubert Humphrey Ford Henry Kissinger and Reagan James Watt These examples Ellis suggests should guide our understanding of the relationship between lightning rods and presidential leadership policymaking and ratings Blame avoidance he warns does have its limitations and may even backfire at times Nevertheless President Clinton and his successors may need to rely on such tools The presidency Ellis points out finds itself the object of increasingly intense partisan debate and microscopic scrutiny by a wary press Lightning rods can deflect such heat and help the president test policies gauge public opinion and protect his political power and public image Ellis s book is an essential primer for helping us understand this process

### **Understanding Foreign Policy**

**Decision Making** Alex Mintz, Karl DeRouen Jr, 2010-02-22 Understanding Foreign Policy Decision Making presents a psychological approach to foreign policy decision making This approach focuses on the decision process dynamics and outcome The book includes a wealth of extended real world case studies and examples that are woven into the text The cases and examples which are written in an accessible style include decisions made by leaders of the United States Israel New Zealand Cuba Iceland United Kingdom and others In addition to coverage of the rational model of decision making levels of

analysis of foreign policy decision making and types of decisions the book includes extensive material on alternatives to the rational choice model the marketing and framing of decisions cognitive biases and domestic cultural and international influences on decision making in international affairs Existing textbooks do not present such an approach to foreign policy decision making international relations American foreign policy and comparative foreign policy      **Economic Politics**

William R. Keech,1995-02-24 This book raises and addresses questions about the consequences of democratic institutions for economic performance      *Selling Fear* Brigitte L. Nacos,Yaeli Bloch-Elkon,Robert Y. Shapiro,2011-06 The news as commodity public good and political manipulator Selling fear the not so hidden persuaders Civil liberties versus national security Selling the Iraq war Preventing attacks against the homeland Preparing for the next attack Mass mediated politics of counterterrorism Postscript President Obama underselling fear

## **Presidential Approval A Sourcebook Introduction**

In today's digital age, the availability of Presidential Approval A Sourcebook books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Presidential Approval A Sourcebook books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Presidential Approval A Sourcebook books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Presidential Approval A Sourcebook versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Presidential Approval A Sourcebook books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Presidential Approval A Sourcebook books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Presidential Approval A Sourcebook books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare,

which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Presidential Approval A Sourcebook books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Presidential Approval A Sourcebook books and manuals for download and embark on your journey of knowledge?

### **FAQs About Presidential Approval A Sourcebook Books**
