**Michael J. Dubin**

## **Presidential Elections:**

*A History of Presidential Elections* Edward Stanwood, 1884      Presidential Elections Nelson W. Polsby, Aaron B. Wildavsky, David A. Hopkins, 2008 Brimming with data and examples from the heated 2004 election and laced with previews of 2008 the twelfth edition of this classic text offers a complete overview of the presidential election process from the earliest straw polls and fundraisers to final voter turnout and exit interviews The newest edition s comprehensive coverage includes campaign strategy with overviews of the changes in campaign finance and the growing role of the Internet Also the twelfth edition explores the effect of the forward creeping presidential nomination process and the sequence of electoral events All of these aspects and the issues themselves are discussed by a wide array of actors in the electoral process voters interest groups political parties the media and the candidates themselves The twelfth edition is a timely update to this essential text on American elections      American Presidential Elections Harvey L. Schantz, 1996-01-01 Milton Cummings Everett Ladd David Mayhew Gerald Pomper and Harvey Schantz analyze presidential elections over the sweep of American history and examine their impact on political parties public policy and society      The Electoral College Thomas Neale, 2012-11-21 When Americans vote for President and Vice President they are actually choosing presidential electors known collectively as the electoral college It is these officials who choose the President and Vice President of the United States The complex elements comprising the electoral college system are responsible for one of the most important processes of the American political and constitutional system election of the President and Vice President A failure to elect or worse the choice of a chief executive whose legitimacy might be open to question could precipitate a profound constitutional crisis that would require prompt judicious and well informed action by Congress Article II Section 1 of the Constitution as amended in 1804 by the 12th Amendment sets forth the requirements for election of the President and Vice President It authorizes each state to appoint by whatever means the legislature chooses a number of electors equal to the combined total of its Senate and House of Representatives delegations for a contemporary total of 538 including three electors for the District of Columbia Since the Civil War the states have universally provided for popular election of the presidential electors Anyone may serve as an elector except Members of Congress and persons holding offices of Trust or Profit under the Constitution In each presidential election year the political parties and other groups that have secured a place on the ballot in each state nominate a slate or ticket of candidates for elector When voters cast a single vote for their favored candidates on general election day Tuesday after the first Monday in November November 6 in 2012 they are actually voting for the slate of electors pledged to those candidates The entire slate of electors winning the most popular votes in the state is elected a practice known as winner take all or the general ticket system Maine and Nebraska use an alternative method the district plan which awards two electors to the popular vote winners statewide and one to the popular vote winners in each congressional district Electors assemble in their respective states on the Monday after the second Wednesday in December December 17 in 2012 They are expected to

vote for the candidates they represent Separate ballots are cast for President and Vice President after which the electoral college ceases to exist until the next presidential election State electoral vote results are reported to Congress and are counted and declared at a joint session of Congress usually held on January 6 of the year succeeding the election a date that may be altered by legislation Since January 6 falls on a Sunday in 2013 Congress will likely set another date for the joint session in 2013 possibly January 8 A majority of electoral votes currently 270 of 538 is required to win but the results submitted by any state are open to challenge at the joint session as provided by law Past proposals for change by constitutional amendment have included various reform options and direct popular election which would eliminate the electoral college system but no substantive action on this issue has been taken in Congress for more than 20 years At present however a non governmental organization the National Popular Vote NPV campaign proposes to reform the electoral college by action taken at the state level eight states and the District of Columbia have approved the NPV compact to date The Routledge Historical Atlas of Presidential Elections Yanek Mieczkowski,2013-12-16 First Published in 2001 Routledge is an imprint of Taylor Francis an informa company *Presidential Elections in Iran* Mahmoud Pargoo,Shahram Akbarzadeh,2021-05-06 By looking at all the presidential elections since the revolution this book offers a new analysis of politics in Iran **A History of Presidential Elections** Edward Stanwood,1896 **Candidate Character Traits in Presidential Elections** David B. Holian,Charles L. Prysby,2014-10-03 Voter perceptions of the personal traits of presidential candidates are widely regarded to be important influences on the vote Media pundits frequently explain the outcome of presidential elections in terms of the personal appeal of the candidates Despite the emphasis on presidential character traits in the media the scholarly investigation in this area is limited In this book David Holian and Charles Prysby set out to examine the effect that trait perceptions have on the vote how these perceptions are shaped by other attitudes and evaluations and what types of voters are most likely to cast a ballot on the basis of the character traits of the presidential candidates Using the American National Election Studies ANES surveys the authors find that traits do have a very substantial effect on the vote that different candidates have advantages on different traits and that the opinions expressed by media pundits about how the candidates are viewed by the voters are often simplistic and sometimes quite mistaken Character traits are important to voters but we need a better and more complete understanding of how and why these factors influence voters An essential read which provides a clear and original argument to all those interested in furthering their understanding of the importance of candidate character traits for the quality of American elections and democracy

**United States Presidential Elections, 1788-1860** Michael J. Dubin,2009-10-21 This reference work provides complete returns for the presidential elections by state and county for the period 1788 to 1860 Available nowhere else in one volume this information has been pieced together through years of research of original sources of many kinds The election returns include each candidate s name party number of votes and percentage of votes Explanatory footnotes and source information

accompany the returns as well as maps that show presidential election districts for those states and elections when presidential elections were so conducted Also included are a history of voting for presidential electors and the influence of political parties on the electors as well as listings of election dates county names past and present party abbreviations used in the book and counties created following each state s first popular election of electors The Parties in American Presidential Elections, 1789–2020 Patrick Novotny,2023-11-20 This book offers a timely understanding of the history of the Democratic and Republican Parties and their adaptability endurance and importance in presidential elections Taking the reader from the beginnings of parties as caucuses of members of the First Congress meeting in 1789 through November 2020 s presidential election it provides a fascinating historical account of the debates events and personalities behind the beginnings of the nation s political parties This includes the importance of national party nominating conventions in the nineteenth century the growing importance of primary elections in nominations beginning in the early twentieth century and the changes of campaigning for presidential candidates as they started to travel across the United States for the first time in the early twentieth century The book tells the story of the beginnings of nationally televised presidential debates and any number of other changes in the era of broadcasting and now digital platforms for presidential elections in the twenty first century It finishes with a look at political dynamics since the November 2020 election and a study of negative partisanship to define how campaigning for the White House works today

**Nigeria National Assembly and Presidential Elections, 9 and 16 April 2011** Commonwealth Observer Group,2011 The Report of the Commonwealth Observer Group for the Nigerian Parliamentary and Presidential elections The Group was led by Festus Mogae former President of Botswana and comprised thirteen eminent persons in total

**Models of Voting in Presidential Elections** Herbert F. Weisberg,Clyde Wilcox,2004 Chapters in this book were originally commissioned for a conference held at the Mershon Center on the Ohio State University campus March 7 10 2002 Preface

*Predicting Presidential Elections and Other Things, Second Edition* Ray Fair,2011-12-14 It s the economy stupid as Democratic strategist James Carville would say After many years of study Ray C Fair has found that the state of the economy has a dominant influence on national elections Just in time for the 2012 presidential election this new edition of his classic text *Predicting Presidential Elections and Other Things* provides us with a look into the likely future of our nation s political landscape but Fair doesn t stop there Fair puts other national issues under the microscope as well including congressional elections Federal Reserve behavior and inflation In addition he covers topics well beyond today s headlines as the book takes on questions of more direct personal interest such as wine quality predicting football games and aging effects in baseball Which of your friends is most likely to have an extramarital affair How important is class attendance for academic performance in college How fast can you expect to run a race or perform some physical task at age 55 given your time at age 30 Read *Predicting Presidential Elections and Other Things* and find out As Fair works his way through an incredibly broad range of questions and topics he teaches and delights The discussion that underlies each

chapter topic moves from formulating theories about real world phenomena to lessons on how to analyze data test theories and make predictions At the end of this book readers will walk away with more than mere predictions They will have learned a new approach to thinking about many age old concerns in public and private life and will have a myriad of fun facts to share

*Report on the Russian Presidential Elections* United States. Congress. Commission on Security and Cooperation in Europe,2000

Presidential Elections Nelson W. Polsby,Aaron Wildavsky,Steven E. Schier,David A. Hopkins,2011-08-16

Brimming with data and examples from the historic 2008 election and laced with previews of 2012 the thirteenth edition of this classic text offers a complete overview of the presidential election process from the earliest straw polls and fundraisers to final voter turnout and exit interviews The newest edition s comprehensive coverage includes campaign strategy with overviews of the changes in campaign finance and the growing role of the Internet Also the thirteenth edition explores the effect of the forward creeping presidential nomination process and the sequence of electoral events All of these aspects and the issues themselves are discussed by a wide array of actors in the electoral process voters interest groups political parties the media and the candidates themselves In the final pages the authors take a broader view of the American political system and ongoing pressure to reform its institutions in order to address perceived imperfections in the electoral process The thirteenth edition is a timely update to this essential text on American elections

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Presidential Elections full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Presidential Elections eBooks, including some popular titles.

## FAQs About Presidential Elections Books

**What is a Presidential Elections PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Presidential Elections PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Presidential Elections PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Presidential Elections PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Presidential Elections PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
