# Presidential Rhetoric 1961 To The Present

**Elvin T. Lim**

## **Presidential Rhetoric 1961 To The Present:**

Presidential Rhetoric Theodore Windt,1987      Presidential Rhetoric Theodore Windt,1993-06-01      **Presidential Rhetoric, 1961 to the Present** Theodore Windt,1983      *Presidential Rhetoric, 1961 to the Present* Theodore Windt,1987

Post-9/11 American Presidential Rhetoric Colleen Elizabeth Kelley,2008-01-01 Post 9 11 American Presidential Rhetoric examines the communication offensive orchestrated by George W Bush and the members of his administration between the initial terrorism crisis of September 11 2001 and the March 20 2003 invasion of Iraq Colleen Elizabeth Kelley argues that the president relied on a set of particular strategies that coalesced into protofascist talk in order to discursively manage the post 9 11 situation and justify its 2003 war against Iraq This book suggests a framework for analyzing emergent fascist public discourse and its potential for producing additional substantial antidemocratic speech and action Kelley further reviews the role of the media in conveying President Bush s rhetorical doctrine to the American public The rhetoric of democratic discourse is presented as a firewall to guarantee that such speech based behaviors which are endorsed by willing publics and developed within democracies fail to thrive and do not destroy the very systems that enabled them in the first place Post 9 11 American Presidential Rhetoric is a stimulating text that will strike up discussion among scholars of political communication and those interested in cultural studies

**Essays in Presidential Rhetoric** Theodore Windt,Beth Ingold,1992      The Anti-Intellectual Presidency Elvin T. Lim,2012-01-01 Why has it been so long since an American president has effectively and consistently presented well crafted intellectually substantive arguments to the American public Why have presidential utterances fallen from the rousing speeches of Lincoln Teddy Roosevelt Wilson and FDR to a series of robotic repetitions of talking points and sixty second soundbites largely designed to obfuscate rather than illuminate In The Anti Intellectual Presidency Elvin Lim draws on interviews with more than 40 presidential speechwriters to investigate this relentless qualitative decline over the course of 200 years in our presidents ability to communicate with the public Lim argues that the ever increasing pressure for presidents to manage public opinion and perception has created a pathology of vacuous rhetoric and imagery where gesture and appearance matter more than accomplishment and fact Lim tracks the campaign to simplify presidential discourse through presidential and speechwriting decisions made from the Truman to the present administration explaining how and why presidents have embraced anti intellectualism and vague platitudes as a public relations strategy Lim sees this anti intellectual stance as a deliberate choice rather than a reflection of presidents intellectual limitations Only the smart he suggests know how to dumb down The result he shows is a dangerous debasement of our political discourse and a quality of rhetoric which has been described charitably as a linguistic struggle and perhaps more accurately as dogs barking idiotically through endless nights Sharply written and incisively argued The Anti Intellectual Presidency sheds new light on the murky depths of presidential oratory illuminating both the causes and consequences of this substantive impoverishment

Presidential Speechwriting Kurt Ritter,Martin J. Medhurst,2004-03-15 The rise of the media presidency

through radio and television broadcasts has heightened the visibility and importance of presidential speeches in determining the effectiveness and popularity of the President of the United States Not surprisingly this development has also witnessed the rise of professional speechwriters to craft the words the chief executive would address to the nation Yet as this volume of expert analyses graphically demonstrates the reliance of individual presidents on their speechwriters has varied with the rhetorical skill of the officeholder himself his managerial style and his personal attitude toward public speaking The individual chapters here two by former White House speechwriters give fascinating insight into the process and development of presidential speechwriting from Franklin D Roosevelt s administration to Ronald Reagan s Some contributors such as Charles Griffin writing on Eisenhower and Moya Ball on Johnson offer case studies of specific speeches to gain insight into those presidents Other chapters focus on institutional arrangements and personal relationships rhetorical themes characterizing an administration or the relationship between words and policies to shed light on presidential speechwriting The range of presidents covered affords opportunities to examine various factors that make rhetoric successful or not to study alternative organizational arrangements for speechwriters and even to consider the evolution of the rhetorical presidency itself Yet the volume s single focus on speechwriting and the analytic overviews provided by Martin J Medhurst not only bring coherence to the work but also make this book an exemplar of how unity can be achieved from a diversity of approaches Medhurst s introduction of ten myths in the scholarship on presidential speeches and his summary of the enduring issues in the practice of speechwriting pull together the work of individual contributors At the same time his introduction and conclusion transcend particular presidents by providing generalizations on the role of speechwriting in the modern White House

American Voices Bernard K. Duffy, Richard Leeman, 2005-08-30 Contemporary public speaking remains an important part of our national life and a substantial force in shaping current events Many of America s most important moments and issues such as wars scandals election campaigns September 11 2001 have been defined by oratory Here over 50 essays cover a substantial and interesting group of major American social political economic and cultural figures from the 1960s to the present Each entry explains the biographical forces that shaped a speaker and his or her rhetorical approach focuses mainly on a discussion of the orator s major speeches within the context of historical events and concludes with an appraisal of the speaker and his or her contribution to American political and social life All entries incorporate chronologies of major speeches bibliographies including primary sources biographies and critical studies and archival collections or Web sites appropriate for student research Entries include high profile individuals such as John D Ashcroft Elizabeth Dole Jerry Falwell Anita Hill Ralph Nader Ronald Reagan Janet Reno Gloria Steinem Malcolm X and many others Excerpts of major speeches and sidebars complement the text Ideal for researchers and students in public speaking classes American history classes American politics classes contemporary public address classes and rhetorical theory criticism classes

U.S. Presidents as Orators Halford R. Ryan, 1995-06-27 This first systematic critique on the rhetoric of

21 presidents shows how political constraints shaped rhetoric and how oratory shaped politics An introduction places American public address in the context of classical rhetorical practices and theory and sets the stage for the bio critical essays about presidents ranging from Washington to Clinton Experts analyze the style and use of language important speeches and their impact and their ethical ramifications Each essay on a president also keys major speeches to authoritative texts and offers a chronology and bibliography of primary and secondary sources For students teachers and professionals in American public address political communication and the presidency

**Ideologues and Presidents** Thomas S. Langston, 2017-07-05 Ideologues and Presidents argues that ideologues have been gaining influence in the modern presidency There were plenty of ideologues in the New Deal but they worked at cross purposes and could not count on the backing of the cagey pragmatist in the Oval Office Three decades later the Johnson White House systematically sought the help of hundreds of liberals in drawing up blueprints for policy changes But when it came time to implement their plans Lyndon Johnson's White House proved to have scant interest in ideological purity By the time of the Reagan Revolution the organizations that supported ideological assaults on government had never been stronger The result was a level of ideological influence unmatched until the George W Bush presidency In Bush's administration not only did anti statists and social conservatives take up positions of influence throughout the government but the president famously pursued an elective war that had been promoted for a decade by a networked band of ideologues In the Barack Obama presidency although progressive liberals have found their way into niches within the executive branch the real ideological action continues to be Stage Right How did American presidential politics come to be so entangled with ideology and ideologues Ideologues and Presidents helps us move toward an answer to this vital question

**Presidents and Protestors** Theodore Windt, 1990-08-30 Windt's fresh interpretations are based on solid rhetorical analysis A fine work that makes a valuable contribution to the field both in methodology and findings Robert V Friedenberg

**Politics and Psychology** Joan Offerman-Zuckerberg, 2012-12-06 The world is a different place today Much of this has to do with the increasing volume and clarity of the people's collective voice The power and pressing desire in man for autonomy self determination and change are emerging as a demand As a consequence Communist governments are giving way to democratic re structuring Europe is being recrafted and the Cold War is slowly thawing Simultaneously back home our government is becoming increasingly bogged down by media created political images and psychodramas lacking in substance and value the degree of exposure somehow determined more by commercial appeal inherent sensationalism than merit The newborn child Le the budding democracies is looking eagerly to Uncle Sam as a role model throughout the world people are quoting our political scriptures our proclamations our Bill of Rights and yet as models we seem sorely lacking Given this climate this book intends to address a number of contemporary themes the role of the media symbolization idealization and projection on political choice the roles of group fantasy and the more rational force of II group governance on political elections the personalities of our presidents

and leaders their psychic vulnerabilities their public versus private personas and how this division interacts with the complex unraveling of historical events for example Jimmy Carter s response to crises in Afghanistan and Iran Michael Dukakis and the 1988 campaign George Bush s emergence as president John F Kennedy and his private versus public personas Anwar Sadat as myth and symbol

**Speechwriting in the Institutionalized Presidency** Kenneth Collier,2018-04-18 This book traces the evolution of the speechwriting process for presidents in the White House from the administration of Franklin Roosevelt to the present While institutionalization of the speechwriting process has often been blamed for bland presidential rhetoric this book draws out the many varied consequences of institutionalization on the speechwriting process Ultimately it concludes that the institutionalization of the process has actually served the presidency well by helping presidents avoid the adverse effects of poorly chosen words

*Twentieth-Century Roots of Rhetorical Studies* Jim A. Kuypers,Andrew King,2001-03-30 Kuypers King and their contributors explore the conception of rhetoric of eleven key American rhetoricians through analyses of their life s work Each chapter provides a sense of that scholar s conception of rhetoric be it through criticism theory or teaching The communication discipline often highlights the work of others outside the discipline however it rarely acclaims the work of its own critics teachers and theorists In this collection the essays explore the innate mode of perception that guided the rhetorical understanding of the early critics In so doing this work dispels the myth that the discipline of Speech Communication was spawned from a monolithic and rigid center that came to be called neo Aristotelianism Scholars and researchers involved with the history of rhetoric rhetorical criticism and theory and American public address uill find this title to be a necessary addition to their collection

*Bill Clinton* Allan Metz,2002-03-30 Bill Clinton s administration was filled with new policies and achievements for the nation s future but those achievements were easily overshadowed by personal flaws and scandal Despite his personal problems Clinton captured the American public and served two terms as one of our more memorable presidents This comprehensive bibliography on Clinton will provide students with information from his childhood his pre presidential career presidency including assessments of it and the beginning of his post presidential life Key access points to this information are provided in the Table of Contents and detailed author and subject indexes Also included is an invited essay providing an overview of the Clinton presidency and an extensive chronology of significant events

*The Immaculate Mistake* Rodney Wallace Kennedy,2021-09-23 President Donald Trump originated his political career by claiming that Barack Obama was not born in the USA His birtherism theory was discredited but there s another possibility about birth Evangelicals have given birth to Donald Trump in the immaculate mistake Evangelicals are not a collection of dumb and irrational people they are the creators of the demolition presidency of Trump He is their child the result of almost one hundred years of evangelical angst resentment and hurt This is the story of how Trump has become a secular evangelical preacher and his message of fear hatred division and getting even has captured the hearts and minds of evangelicals Rather than dismissing them this work takes them seriously and literally and offers a frank

and disturbing series of portraits of their determination to win at all costs      LBJ's American Promise Garth E. Pauley,2006-12-01 Though Lyndon Johnson developed a reputation as a rough hewn arm twisting deal maker with a drawl at a crucial moment in history he delivered an address to Congress that moved Martin Luther King Jr to tears and earned praise from the media as the best presidential speech in American history Even today his voting rights address of 1965 ranks high not only in political significance but also as an example of leadership through oratory Garth E Pauley carefully analyzes both the content and the context of this historic speech He begins with an analysis of the less than linear path of voting rights in the United States and highlights the failures and limited successes of previous legislation Many commentators have seen Johnson s voting rights speech as a response to the escalating protests in Selma and Pauley explores that connection Did Johnson wait too long to address the issue Would he have championed voting rights without the protests Pauley traces the development of the speech and the policy with these questions in mind He situates the speech not only within its immediate context but also within Johnson s ideology and value system tracing the influences on Johnson s racial attitudes and describing the complex of policies he developed to address issues of inequality Having set the stage for the address Pauley then carefully analyzes the text itself He charts the authorship of the speech through several drafts by aides traces the purposefulness of the allusions and recounts the extemporizing Johnson introduced when he actually delivered the address He notes the idealistic even mythic dimensions of the speech which contrast with its plainspoken style Finally Pauley gauges the effectiveness of the speech He reports the response to the address in the media among civil rights leaders and in the general population Pauley concludes with some reservations about the effectiveness not only of this address but also of the Johnson program for racial justice Nonetheless he believes that Lyndon Johnson s We Shall Overcome speech remains a remarkable achievement combining principle with rhetorical leadership      **Principles of Public Speaking** Kathleen M. German,Bruce E Gronbeck,Douglas Ehninger,Alan H. Monroe,2016-05-23 Balancing skills and theory Principles of Public Speaking emphasizes orality Internet technology and critical thinking as it encourages the reader to see public speaking as a way to build community in today s diverse world Within a framework that emphasizes speaker responsibility critical thinking and listening and cultural awareness this classic book uses examples from college workplace political and social communication to make the study of public speaking relevant contemporary and exciting This brief but comprehensive book also offers the reader the latest in using technology in speechmaking featuring a unique and exciting integrated text and technology learning system      **Rhetorical Style** Jeanne Fahnestock,2011-10-12 A comprehensive guide to the language of argument Rhetorical Style offers a renewed appreciation of the persuasive power of the English language Drawing on key texts from the rhetorical tradition as well as on newer approaches from linguistics and literary stylistics Fahnestock demonstrates how word choice sentence form and passage construction can combine to create effective spoken and written arguments With examples from political speeches non fiction works and newspaper reports Rhetorical Style surveys the

arguer's options at the word, sentence, interactive, and passage levels and illustrates the enduring usefulness of rhetorical stylistics in analyzing and constructing arguments

## **Presidential Rhetoric 1961 To The Present Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Presidential Rhetoric 1961 To The Present PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Presidential Rhetoric 1961 To The Present PDF books and manuals is

convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Presidential Rhetoric 1961 To The Present free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Presidential Rhetoric 1961 To The Present Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Presidential Rhetoric 1961 To The Present is one of the best book in our library for free trial. We provide copy of Presidential Rhetoric 1961 To The Present in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Presidential Rhetoric 1961 To The Present. Where to download Presidential Rhetoric 1961 To The Present online for free? Are you looking for Presidential Rhetoric 1961 To The Present PDF? This is definitely going to save you time and cash in something you should think about.
