Presidents And Their Wives From George Washington To George W Bush:

The Presidents and Their Wives, 1961 **Faith and the Presidency From George Washington to George W. Bush** Gary Scott Smith, 2006-10-12 Publisher description *The Presidents' First Ladies* Rae Lindsay, 2001 Describes the various First Ladies that have lived in the White House and discusses their duties and privileges *Public Papers of the Presidents of the United States, George W. Bush* United States. President (2001-2009 : Bush), 2003 [The American Presidents, Washington to Tyler](#) Robert A. Nowlan, 2014-01-10 As of 2012 only 43 men have held the office of the President of the United States Some have been sanctified and some reviled This historical work addresses the careers of the first ten presidents men who made vital contributions not only to the office of the presidency but to the course of the fledgling nation From Washington through Tyler every term is recounted in detail and each presidential profile provides as many as a hundred quotations with full source notes by the president his friends family historians and others Each profile ends with an extensive bibliography of books about the president his principles and policies and also provides suggestion for further reading Rigorously nonpartisan in approach this detail rich text describes the early years of what may well be one of the most demanding jobs in the world **The Presidents Visual Encyclopedia** DK, 2017-02-07 Explore the lives of America's 45 presidents as well as notable first ladies famous speeches and major constitutional events with The Presidents Visual Encyclopedia From George Washington to the new leader taking office in January 2017 this visual reference guide presents a unique insight into life in the White House More than 150 easy to read entries cover the presidents first ladies such as Eleanor Roosevelt the Louisiana Purchase the Gettysburg Address and more and over 200 fascinating photographs add to kids knowledge of these leaders and the key moments that defined their time in office The Presidents Visual Encyclopedia is the perfect one stop reference guide teaching kids all they need to know about the history of the United States and the remarkable impact our country has had on the rest of the world *George W. Bush, Former President of the United States (Leadership, Vision, Reforms)* IBP USA, 2013-08 A collaboration between an attorney and an animal protection advocate this work utilizes the extremely controversial and high profile crush video case *US v Stevens* to explore how American society attempts to balance the protection of free speech and the prevention of animal cruelty Starting from the detailed case study of a single prominent ruling the authors provide a masterful survey of important issues facing society in the area of animal welfare The Stevens case included various hot topic elements connected to the role of government as arbiter of public morality including judicial attitudes to sexual deviance and dogfighting Because it is one of only two animal rights cases that the US Supreme Court has handled and the only case discussing the competing interests of free speech and animal cruelty it will be an important topic for discussion in constitutional and animal law courses for decades to come The Stevens case arose from the first conviction under 18 USC 48 Section 48 a federal law enacted in 1999 which criminalized the creation sale and or possession of certain depictions of animal cruelty The US Congress intended Section 48 to end the creation and interstate

trafficking of depictions of animal cruelty in which animals are abused or even killed for entertainment's sake. Proponents of Section 48 predicted that countless benefits to both humans and animals would flow from its enforcement. Opponents of the law argued that it was too far reaching and would stifle protected speech. Critics of Section 48 appeared to have prevailed when the US Supreme Court struck the law down as unconstitutionally overbroad. Although a law tailored to address the Supreme Court's concerns was quickly enacted, the free speech animal cruelty controversy is far from over. **Public**

Papers of the Presidents of the United States: George W. Bush, *The Second Term of George W. Bush* R.

Maranto, D. Brattebo, T. Lansford, 2006-06-10. Second term presidencies are distinctive not least as the president no longer has to run for re-election. Placing the second term of George W. Bush in comparative perspective, this fascinating book explores the political, institutional, and policy implications of a second term. Combining topicality with analytical richness, this is an important resource for scholars and students. **Public Papers of the Presidents of the United States, George W.**

Bush United States. President (2001-2009 : Bush), 2010 **Presidents of the United States of America Workbook**

Okyere Bonna, MBA, 2007-11-15. The presidency of the United States has evolved, taking different shapes and forms over the years since the Founding Fathers of the United States created the office at the Constitutional Convention in 1787. The Constitution, which went into effect in 1787, then embodied a small rural Republic of but 13 States located along the eastern seaboard of present-day United States. The population of the Union was only 4 million. However, it carried slight weight in international affairs. During the following span of time, the Union has grown into an urbanized industrial country of 50 States extending as far westward as Alaska and Hawaii. The population now exceeds 215 million, and the Nation ranks as a leading global super power. Alongside the growth and power of the United States has been a remarkable increase in the scope and influence of the Presidency over the years, especially in the 20th and 21st centuries. **Did President Grant Really Get a**

Ticket for Speeding in a Horse-Drawn Carriage?: And Other Questions about U.S. Presidents Sandra

Donovan, 2011-01-01. Discusses facts and myths about American presidents including if Washington cut down a cherry tree if Lincoln walked twenty miles to school and if Taft weighed more than an elephant. *Franklin Delano Roosevelt's Life and Times* Peter Appleseed, 2014-05-19. President Franklin Delano Roosevelt and Eleanor Roosevelt, niece of Theodore Roosevelt.

This book is the first part of a trilogy, the part covering the early life until 1921. The end of this part is at the turning point of the onset of partial paralysis. This was the most major life-changing event. This book is more about the culture and formation of his mind; it is personal more so than political. World War I, the great war, is covered in this book. *American Presidents Attend the Theatre* Thomas A. Bogar, 2009-09-24. Not every presidential visit to the theatre is as famous as Lincoln's last night at Ford's, but American presidents attended the theatre long before and long after that ill-fated night. In 1751, George Washington saw his first play, *The London Merchant*, during a visit to Barbados. John Quincy Adams published dramatic critiques. William McKinley avoided the theatre while in office on professional as well as moral grounds. Richard Nixon met

his wife at a community theatre audition Surveying 255 years this volume examines presidential theatre going as it has reflected shifting popular tastes in America The Rhetoric of the New Political Documentary Thomas W Benson, Brian J Snee, 2008-05-23 The Rhetoric of the New Political Documentary explores the most visible and volatile element in the 2004 presidential campaign the partisan documentary film This collection of original critical essays by leading scholars and critics including Shawn J and Trevor Parry Giles Jennifer L Borda and Martin J Medhurst analyzes a selection of political documentaries that appeared during the 2004 election season The editors examine the new political documentary with the tools of rhetorical criticism combining close textual analysis with a consideration of the historical context and the production and reception of the films The essays address the distinctive rhetoric of the new political documentary with the films typically having been shot with relatively low budgets in video and using interviews and stock footage rather than observation of uncontrolled behavior The quality was often good enough and interest was sufficiently intense that the films were shown in theaters and on television which provided legitimacy and visibility before they were released soon afterwards on DVD and VHS and marketed on the Internet The volume reviews such films as Michael Moore s Fahrenheit 9 11 two refutations of Moore s film Fahrenhype 9 11 and Celsius 41 11 Unprecedented The 2000 Presidential Election and George W Bush Faith in the White House films that experimented with a variety of angles and rhetorics from a mix of comic disparagement and earnest confrontation to various emulations of traditional news and documentary voices The Rhetoric of the New Political Documentary represents the continued transformation of American political discourse in a partisan and contentious time and showcases the independent voices and the political power brokers that struggled to find new ways to debate the status quo and employ surrogate independents to create a counterrhetoric **5,000 Awesome Facts (about Everything!)** 2 National Geographic Kids, 2014 Provides five thousand facts about everything from water parks and hair to manners and fossils

The Presidency of the United States Richard M. Pious, 2010-04-10 The Presidency of the United States is an illustrated A to Z guide to the U S Presidency including biographical sketches of each President and Vice President along with articles on presidential powers presidential history theories about the presidency presidential elections advisors and agencies and information about the daily workings of the White House The second edition is completely revised up to March 2001 with new biographies of George W Bush and Dick Cheney and completely updated biographies of Bill Clinton and Al Gore There are also new general articles on African Americans Hispanic Americans and Women in the Executive branch and existing articles have been fine tuned to include memorable events of the 7 years since publication of the first edition of this book Illustrations include portraits cartoons and Presidential memorabilia Articles are cross referenced with suggestions for further reading listed at the end of each article as well as at the end of the book Websites are now provided in the updated appendix of Presidential Libraries and Museums **American Learned Men and Women with Czechoslovak Roots** Mila Rechcigl, 2020-11-18 Apart from a few articles no comprehensive study has been written about the learned men and women

in America with Czechoslovak roots That s what this compendium is all about with the focus on immigration from the period of mass migration and beyond irrespective whether they were born in their European ancestral homes or whether they have descended from them Czech and Slovak immigrants including Bohemian Jews have brought to the New World their talents their ingenuity their technical skills their scientific knowhow and their humanistic and spiritual upbringing reflecting upon the richness of their culture and traditions developed throughout centuries in their ancestral home This accounts for the remarkable success and achievements of these settlers in their new home transcending through their descendants as this monograph demonstrates The monograph has been organized into sections by subject areas i e Scholars Social Scientists Biological Scientists and Physical Scientists Each individual entry is usually accompanied with literature and additional biographical sources for readers who wish to pursue a deeper study The selection of individuals has been strictly based on geographical ground without regards to their native language or ethnic background This was because under the Habsburg rule the official language was German and any nationalistic aspirations were not tolerated Consequently it would be virtually impossible to determine their innate ethnic roots or how the respective individuals felt Doing it in any other way would be a mere guessing and thus less objective
