## **Presidents Private Eye:**

**The President's Private Eye** Tony Ulasewicz, Stuart A. McKeever, 1990 THE PRESIDENT'S PRIVATE EYE is the amazing story of one man's journey into history From New York's Lower East Side to the White House this episodic memoir tells of the orbit traveled by Tony Ulasewicz the Runyonesque ex detective who retired from the NYPD to become President Nixon's private investigator the first ever hired by a President of the United States Tony U carried the badge of a New York City cop for twenty seven years twenty of those years as a detective with the Bureau of Special Service the conspiracy to blow up the Statue of Liberty by the Black Liberation Front the effort of George Lincoln Rockwell his American Nazi Party to march on New York finally Chappaquiddick Watergate the bookends of Tony's career as President Nixon's private eye **Hollywood**

**Through Private Eyes** Philip Kiszely, 2006 Revision of the author's thesis Ph D University of Manchester 2003 *The Presidents We Imagine* Jeff Smith, 2009-03-19 In *The Presidents We Imagine* Jeff Smith examines the presidency's ever changing place in the American imagination Ranging across different media and analyzing works of many kinds some familiar and some never before studied he explores the evolution of presidential fictions their central themes the impact on them of new and emerging media and their largely unexamined role in the nation's real politics **The American President**

William E. Leuchtenburg, 2015-11-19 *The American President* is an enthralling account of American presidential actions from the assassination of William McKinley in 1901 to Bill Clinton's last night in office in January 2001 William Leuchtenburg one of the great presidential historians of the century portrays each of the presidents in a chronicle sparkling with anecdote and wit Leuchtenburg offers a nuanced assessment of their conduct in office preoccupations and temperament His book presents countless moments of high drama FDR hurling defiance at the economic royalists who exploited the poor ratcheting tension for JFK as Soviet vessels approach an American naval blockade a grievously wounded Reagan joking with nurses while fighting for his life This book charts the enormous growth of presidential power from its lowly state in the late nineteenth century to the imperial presidency of the twentieth That striking change was manifested both at home in periods of progressive reform and abroad notably in two world wars Vietnam and the war on terror Leuchtenburg sheds light on presidents battling with contradictory forces Caught between maintaining their reputation and executing their goals many practiced deceits that shape their image today But he also reveals how the country's leaders pulled off magnificent achievements worthy of the nation's pride Now with a preface new to the paperback edition *The American President* provides a timely reflection on the office that has shaped and continues to shape the destiny of the United States and its people

**Troubled Memory** Lawrence N. Powell, 2003-04-03 This powerful work tells the story of Anne Skorecki Levy the Holocaust survivor who transformed the horrors of her childhood into a passionate mission to defeat the political menace of reputed neo Nazi and Ku Klux Klan leader David Duke The first book to connect the prewar and wartime experiences of Jewish survivors to the lives they subsequently made for themselves in the United States *Troubled Memory* is also a dramatic

testament to how the experiences of survivors as new Americans spurred their willingness to bear witness Perhaps the only family to survive the liquidation of the Warsaw Ghetto as a group the Skoreckis evaded deportation to Treblinka by posing as Aryans and ultimately made their way to New Orleans where they became part of a vibrant Jewish community Lawrence Powell traces the family's dramatic odyssey and explores the events that eventually triggered Anne Skorecki Levy's brave decision to honor the suffering of the past by confronting the recurring specter of racist hatred Breaking decades of silence she played a direct role in the unmasking and defeat of Duke during his 1991 campaign for the governorship of Louisiana

**Counterintelligence Theory and Practice** Hank Prunckun, 2019-01-21 In this thoroughly updated and revised edition of Counterintelligence Theory and Practice Hank Prunckun provides all of the elements required for a successful counterintelligence operation from both an academic and a practitioner's point of view It offers an advanced understanding of the underlying theory that supports the art and science of the craft and examines the challenges and practicalities of defensive and offensive counterintelligence Designed for students in intelligence studies as well as professional training classes this text explores issues related to national security military law enforcement and corporate as well as private affairs

Silent Coup Len Colodny, 2015-09-22 This is the true story of betrayal at the nation's highest level Unfolding with the suspenseful pace of a Le Carre spy thriller it reveals the personal motives and secret political goals that combined to cause the Watergate break in and destroy Richard Nixon Investigator Len Colodny and journalist Robert Gettlin relentlessly pursued the people who brought down the president Their revelations shocked the world and forever changed our understanding of politics of journalism and of Washington behind closed doors Dismantling decades of lies Silent Coup tells the truth

The Fifth Revenge Carl Burcham, 2000-12 A modern day Sioux warrior is on the warpath avenging five of his most famous ancestors by killing contemporary white leaders When the pinto riding Indian Avenger brutally murders the Secretary of the Interior before thousands of onlookers at a Native American gathering on the Washington Mall President Elizabeth Chamberlain decides to intervene But instead of relying on federal authorities she turns to local D C detective Quinn Shannon a Harley riding beer swilling over the hill cop with retirement on his mind To track the assassin Shannon relies on one of the Indian's own an old Sioux Sundancer named Ben Soaring Eagle It's a race against time as Shannon and Soaring Eagle try to stop the Sioux assassin before he completes the fifth revenge

**Mr. President, Private Eye** Professor Francis M Nevins, Francis M. Nevins, Martin Harry Greenberg, 2004-09-28 Eleven award winning world class mystery writers have set aside their history books to create these diabolically clever tales of conspiracy menace murder and detection featuring 13 former U S presidents from George Washington to Gerald Ford

*New York Magazine*, 1990-11-26 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy

and excitement of the city itself while celebrating New York as both a place and an idea

**The 1996 Russian Presidential Election** Jerry F. Hough, Evelyn Davidheiser, Susan Goodrich Lehmann, 2010-12-01 The 1996 Russian presidential election is a crucial referendum on the policy of economic reform that had been conducted over the previous five years This book written before the election on the basis of two major public opinion surveys at the time of the 1993 and 1995 Duma elections explores the evolution in Russian thinking the positions and strategies of the candidates and the dilemma of the centrists choosing between a president they profoundly dislike and a Communist party they do not trust In the 1990s the northern regions of Russia supported free trade reform and the southern regions protectionism but this reversed the more normal pattern found in Russian politics a century ago As the book looks at the psychological and sociological factors that produced the politics of the early 1990s and began to transform it in a more normal direction in the mid 1990s it goes beyond a simple analysis to discuss the more enduring problems of economic and political reform in Russia A Brookings Occasional Paper

**The Hunting of the President** Joe Conason, Gene Lyons, 2000-03-09 Examines the campaign to discredit Bill and Hillary Clinton which began in 1989 and almost brought down the president ten years later

**Police Against the Movement** Joshua Clark Davis, 2025-10-07 A bold retelling of the 1960s civil rights struggle through its work against police violence and a prehistory of both the Black Lives Matter and Blue Lives Matter movements that emerged half a century later Police Against the Movement shatters one of the most pernicious myths about the 1960s that the civil rights movement endured police violence without fighting it Instead as Joshua Clark Davis shows activists from the Congress of Racial Equality and the Student Nonviolent Coordinating Committee confronted police abuses head on staging sit ins at precinct stations picketing outside department headquarters and blocking city streets to protest officer misdeeds In return organizers found themselves the targets of overwhelming political repression in the form of police surveillance infiltration by undercover officers and retaliatory prosecutions aimed at discrediting and derailing their movement The history of the civil rights era abounds with accounts of physical brutality by county sheriffs and tales of political intrigue and constitutional violations by FBI agents Turning our attention to municipal officials in cities and towns across the US North South East and West Davis reveals how local police bombarded civil rights organizers with an array of insidious weapons More than just physical violence these economic legal and reputational attacks were designed to project the illusion of color blind law enforcement The civil rights struggle against police abuses is largely overlooked today the victim of a willful campaign by local law enforcement to erase their record of repression By placing activism against state violence at the center of the civil rights story Police Against the Movement offers critical insight into the power of political resistance in the face of government attacks on protest

**Emile de Antonio** Randolph Lewis, 2000-11-01 Emile de Antonio 1919 1989 was the most important political filmmaker in the United States during the Cold War Director of such controversial films as Point of Order 1963 In the Year of the Pig 1969 Millhouse A White Comedy 1971 and Mr Hoover and I 1989 de Antonio lived a remarkable life in dissent De Antonio was a

womanizing raconteur upper class Marxist Harvard classmate of John F Kennedy World War II bomber pilot and failed English professor who lived a colorful life even before he stumbled headfirst into the New York art world of the 1950s Everything I learned about painting I learned from De Andy Warhol said about his friend who famously drank himself unconscious in Warhol s film Drink De Antonio also was important to the early careers of Jasper Johns Robert Rauschenburg and John Cage Then in 1959 de Antonio took on the chance to distribute the Beat film Pull My Daisy and discovered filmmaking In the first book on de Antonio s life and work Randolph Lewis traces the turbulent development of the filmmaker s career Lewis follows de Antonio s struggle to make films about Joseph McCarthy Richard Nixon and J Edgar Hoover under whose direction the FBI compiled a 10 000 page file on de Antonio and to work with such political allies as Mark Lane Martin Sheen Bertrand Russell Daniel Berrigan and members of the Weather Underground whose activities he documented in the film Underground Blending biography with critical insights about art literature and film Lewis offers de Antonio as a lens to focus on the complex terrain of post World War II America *Battleground New York City* Thomas A. Reppetto, 2012-01-31 New York City has long been a breeding ground for spies saboteurs terrorists and other threats to the nation and its greatest city Battleground New York City examines the history of domestic security operations and the people and agencies involved in safeguarding the city that never sleeps Starting with the bloody draft riots during the Civil War Thomas Reppetto guides the reader through New York City s history emphasizing the battles against twentieth century German and Russian spies and more recent ones against Islamic radicals This book illustrates how over the course of two world wars numerous political and social upheavals and shocking terrorist attacks the United States developed a complex web of organizations responsible for identifying and neutralizing security risks New York has been the training and proving ground for law enforcement agencies in developing the organizations strategies and tactics now used to protect citizens nationwide The histories and operations of the U S Secret Service the Federal Bureau of Investigation the New York Police Department and other organizations provide insight into recent events and what the United States needs to do to protect all of its citizens Battleground New York City is the exciting story of the men and women who have dedicated their lives to protecting a city under threat *American Fuehrer* Frederick James Simonelli, 1999 The founder of the American Nazi party and its leader until he was murdered in 1967 George Lincoln Rockwell was one of the most significant extremist strategists and ideologists of the postwar period His influence has only increased since his death A powerful catalyst and innovator Rockwell broadened his constituency beyond the core Radical Right by articulating White Power politics in terms that were subsequently appropriated by the one time klansman David Duke He played a major role in developing Holocaust revisionism now an orthodoxy of the Far Right He also helped politicize Christian Identity America s most influential right wing religious movement and welded together an international organization of neo Nazis All of these extremist movements continue to thrive today Frederick Simonelli s biography of this powerful and enigmatic figure draws on primary sources of extraordinary depth including declassified FBI

files and manuscripts and other materials held by Rockwell's family and associates The first objective assessment of the American Nazi party and an authoritative study of the roots of neo nazism neo fascism and White Power extremism in postwar America American Fuehrer is shocking and absorbing reading The Mystery Fancier William F. Deeck,2008-08-01 A bibliography of various mystery novels published between November 1976 and Fall 1992 Police Unbound Anthony V. Bouza,2010-06-03 Former chief of police in Minneapolis and commander of the Bronx police force Tony Bouza pulls no punches in this blunt candid assessment of police culture Emphasizing the gap between the average citizen's perception of police work and the day to day reality of life as a cop Bouza reveals the inner dynamics of a secretive fraternal society that will do almost anything to protect itself The strong bonds of loyalty among police both inspire individual acts of heroism in the face of danger but also repress full disclosure of the truth when corruption or abuse of power are suspected says Bouza Young rookies are quickly molded by the unspoken rules and the code of silence that govern a cop's professional life and they soon learn that physical but not moral courage is expected Bouza evaluates sweeps roundups sting operations the controversial practice of racial profiling and the politics of law enforcement He critically examines the excesses abuses and corruption of the New York Los Angeles and Minneapolis police forces among others offering insights into what went wrong in the infamous Louima and Diallo cases But his most telling criticism is not directed against the police per se but against our society's ruling elites and the middle class who give police the unmistakable message that the underclass must be kept down and property owners protected at all costs He charges that the heart of the problem of both crime and police abuse in America is our tacitly accepted class structure separating the privileged from the poor and along with it the systemic racism that society as a whole is not yet willing to face Bouza concludes his critique on a positive note with straightforward proposals on how to make the police more ethical and effective This controversial eye opening book by a veteran insider exposes a reality that TV cop shows never portray and raises serious moral questions about class and race **Burying the Lead** Mal Jay Hyman,2019-03-01 The Cold War ushered in a time of secrecy and willing media cooperation to keep those secrets But even after winning that war the vault of secrets remains firmly locked especially surrounding John F Kennedy's murder Even for those who fundamentally oppose the current presidential administration notions of a national security state and fake news must be examined to maintain a functional democracy This book explains the rapid decline in confidence in government that started after the assassination of JFK The mainstream media failed to go beyond repeating the official story and by 1991 they along with academe and the government had stopped investigating altogether It was filmmaker Oliver Stone whose film fueled public outrage and led to the JFK Act to declassify all of the remaining documents Almost four million pages of documents were then released that even Congress had not yet seen The JFK Act stated that all files must be released by October 2017 yet thousands are still withheld on the grounds of national security This volume examines the tight alliances that have allowed this cover up for more than 50 years President Kennedy declared in October 1963 that men who

create power make an indispensable contribution to a nation's greatness but the men who question power make a contribution just as indispensable especially when they are disinterested for they determine whether we use power or power uses us     *The Final Report of the Select Committee on Presidential Campaign Activities, United States Senate, Pursuant to S.
