Presidents A Biographical Dictionary Political Biographies:

Presidents Neil A. Hamilton, 2010 Praise for the previous editions well written and engagingly contemporary
Recommended Choice Vice Presidents L. Edward Purcell, 2015 The majority of our vice presidents have been men of extraordinary high aspiration ability and achievement For some the vice presidency was the deflating end of a political career for others the office was a stepping stone to the presidency **Presidents** Neil A. Hamilton, 2010 A biographical dictionary profiling the presidents of the United States from George Washington to Barack H Obama **A Dictionary of Political Biography** Christopher Riches, Dennis Kavanagh, 2013-09-19 Originally compiled by an expert team of contributors this dictionary covers all the major figures in world politics of the twentieth century Authoritative and wide ranging it describes and assesses the lives of more than 1 100 men and women who have shaped political events across the world Each entry includes an account of the background career and achievements of the individual concerned balancing fact with critical appraisal This second edition commissioned especially for Oxford Reference contains over 25 new entries and the whole text has been thoroughly revised and updated *Presidents, Parties, and Prime Ministers* David J. Samuels, Matthew S. Shugart, 2010-05-17 This book provides a framework for analyzing the impact of the separation of powers on party politics Conventional political science wisdom assumes that democracy is impossible without political parties because parties fulfil all the key functions of democratic governance They nominate candidates coordinate campaigns aggregate interests formulate and implement policy and manage government power When scholars first asserted the essential connection between parties and democracy most of the world s democracies were parliamentary Yet by the dawn of the twenty first century most democracies had directly elected presidents David J Samuels and Matthew S Shugart provide a theoretical framework for analyzing variation in the relationships among presidents parties and prime ministers across the world s democracies revealing the important ways that the separation of powers alters party organization and behavior thereby changing the nature of democratic representation and accountability **The Vice Presidents** L. Edward Purcell, 1998 Brief biographies of all 45 United States Vice Presidents to date Dictionary of African Biography Emmanuel Kwaku Akyeampong, Professor Henry Louis Gates, Jr., 2012-02-02 From the Pharaohs to Fanon Dictionary of African Biography provides a comprehensive overview of the lives of the men and women who shaped Africa s history Unprecedented in scale DAB covers the whole continent from Tunisia to South Africa from Sierra Leone to Somalia It also encompasses the full scope of history from Queen Hatsheput of Egypt 1490 1468 BC and Hannibal the military commander and strategist of Carthage 243 183 BC to Kwame Nkrumah of Ghana 1909 1972 Miriam Makeba and Nelson Mandela of South Africa 1918 **The Economist Dictionary of Political Biography** Jane Carroll, 1991 **Guide to Reference in Genealogy and Biography** Mary K. Mannix, Fred Burchsted, Jo Bell Whitlatch, 2015 An excellent starting point for both reference librarians and for library users seeking information about family history and the lives of others this resource is drawn from the authoritative database of Guide to

Reference voted Best Professional Resource Database by Library Journal readers in 2012 Biographical resources have long been of interest to researchers and general readers and this title directs readers to the best biographical sources for all regions of the world For interest in the lives of those not found in biographical resources this title also serves as a guide to the most useful genealogical resources Profiling more than 1400 print and electronic sources this book helps connect librarians and researchers to the most relevant sources of information in genealogy and biography Presidents Neil A. Hamilton,2005 Profiles of American presidents are listed in order of election to office Includes personal and professional information timelines of life and unusual facts **A Dictionary of Political Biography** Dennis Kavanagh,1998 From Churchill Stalin and Kennedy to Blair Clinton and Mandela A Dictionary of Political Biography covers all the major figures in world politics of the twentieth century Compiled by an expert team of contributors under the editorship of Dennis Kavanagh this new dictionary contains over 1 000 entries which describe and assess the lives of the men and women who have shaped political events across the world Each entry includes an account of the background career and achievements of the individual concerned balancing fact with critical appraisal Including entries on Idi Amin Yasser Arafat Dwight D Eisenhower Slobadan Milosevic Fran ois Mitterrand Mary Robinson and Mao Zedong A Dictionary of Political Biography is an indispensable and authoritative reference for anyone interested in twentieth century history and politics The Facts on File Guide to Research Jeff Lenburg,2014-05-14 The Facts On File Guide to Research is a comprehensive guide to doing thorough and accurate research It includes a detailed listing of available resources and explains general research methods and proper citation of sources An invaluable reference this book helps researchers make use of the many new resources available today Divided into four sections this easy to use guide helps students and general readers prepare for research papers and class studies Step by step guides detailed explanations and valuable appendixes covering style guides such as APA MLA and The Chicago Manual of Style combine to create an incredibly authoritative accessible reference Qualified Jamin Soderstrom,2011-09-30 There is no more important decision an American voter can make than selecting who will become the next president of the United States and voters should not be forced to guess whether a candidate is qualified to become president In Qualified author Jamin Soderstrom proposes a resume challenge that could revolutionize the election system and help to bring the presidential hiring process into the twenty first century Qualified presents a tool developed by Soderstrom to help voters compare presidential candidates with each other and with past presidents This resume based approach focuses on the candidates experiences and abilities and evaluates legislative executive military foreign and private experience education and intellect and writing and public speaking ability It ensures that future presidents will be leaders qualified by constitutional historical and practical standards A blend of analysis and insight Qualified seeks to provide information to voters to help ensure the public elects presidents who have the experience ability and temperament to rise above the fray and become historically successful The innovative resume challenge will help shed light on which candidates in 2012 meet

the QUALIFIED THRESHOLD for presidential success *Universal Pronouncing Dictionary of Biography and Mythology* Joseph Thomas,1905 **James K. Polk A Political Biography** Eugene Irving McCormac,1922 **New Dictionary of South African Biography** E. J. Verwey,1995 This series of publications aims to fill the gaps in our history highlighting in particular the significant roles played by black leaders from all walks of life **The Almanac of Political Corruption, Scandals, and Dirty Politics** Kim Long,2008-12-18 Watergate Billygate Iran Contra Teapot Dome Monica Lewinsky American history is marked by era defining misdeeds indiscretions and the kind of tabloid ready scandals that politicians seem to do better than anyone else Now for the first time one volume brings together 300 years of political wrongdoing in an illustrated history of politicians gone wild proving that today s scoundrels aren t the first worst and surely won t be the last From high crimes to misdemeanors to moments of licentiousness and larceny this unique compendium captures in complete colorful detail the foibles failings peccadilloes dirty tricks and astounding blunders committed by politicians behaving badly Amid stories of brawlers plagiarists sexual predators tax evaders and the temporarily insane this almanac tells all about The only so far president to be arrested while in office Ulysses S Grant who was allegedly issued a ticket for racing his horse and buggy through the streets of Washington D C The former New Jersey state senator David J Friedland who disappeared during a scuba diving accident in 1985 It turns out he staged the accident and served nine years in prison after being captured in the Maldives Tape recorded instructions from highbrow president Franklin Delano Roosevelt on how his staff should carry out some low down political tricks The bizarre story of U S congressman Robert Potter who castrated two men he suspected of having affairs with his wife Potter won election to the state house while in jail but was kicked out for cheating at cards Texas congressman Henry Barbosa Gonzalez he was charged with assault in 1986 after he shoved and hit a man who called him a communist Gonzalez was seventy years old at the time At once shocking and hilariously funny here s a book that exposes the history of American politics warts and all and makes for hours of jaw dropping fascinating illuminating reading

The American Presidents From Polk to Hayes Robert A. Nowlan, Ph.D.,2016-01-31 American Presidents Polk to Hayes What They Did What They Said What Was Said About Them is the second book in a planned five volume series covering all the Presidents These 43 men so far have succeeded in some regards and failed in others as they strove to do the best they could in what is surely one of the most difficult jobs in the world Only they can truly appreciate what it takes to be the president Others can only speculate People feel strongly about U S Presidents Some they admire others they hate It is fair game to criticize a president s actions and policies However questioning their commitment to American ideals seems like hitting below the belt There are no willing villains Most people can find justification for their actions beliefs and prejudices Each president strove to do the best he could for the nation and its people This goal of the book is not to praise presidents nor is it to condemn them The subtitle of each of the five books in the series What They Did What They Said What Was Said About Them perfectly describes the approach adopted to tell their stories in a unique way meant to entertain as well as

inform Readers are asked to make their own judgments of the presidencies based on more information than the semi myths they may recall History courses or what is preached in the many longstanding and despicable negative campaigning mudslinging and character assassination reports they hear from partisans One can find much to admire about each of the presidents and unfortunately much to deplore Soldiers are told that in giving salutes to officers is not honoring the individuals but rather their rank If there are presidents readers just feel they cannot salute hopefully they can salute the presidency

American Political Leaders Richard L. Wilson, 2014-05-14 Presents profiles of major figures in American politics from Bella Abzug through Woodrow Wilson arranged alphabetically by area of activity and by year of birth

The Presidency of Calvin Coolidge Robert H. Ferrell, 1998 The first book length assessment of Coolidge's presidency in thirty years draws on the recently opened papers of his White House physician for hitherto unknown personal information Ferrell history Indiana U exonerates Coolidge for the failures of his party's foreign policy but holds him accountable for having had insufficient economic savvy to warn Wall Street against the overspeculation that caused the Depression
