## Presidents Mistres:

**I Was the President's Mistress!!** Miguel Syjuco, 2022-04-05 Brilliant Miguel Syjuco is his country's most original and unflinching literary voice. Salman Rushdie: It's a rare novel that leaves you reeling simultaneously with admiration, exhaustion, amazement at its author's reach and skill, and desolation at the world it spreads out before you. A raging protest of a book. James Lasdun, The New York Times Book Review Editors' Choice. From Miguel Syjuco, the winner of the Man Asian Literary Prize for *Ilustrado*. *I Was the President's Mistress* is an unflinching satire about power, corruption, sex, and all the other topics you were told never to discuss in polite company. First came the Sexy Sexygate scandal. Then an impeachment trial. Finally a battle royale for the presidency. At the center of this political typhoon is Vita Nova, the most famous movie star in the Philippines and a former paramour of the country's most powerful man. Now for the first time ever she bares herself completely in a tell-all memoir that puts the sensational in sensationalistic. The setting: a sweating, heaving country. The time: right now. The plot: a drug war rages, an assassin brandishes a pistol, a damsel rises from ashes to power, and a government teeters on the brink. Among the players: a dreamer who boxed and acted his way to the presidency, his Koran-toting nemesis in the senate, a horny bishop, a cowboy turned warlord, a poor little rich boy dying with his dynasty, a washed-up reporter redeemed by one last scoop, a high school sweetheart driven mad by decades of disappointment, and an American naval officer tempting our heroine with a way out. As Vita warns, viewer discretion is advised. In this masterful and audacious novel, Miguel Syjuco's signature style—hilarious, insightful, playful, provocative—animates thirteen indelible voices whose stories present a cross-section of a complicated society. *I Was the President's Mistress* hurtles headlong into love, politics, faith, history, memory, and the ongoing war over who will tell the stories the world shall know as truth. *Meaning and Mental Representations* Umberto Eco, Marco Santambrogio, Patrizia Violi, 1988 an excellent collection. *Journal of Language Social Psychology* An important collection of original essays by well-known scholars debating the questions of logical versus psychologically based interpretations of language. **Sex Lives of the Presidents** Nigel Cawthorne, 2013-12-24 It didn't start with Clinton or even Kennedy. Ever since the Father of our Country was sworn in over 200 years ago, the White House has seen its share of oversexed, adulterous, philandering presidents. From Washington's countless bed partners to Jefferson's illegitimate children, Kennedy's notorious womanizing to Clinton's unstoppable libido, find out the surprising and sometimes bizarre sexual practices of all the men in the Oval Office. *The President's Mistress* Patrick Anderson, 1977 *Wives Rather Than Mistresses* Hamdy Shafiq, *The Presidents We Imagine* Jeff Smith, 2009-03-19 In *The Presidents We Imagine*, Jeff Smith examines the presidency's ever-changing place in the American imagination. Ranging across different media and analyzing works of many kinds, some familiar and some never before studied, he explores the evolution of presidential fictions, their central themes, the impact on them of new and emerging media, and their largely unexamined role in the nation's real politics. *The President's Mistress* Patrick Anderson, 1976 The murder of the President's mistress threatens to create one of

the most devastating scandals in political history      **Presidential Sex** Wesley O. Hagood,1998 With profiles on Bill Clinton Thomas Jefferson FDR JFK Lyndon Johnson and Eisenhower this book describes the impact that freewheeling sexual behavior has had upon first families election campaigns political careers and the nation itself      **War with Russia** Richard Shirreff,2016-09-27 The rapid rise in Russia s power over the course of the last ten years has been matched by a stunning lack of international diplomacy on the part of its president Vladimir Putin One consequence of this when combined with Europe s rapidly shifting geopolitics is that the West is on a possible path toward nuclear war Former deputy commander of NATO General Sir Richard Shirreff speaks out about this very real peril in this call to arms a novel that is a barely disguised version of the truth In chilling prose it warns allied powers and the world at large that we risk catastrophic nuclear conflict if we fail to contain Russia s increasingly hostile actions In a detailed plotline that draws upon Shirreff s years of experience in tactical military strategy Shirreff lays out the most probable course of action Russia will take to expand its influence predicting that it will begin with an invasion of the Baltic states And with GOP presidential candidate Donald Trump recently declaring that he might not come to the aid of these NATO member nations were he to become president the threat of an all consuming global conflict is clearer than ever This critical chilling fictional look at our current geopolitical landscape written by a top NATO commander is both timely and necessary a must read for any fan of realistic military thrillers as well as all concerned citizens      **Three Short Novels 1955-1965** William Palmer,2018-08-17 In the spring of 2018 at the age of eighty one the author attacked a stack of manuscripts that had sat on various shelves for over fifty years Three short novels some stories and many fragments made a dusty pile many inches high Privateer the earliest novel had been written while at Harvard and published in the literary magazine MSS in 1974 In this work an armed merchant ship in the aftermath of World War II sails into New York harbor to wreak havoc on the lives of a brother and sisterPrimo and Mariewho live in a brothel by a live chicken market Zoyhaique started at Harvard and finished in the navy a novel of revolution in a South American country follows the life of Hensoldt a German with a checkered past and his coconspirators Theo and Kia started in the navy and finished at Hopkins chronicles the loves of Theo an agent working it appears for the Israelis hunting down apparent Nazis for a bounty and Kia whose relation to the Third Reich is ambiguous      *Osprey* M. Kerns,2009-02-17 CHAPTER I Monday Jeazel Pete is at it again The investigation into the death of a local undercover agent continues Wildfires are ravaging the west The Vice Presidents ahead in the latest polls And it looks like its going to be clear for the weekend the TV announcer said although nobody was really listening as the sound softly filled the almost empty hotel lobby Well be back in two minutes with the details here on WKYT 27 he continued I glanced down from the TV perched on the wall as the commercial began What channel is that in the room I asked the receptionist as I glanced at her name tag adding Debbie Thats channel eight sir OK I want to catch the weather 52 25 is your change and heres your key Have you ever stayed here before sir she asked with a smile I nodded in the affirmative and she continued Well good youre in room 315 which is in the first building on the right when you come into the parking lot its the one next to the indoor pool Check out is 12 noon Enjoy your stay at the Cumberland Inn I counted out my change like a miser and then picked up the key card from the counter top Thanks I said as I turned and walked out to the parking lot As I glanced around I thought man this is a nice place much nicer than I remembered Double spiral staircase baby granddont touch the keys an elegant portrait of the founders looking stately in their golden years hung over the fireplace which had a mantle that mustve been over a hundred and fifty years old Upon the tables strategically placed around the lobby were books which had equally elegant multi colored bindings all with a look of age that said Ive been here a while I dont know how I missed all this stuff the other times I had been here But that was work and I was always in a hurry to check in and get to my room As I walked through the double set of glass doors I saw a grounds keeper standing by my 85 Nissan pick up He turned and looked at me and said Good Afternoon Afternoonuh Doug I returned glancing at his nametag I was just admiring your bumper stickers youre sure getting around he said motioning to the tailgate of my truck with his eyes and a slight movement of his head They look kinda new On my tailgate were 11 bumper stickers indicating that I was a tourist Some placed horizontally some vertically and others at angles The stickers appear to be placed haphazardly but there is a grand plan to this madness Yeah I chuckled Im doing some sightseeing and I want to see if I can cover the whole tailgate before I head back home That wasnt quite the truth but

he would never know He chuckled like he understood why I was doing it but I could tell he didnt share my enthusiasm for my effort Weve got some in the lobby do you want me to get you one Sure I didnt even see em in there I said I was too taken in by the setting Man this is a pretty nice place especially for being so far in the middle of nowhere Whats the scoop here anyway Well its actually owned by the college Cumberland College that is and one of the main focuses of the college is accommodation and comfort management Hotel motel management you know he said like I was having trouble understanding his meaning Most of the people working here are students working through the summer and getting some extra credits to boot Thats pretty cool I said as I nodded my head and looked him in the eye Let me get that sticker for you He turned to walk into the lobby I glanced at my watch and I thought about how badly I just wanted to get to my room After what seemed like an hour Doug came struggling through the heavy glass doors That door is tough he mumbled as he came through and walked up to the back of my truck where I waited for him Weve got two of them take your pick Gimme the one the says CUMBERLAND INN KENTUCKY As he peeled the back off he asked Any place particular Yeah right under the one for Niagara up and down I replied I knew that he had no idea what pattern I was trying to achieve but the way he said it I sensed that he knew there was an underlying plan to this random disorder I reached into my pocket and pulled out my wad of change from Debbie From the crumpled bills I fished out the two one dollar bills and tried to iron out the wrinkles with my hand by pulling the bills one at a time through my first two fingers After three or four swipes of each bill I handed them to Doug saying Thanks No thanks Doug said with a tone of genuine wholesomeness I just had a feeling he was a country boy But I also sensed that he was a little embarrassed to take my gratuity Hey man if you are going to make your career in the accommodation and comfort management business youd better get use to accepting tips Thats part of the fringe benefits of the profession the perks you know I said as I looked at him trying to get him to take the money from my extended hand I didnt want to make the kid feel bad but I did want him to accept this tip Thanks he said as he finally relented and accepted my money It seemed like this was a big step for him I could just imagine him being raised as a Boy Scout doing a good deed every day running to the mailbox for his grandmother helping a neighbor with farm chores or shoveling the sidewalk and driveway for some unfortunate who could not do for themselves and getting the good feeling that comes from helping others in need And here I was trying to force him to surrender that instilled kindness for a few measly bucks Im Doug Chaster If you need anything just let me know He took the bills and stuffed them into his pocket without even counting them or even looking at them OK Doug I said as I opened the truck door and sat behind the wheel Through the opened window I said Ill be here for a few days so Ill see you around As I pulled out of the loading zone I heard a faint Have a nice day coming from Doug I glanced at him and waved briefly saying Thanks Thats one expression I hate Half the time the sentiment seems false and frankly I dont know what to say in response I dont feel right saying Have a nice day because I dont know most of the people who say it to me and frankly I dont care if they have a nice day or not The people that I know dont say that to each other

Usually the best I can get out in response is a feeble You too I slowly pulled through the parking lot looking at the rooms listed on the plaques located above each buildings entryway That was easy but considering there are only two buildings it shouldnt have been that hard I pulled into a parking spot that was isolated from the other four cars parked at that end of the parking lot I glanced at my watch as I opened the truck door That little encounter with Doug may have caused me to miss the weather on TV I grabbed the straps to the two duffel bags in the king cab area of the truck Pulling and tugging on them I struggled to squeeze them through the gap between the drivers seat and the door opening They popped through and hit the blacktop with a small thud I positioned the straps so that I could pick them up sling them over my shoulder and have a free hand to pick up the zippered canvas bag I had in the bed of the truck
