**Media Bias, Perspective, and State Repression** Christian Davenport, 2010 This book examines information reported within the media regarding the interaction between the Black Panther Party and government agents in the Bay Area of California 1967 1973 Christian Davenport argues that the geographic locale and political orientation of the newspaper influences how specific details are reported including who starts and ends the conflict who the Black Panthers target government or non government actors and which part of the government responds the police or court Specifically proximate and government oriented sources provide one assessment of events whereas proximate and dissident oriented sources have another both converge on specific aspects of the conflict The methodological implications of the study are clear Davenport's findings prove that in order to understand contentious events it is crucial to understand who collects or distributes the information in order to comprehend who reportedly does what to whom as well as why The Journalist's Guide to Media Law Mark Pearson, Mark Polden, 2020-07-27 We are all journalists and publishers now at the touch of a button we can send our words sounds and images out to the world No matter whether you're a traditional journalist a blogger a public relations practitioner or a social media editor everything you publish or broadcast is subject to the law But which law This widely used practical guide to communication law is essential reading for anyone who writes or broadcasts professionally whether in journalism or strategic communication It offers a mindful approach to assessing media law risks so practitioners can navigate legal and ethical barriers to publishing in mainstream and social media This sixth edition has been substantially revised to reflect recent developments in litigation and the impact of national security laws and the rising gig economy where graduates might work in the news media PR new media start ups or as freelancers It covers defamation contempt confidentiality privacy trespass intellectual property and ethical regulation as well as the special challenges of commenting on criminal allegations and trials Recent cases and examples from social media journalism and public relations are used to illustrate key points and new developments Whether you work in a news room in public relations or marketing or blog from home make sure you have The Journalist's Guide to Media Law at your side Whether you're an MSM editor or reporter a blogger a tweeter or a personal brand this book might save your bacon Jonathan Holmes former ABC Media Watch host The leading text book from which most journos learned their law Margaret Simons associate professor in journalism Monash University New York Times Co. v. Sullivan Forty Years Later W. Wat Hopkins, 2017-10-03 The need to protect free speech on matters of governing importance more than any other element of government is the defining factor of a free society Nowhere in the law is that prospect more clearly explained than in the opinion in Times v Sullivan This special issue provides an example of the breadth and scope of Times v Sullivan and the ways in which the case continues to impact the jurisprudence of free expression It is introduced by two essays designed to provide an overview of the case providing insights into the origins of the dispute the Court was called upon to settle The next four articles are testimony to breadth the opinion in this

case particularly dealing with aspects not often considered Combined they all demonstrate the lasting significance of what may be the most important free expression case the Court has delivered     *Routledge Handbook of Public Diplomacy* Nancy Snow, Philip M. Taylor, 2008-11-01 The Routledge Handbook of Public Diplomacy provides a comprehensive overview of public diplomacy and national image and perception management from the efforts to foster pro West sentiment during the Cold War to the post 9 11 campaign to win the hearts and minds of the Muslim world Editors Nancy Snow and Philip Taylor present materials on public diplomacy trends in public opinion and cultural diplomacy as well as topical policy issues The latest research in public relations credibility soft power advertising and marketing is included and institutional processes and players are identified and analyzed While the field is dominated by American and British research and developments the book also includes international research and comparative perspectives from other countries Published in association with the USC Center on Public Diplomacy at the Annenberg School based at the University of Southern California     The Documentary Film Reader Jonathan Kahana, 2016 The Documentary Film Reader brings together an expansive range of writing by scholars critics historians and filmmakers to provide a stimulating foundational text for students and others who want to undertake study of nonfiction film     Forerunners of Revolution Walter M. Brasch, 1990 Examines the role of investigative reporting in exposing wrongs in American society and promoting change focusing on the years from 1890 to 1915     **The First Resort of Kings** Richard T. Arndt, 2011 A landmark study of the most neglected tool of U S foreign policy     The Communicator's Guide to Media Law and Ethics Mark Pearson, 2023-11-23 This book offers an introduction to the key legal and ethical topics confronting Australian journalists and strategic communicators both at home and internationally and offers a suite of reflective techniques for navigating them It starts by positioning morals ethics and the law in their historical and philosophical frameworks by tracing the evolution of free expression and professional media ethics Media law and ethics are then contextualized in their modern international human rights framework Readers are equipped with a skill set for reflecting on the law and ethics of professional media dilemmas including mindful reflection the Potter Box journaling concept mapping and discussion Such approaches are then applied to key topic areas including free expression reputation confidentiality privacy justice intellectual property national security discrimination and harassment and conflicted interests Each is examined in terms of its philosophical underpinnings relationship to human rights professional ethical context international examples legal principles key Australian laws legal cases and strategies for applying reflective practice techniques It concludes on a confident note imploring communicators to engage in constructive and mindful strategic communication with the authority and confidence that results from a working knowledge of media law and ethics This handbook is for professional communicators and students in all fields but particularly in journalism public relations corporate communication media relations and marketing     *Creating a Public* James L. Huffman, 1997-06-01 No institution did more to create a modern citizenry than the newspaper press of the Meiji period 1868 1912 Here was a collection of highly diverse

private voices that provided increasing numbers of readers many millions by the end of the period with both its fresh picture of the world and a changing sense of its own place in that world Creating a Public is the first comprehensive history of Japan's early newspaper press to appear in English in more than half a century Drawing on decades of research in newspaper articles and editorials journalists memoirs and essays it tells the story of Japan's newspaper press from its elitist beginnings just before the fall of the Tokugawa regime through its years as a shaper of a new political system in the 1880s to its emergence as a nationalistic often sensational medium early in the twentieth century
