Preventing Alcohol Abuse Alcohol Culture And Control:

Preventing Alcohol Abuse David J. Hanson, 1995-02-28 The prevailing neo prohibitionist approach to reducing alcohol problems is generally ineffective often counter productive and is doomed to failure This work is to promote an effective alternative strategy to reducing the incidence of alcohol problems The thesis is that a socio cultural approach would be effective and therefore that public policy should promote this approach This work is expected to be controversial and is hoped to form a pattern for reorientation of the current approach to alcohol abuse Professionals in drug abuse education and treatment along with public policy makers and students in appropriate courses should be interested in the work

Prevention and Societal Impact of Drug and Alcohol Abuse Robert T. Ammerman, Peggy J. Ott, Ralph E. Tarter, 1999-03 The chapters in this book provide a comprehensive overview of the pervasive effects throughout society of substance abuse as well as of prevention programs at a variety of levels The book will be of value to scholars and those working in the field

Drinking Patterns and Their Consequences Marcus Grant, Jorge Litvak, 1998 This volume traces the modern critical and performance history of this play one of Shakespeare's most loved and most performed comedies The essay focus on such modern concerns as feminism deconstruction textual theory and queer theory

Regulating Alcohol around the World Tiffany Bergin, 2016-04-08 With the World Health Organization estimating that nearly four percent of global deaths are due to alcohol alcohol misuse can be an extremely damaging social problem and one that governments around the world have endeavored to address through a range of policy strategies Regulating Alcohol around the World explores historical and contemporary case studies in multiple countries to gain a richer understanding of the political economic and other forces that influence alcohol related policymaking The case studies presented in the book investigate a range of different kinds of alcohol policies including prohibition strategies general efforts to reduce alcohol's social harms and more targeted policies The explanatory value of leading theories from political science policy studies anthropology and other fields is assessed with particular reference to the influence of cultural and historical factors on approaches to alcohol regulation The book adopts a global perspective and offers guidance for students researchers practitioners policymakers and other stakeholders about the lessons that can be learned from previous efforts to change alcohol policies As such it will be of interest to practitioners in the fields of health and alcohol abuse prevention as well as scholars and students of social policy criminology and the sociology of health addiction and social problems

Learning About Drinking Eleni Houghton, Anne M. Roche, 2013-05-13 This book is based on the premise that drinking behaviors are primarily learned The contributors to the book explore the complex array of individual and social factors that impact the development of drinking patterns They traverse family and culture influences and the role played by schools government and the beverage alcohol industry *Learning About Drinking* offers a rigorous and scholarly examination of drinking behavior brought to life with illustrative cases drawn from around the world Social policymakers historians anthropologists public

health specialists as well as mental health professionals will find this book of value Learning About Drinking offers a refreshing evidence based look at a process that has too often been taken for granted

International Handbook on Alcohol and Culture Dwight B. Heath,1995-09-30 The first authoritative guide to how the world drinks this reference details alcohol use in different countries and cultures Variation is striking with alcohol sometimes a food a sacrament a symbol a tool a tranquilizer a medicine a love potion or an object of scorn often with very different meanings and uses in a single country This volume reveals multicultural and ethnic beliefs practices and attitudes about drinking around the world An extensive introduction discusses the close link between alcohol and culture and provides a foundation for the rest of the book Each of the following chapters is written by an expert contributor and discusses alcohol and culture in a particular country Chapters discuss historical trends drinking among ethnic and religious minorities national policies and social outcomes Countries range from industrial nations known for their alcohol research to developing nations and to places famous for drinking A concluding chapter highlights important similarities and differences

features 57 new contributions from 71 leading academics from 38 countries Chapters consider vital questions by analyzing texts audience and institutions including the role of policy and parenting in regulating media for children the relationships between children s on line and off line social networks children s strategies of resistance to persuasive messages in advertising media and the construction of gender and ethnic identities The Handbook s interdisciplinary approach and comprehensive international scope make it an authoritative state of the art guide to the nascent field of Children s Media Studies It will be indispensable for media scholars and professionals policy makers educators and parents

Perspectives on Substance Use, Disorders, and Addiction Margaret Fetting, 2015-09-23 Perspectives on Substance Use Disorders and Addiction Second Edition is a philosophical and clinical text that suggests new ways to think about the relationships enjoyment and troubles with substances of pleasure The book is designed for students and clinicians who come in contact with and treat individuals and families struggling with the causes and consequences of substance use disorders and addiction The second edition of Perspectives presents a refreshing blend of ancient and contemporary ideas on the natural pleasures and potential powers of alcohol and drugs in our everyday individual and collective lives

Alcoholism Ronald Marshall, 2001 Despite the plethora of books on alcohol abuse and alcoholism Alcoholism Genetic Culpability or Social Irresponsibility is unique It departs from a generic version of alcoholism it examines the concepts rationale and research findings of all the various aspects of alcoholism and places them into two camps namely the genetic and the social Then Marshall s book deals specifically with the issue of social irresponsibility as a central feature in alcohol abuse social irresponsibility carries implications for the individual as well as governments policies This book will be useful for academics and professionals who are concerned about the widespread problem of alcoholism Health professional social workers and legislators will find this book invaluable in uncovering the nature of this phenomenon

The Spirituality of Wine Gisela H. Kreglinger , 2016 Wine serves an important role both in Scripture and in the Christian church but its significance has received relatively little theological attention in modern times This book fills that gap Viewing wine as a gift of God s created bounty and as a special symbol used pervasively throughout Scripture Kreglinger canvasses the history of wine in the church particularly its use in the Lord s Supper discusses the fascinating process of winemaking and considers both the health benefits of wine and the dangers of alcohol abuse Offering a vision of the Christian life that sees God in all things including the work of a vintner and the enjoyment of a well crafted glass of wine

The SAGE Encyclopedia of Alcohol Scott C. Martin, 2014-12-16 Alcohol consumption goes to the very roots of nearly all human societies Different countries and regions have become associated with different sorts of alcohol for instance the beer culture of Germany the wine culture of France Japan and saki Russia and vodka the Caribbean and rum or the moonshine culture of Appalachia Wine is used in religious rituals and toasts are used to seal business deals or to celebrate marriages and state dinners However our relation with alcohol is one of love hate We also regulate it and tax it we pass laws about when and where it s appropriate we crack down

severely on drunk driving and the United States and other countries tried the failed Noble Experiment of Prohibition While there are many encyclopedias on alcohol nearly all approach it as a substance of abuse taking a clinical medical perspective alcohol alcoholism and treatment The SAGE Encyclopedia of Alcohol examines the history of alcohol worldwide and goes beyond the historical lens to examine alcohol as a cultural and social phenomenon as well both for good and for ill from the earliest days of humankind

Prevention of Alcohol Abuse Peter M. Miller, Ted D. Nirenberg, 2012-12-06 The abuse of alcohol presents a major health problem throughout the world Until recently both clinical and research efforts have been geared toward treatment and rehabilitation of alcoholism With the growing number of problem drinkers entering treatment the need for a better understanding of the prevention of alcohol abuse has become increasingly evident Although still in its infancy the field of alcoholism prevention is growing at a rapid rate Increasing numbers of behavioral scientists throughout the world are conducting or planning prevention projects Policy planners school administrators military agencies community groups state and local alcoholism agencies and industries are initiating alcohol abuse prevention programs with fervor Legislators at all levels of government are also developing a keen interest in legislation aimed at reducing the extent of problem drinking This book represents one of the first systematic attempts to compile a comprehensive text on the prevention of alcohol abuse Many of the contributors to *Prevention of Alcohol Abuse* have international reputations that strengthen their understanding of the complex nature of prevention By providing a critical review of the current knowledge about prevention the text will serve to stimulate and lay the groundwork for further prevention efforts We thank all of the chapter authors for their excellent contributions It is through their efforts that the field will thrive Our appreciation also is expressed to Leonard Pace formerly of Plenum Press for his encouragement and helpful comments in the development of the text

Youth Substance Abuse David E. Newton, 2016-07-18 This text provides readers with an in-depth understanding of the essential aspects of youth substance abuse an important contemporary personal social and public health issue Humans have been using natural and synthetic chemicals for at least two millennia primarily for the purpose of treating medical problems but also for recreational purposes The 2014 Monitoring the Future survey of eighth tenth and twelfth grade students indicates a general decline in the use of illicit drugs over the last two decades On the other hand perceptions among youth that certain types of drug use like marijuana and e-cigarettes are harmless are growing *Youth Substance Abuse: A Reference Handbook* provides an overview of the history and development of youth substance abuse along with a discussion of the medical social psychological legal and economic issues associated with youth substance abuse both in the United States and other parts of the world The book begins with a comprehensive introduction to the subject of youth substance abuse that explains how modern societies have reached the point where abuse of both legal and illegal substances is a major health issue in many nations Readers will learn about the effects of substances such as cocaine marijuana and heroin as well as substances that are typically legal but have deleterious health social or psychological effects such as tobacco alcohol

prescription drugs and electronic cigarettes Subsequent chapters address how and why youth substance abuse has become a problem in the United States and other countries the demographics of this widespread problem the direct and indirect effects of youth substance abuse and addiction and the range of services and methods that are available for treating substance abuse
