Prevention Of Alcohol Abuse:

Prevention of Alcohol Abuse Peter M. Miller, Ted D. Nirenberg, 2012-12-06 The abuse of alcohol presents a major health problem throughout the world Until recently both clinical and research efforts have been geared toward treatment and rehabilitation of alcoholism With the growing number of problem drinkers entering treatment the need for a better understanding of the prevention of alcohol abuse has become increasingly evident Although still in its infancy the field of alcoholism prevention is growing at a rapid rate Increasing numbers of behavioral scientists throughout the world are conducting or planning prevention projects Policy planners school administrators military agencies community groups state and local alcoholism agencies and industries are initiating alcohol abuse prevention programs with fervor Legislators at all levels of government are also developing a keen interest in legislation aimed at reducing the extent of problem drinking This book represents one of the first systematic attempts to compile a comprehensive text on the prevention of alcohol abuse Many of the contributors to *Prevention of Alcohol Abuse* have international reputations that strengthen their understanding of the complex nature of prevention By providing a critical review of the current knowledge about prevention the text will serve to stimulate and lay the groundwork for further prevention efforts We thank all of the chapter authors for their excellent contributions It is through their efforts that the field will thrive Our appreciation also is expressed to Leonard Pace formerly of Plenum Press for his encouragement and helpful comments in the development of the text

Alcohol in America United States Department of Transportation, National Research Council, Division of Behavioral and Social Sciences and Education, Commission on Behavioral and Social Sciences and Education, Elizabeth Hanford Dole, Dean R. Gerstein, Steve Olson, 1985-02-01 Alcohol is a killer 1 of every 13 deaths in the United States is alcohol related In addition 5 percent of the population consumes 50 percent of the alcohol The authors take a close look at the problem in a classy little study as The Washington Post called this book The Library Journal states This is one book that addresses solutions And it's enjoyably readable This is an excellent review for anyone in the alcoholism prevention business and good background reading for the interested layperson The Washington Post agrees the book likely will wind up on the bookshelves of counselors politicians judges medical professionals and law enforcement officials throughout the country
