Radical Whigs And Conspiratorial Politics In Late Stuart England

Kathleen Armour

Radical Whigs And Conspiratorial Politics In Late Stuart England:

Radical Whigs and Conspiratorial Politics in Late Stuart England Melinda S. Zook, 2008-01 In this book Melinda Zook examines the political culture of England during the 1670s and 1680s She singles out an underground network of radical conspirators and propagandists who have been virtually ignored by historians These men and some women were working to ensure a Protestant succession of the monarchy In the course of their struggles with the government their ideas became ever more radical and their tactics all the more violent Their ideas reached an increasingly sympathetic and receptive audience preparing the way for the Glorious Revolution of 1688 Scholars of political history have traditionally associated the creation of liberal political thought with the elite genesis of John Locke and the triumphant bloodless glorious Revolution of 1688 **Radical Whigs and Conspiratorial Politics in Late Stuart England** brings to life the true creators and disseminators of a liberal ideology based on contract and consent Zook offers convincing biographical sketches of five popular polemicists whose ideas and actions influenced the goals of the Rye House conspirators in 1683 the Monmouth rebels in 1685 and Revolutionaries in 1688 89 She argues that liberalism was not forged in the philosopher s study in the peaceful country manor but in noisy London taverns and coffeehouses street corners and rented rooms to be defended on the scaffold and battlefield

Conspiracies and Conspiracy Theory in Early Modern Europe Barry Coward, Julian Swann, 2017-07-05 For many generations Guy Fawkes and his gunpowder plot the Man in the Iron Mask and the Devils of Loudun have offered some of the most compelling images of the early modern period Conspiracies real or imagined were an essential feature of early modern life offering a seemingly rational and convincing explanation for patterns of political and social behaviour This volume examines conspiracies and conspiracy theory from a broad historical and interdisciplinary perspective by combining the theoretical approach of the history of ideas with specific examples from the period Each contribution addresses a number of common themes such as the popularity of conspiracy theory as a mode of explanation through a series of original case studies Individual chapters examine for example why witches religious minorities and other groups were perceived in conspiratorial terms and how far if at all these attitudes were challenged or redefined by the Enlightenment Cultural influences on conspiracy theory are also discussed particularly in those chapters dealing with the relationship between literature and politics As prevailing notions of royal sovereignty equated open opposition with treason almost any political activity had to be clandestine in nature and conspiracy theory was central to interpretations of early modern politics Factions and cabals abounded in European courts as a result and their actions were frequently interpreted in conspiratorial terms By the late eighteenth century it seemed as if this had begun to change and in Britain in particular the notion of a loyal opposition had begun to take shape Yet the outbreak of the French Revolution was frequently explained in conspiratorial terms and subsequently European rulers and their subjects remained obsessed with conspiracies both real and imagined This volume helps us to understand why

Following the Levellers, Volume Two Gary S. De Krey, 2018-02-05

The Levellers sought to restructure the state in 1647-9 around popular consent and liberty for conscience especially in their Agreement of the People Following the Levellers Volume Two examines the later political efforts of Leveller spokesmen like John Lilburne John Wildman and Richard Overton and their followers Far from ending in the 1649 troop revolts the Leveller impact continued in the Interregnum climacterics of 1653 and 1659 60 times of acute political and religious unsettlement Indeed Leveller ideas resurfaced in Restoration political and religious crises in 1678-83 and again in 1687-8 and flourished in populations that once followed the Levellers Analysis of London army and county Levellers reveals connections to subsequent outbursts of unrest Sectarian communities in London's peripheral neighbourhoods and nearby counties sustained the Leveller ethos and ordinary people like those who followed the Levellers remained active in petitioning and protest about political and religious liberties through the Glorious Revolution

Restoration and Revolution in Britain Gary S. De Krey, 2017-09-16 Charles II was restored to the rule of England Scotland and Ireland in 1660 less than twelve years after the execution of his father Charles I and the ensuing republican experiment in government Popular at first the Restoration nevertheless failed to provide lasting settlement in any of the British kingdoms Restoration and Revolution in Britain examines the political history of these kingdoms from the Interregnum through Britain's eighteenth century rise to power Written especially for students approaching the Restoration for the first time this essential introduction Assesses the reasons for the failure of settlement in the reigns of Charles and of his brother James II Integrates the histories of Charles's different realms Examines the many connections between politics and Protestant religious disagreements Provides helpful historical context for understanding a range of contemporary authors such as Bunyan Locke and Milton Concludes with an examination of the Glorious Revolution of 1688-89 and explains why settlement was finally achieved through revolution rather than through restoration

The Social Circulation of the Past Daniel R. Woolf, 2003 Woolf details here the ways in which English men and women first became seriously aware of and interested in their own and the world's past Previous works have focused exclusively on the writings of a small minority of historians yet through using a variety of manuscript and printed sources this study examines the wider historical culture within which historical and antiquarian studies could emerge

Political Magic Christopher F. Loar, 2014-06-05 Political Magic examines early modern British fictions of exploration and colonialism arguing that narratives of intercultural contact reimagine ideas of sovereignty and popular power These fictions reveal aspects of political thought in this period that official discourse typically shunted aside particularly the political status of the commoner whose liberty was often proclaimed even as it was undermined both in theory and in practice Like the Hobbesian sovereign the colonist appears to the colonized as a giver of rules who remains unruly At the heart of many texts are moments of savage wonder provoked by European displays of technological prowess In particular the trope of the first gunshot articulates an origin of consent and political legitimacy in colonial showmanship Yet as manifestations of force held in abeyance these technologies also signal the ultimate reliance of sovereigns on extreme violence as the less-than mystical

foundation of their authority By examining works by Cavendish Defoe Behn Swift and Haywood in conjunction with contemporary political writing and travelogues Political Magic locates a subterranean discourse of sovereignty in the century after Hobbes finding surprising affinities between the government of savages and of Britons

Challenging Orthodoxies: The Social and Cultural Worlds of Early Modern Women Melinda S. Zook, 2016-04-15 Offering a broad and eclectic approach to the experience and activities of early modern women Challenging Orthodoxies presents new research from a group of leading voices in their respective fields Each essay confronts some received wisdom truth or orthodoxy in social and cultural scientific and intellectual and political and legal traditions to demonstrate how women from a range of social classes could challenge the conventional thinking of their time as well as the ways in which they have been traditionally portrayed by scholars Subjects include women s relationship to guns and gunpowder the law and legal discourse religion public finances and the new science in early modern Europe as well as women and indentured servitude in the New World A testament to the pioneering work of Hilda L Smith this collection makes a valuable contribution to scholarship in women s studies political science history religion and literature

The Glorious Revolution and the Continuity of Law Richard S. Kay, 2014-11-10 The Glorious Revolution and the Continuity of Law explores the relationship between law and revolution Revolt armed or not is often viewed as the overthrow of legitimate rulers Historical experience however shows that revolutions are frequently accompanied by the invocation rather than the repudiation of law No example is clearer than that of the Glorious Revolution of 1688 89 At that time the unpopular but lawful Catholic king James II lost his throne and was replaced by his Protestant son in law and daughter William of Orange and Mary with James s attempt to recapture the throne thwarted at the Battle of the Boyne in Ireland The revolutionaries had to negotiate two contradictory but intensely held convictions The first was that the essential role of law in defining and regulating the activity of the state must be maintained The second was that constitutional arrangements to limit the unilateral authority of the monarch and preserve an indispensable role for the houses of parliament in public decision making had to be established In the circumstances of 1688 89 the revolutionaries could not be faithful to the second without betraying the first Their attempts to reconcile these conflicting objectives involved the frequent employment of legal rhetoric to justify their actions In so doing they necessarily used the word law in different ways It could denote the specific rules of positive law it could simply express devotion to the large political and social values that underlay the legal system or it could do something in between In 1688 89 it meant all those things to different participants at different times This study adds a new dimension to the literature of the Glorious Revolution by describing analyzing and elaborating this central paradox the revolutionaries tried to break the rules of the constitution and at the same time be true to them

Prophecy and Eschatology in the Transatlantic World, 1550–1800 Andrew Crome, 2016-09-22 Prophecy and millennial speculation are often seen as having played a key role in early European engagements with the new world from Columbus s use of the predictions of Joachim of Fiore to the puritan Errand into the Wilderness Yet examinations

of such ideas have sometimes presumed an overly simplistic application of these beliefs in the lives of those who held to them This book explores the way in which prophecy and eschatological ideas influenced poets politicians theologians and ordinary people in the Atlantic world from the sixteenth to the late eighteenth century Chapters cover topics ranging from messianic claimants to the Portuguese crown to popular prophetic almanacs in eighteenth century New England from eschatological ideas in the poetry of George Herbert and Anne Bradstreet to the prophetic speculation surrounding the Evangelical revivals It highlights the ways in which prophecy and eschatology played a key role in the early modern Atlantic world **T&T Clark**

Handbook of John Owen ,2022-04-21 Evaluating the writings of one of the most significant religious figures in early modern England this volume summarizes Owen s life explores his various intellectual literary and political contexts and considers his roles as a preacher administrator polemicist and theologian It explores the importance of Owen reviews the state of scholarship and suggests new avenues for research The first part of the volume offers brand new assessments of Owen s intellectual formation pastoral ministry educational reform at Oxford political connections in the Cromwellian revolution support of nonconformity during the Restoration interaction with the scientific revolution and understanding of philosophy The second part of the volume considers Owen s prolific literary output A cross section of well known and frequently neglected works are reviewed and situated in their historical and theological contexts The volume concludes by evaluating ways that Owen scholarship can benefit historians theologians biblical scholars ministers and Christian readers

John Locke, Toleration and Early Enlightenment Culture John Marshall,2006-03-30 Major intellectual and cultural history of intolerance and toleration in early modern Enlightenment Europe Factionalism and Dissent in an English City Danae Tankard,2025-02-25 This book is about the political and religious controversies that beset the small English city of Chichester between 1678 and 1685 which intersected with wider political turbulence at the heart of government and in the nation at large This period of seventeenth century English history has been overshadowed by the more dramatic events of the English Civil War and the Glorious Revolution but these years were marked by repeated political crises assassination plots religious persecution and fears of a new civil war Telling this story through the lives of the inhabitants of one city offers an intimate view of how these events played out in a particular locality As much a work of social history as it is of political history this book has the lives of individual men and women at its core The story that unfolds includes a strong cast of characters and has multiple points of high drama it is the individuals and the events they were caught up in that propel the narrative forwards Factionalism and Dissent in an English City makes a significant contribution to the historiography of late Restoration England Its plot and character driven narrative structure also makes the book accessible to a non specialist reader who wants to find out what it might have been like to live through these challenging years **The Literary Underground in the 1660s** Stephen Bardle,2012-10-04 The restoration of the monarchy in 1660 has commonly been thought to represent a return to political stability and religious consensus following the tumultuous civil wars and the

Commonwealth period However by analysing underground texts from 1660 to 1670 Stephen Bardle provides a new literary historical narrative of what was in fact one of the most tumultuous periods in English history This new study contributes to an on going historical re evaluation of the Restoration period a time when terrible plague the Great Fire of London and a brutal war against the Dutch quickly undermined the popularity of the new government The Literary Underground in the 1660s tells the story of three writers who fuelled the flames of opposition by contributing illicit texts to a small yet intense public sphere via the literary underground Key texts by Andrew Marvell including The Garden are set in the context of under explored works by the poet and pamphleteer George Wither and the indomitable satirist Ralph Wallis This book draws upon extensive archival research and features neglected manuscript and print sources As an original study of the literary underground which sheds light on the vibrancy of political opposition in the 1660s this book should be of interest to students of radicalism as well as seventeenth century historians and literary scholars *Fear, Exclusion and Revolution* Jason

McElligott,2016-12-05 Between the years 1677 and 1691 the Puritan minister Roger Morrice compiled an astonishingly detailed record of public affairs in Britain Running to almost a million words his Entring Book provides a unique record of late seventeenth century political and religious history It charts the rise of British party politics and the transformation of Puritanism into Whiggery and Dissent It provides a wealth of information on social and cultural history as well as the relationships between the three Stuart kingdoms All the essays in this volume have been inspired by the key concerns of the Entring Book the palpable sense of the fear and foreboding in the 1680s the long shadow cast by the mid century civil war the profound effect on Englishmen of events on the continent and the anxieties and opportunities caused by a socially diffuse culture of news and information In so doing they give a vivid sense of what it was like to live in England in the years before the Revolution and help to explain why that Revolution took place when it did and why it took the particular form that it did These chapters provide fresh and insightful perspectives on religion politics and culture from established and emerging scholars on three continents Taken together they offer a valuable introduction to the world of Roger Morrice and will be an essential companion to the scholarly edition of the Entring Book **The Postsecular Restoration and the Making of**

Literary Conservatism Corrinne Harol,2022-12-22 Corrinne Harol reveals how secularization catalysed conservative writers to respond and thereby contribute impactfully to literary history *A Race Of Female Patriots* Brett Wilson,2012 A Race of Female Patriots is a study of tragic drama after the Glorious Revolution of 1688 that yields new insight into women s involvement in the public sphere and the political and aesthetic significance of feeling **Mediating Cultural Memory in Britain and Ireland** Leith Davis,2022-03-17 Mediating Cultural Memory is the first book to analyze the relationship between cultural memory national identity and the changing media ecology in early eighteenth century Britain Leith Davis focuses on five pivotal episodes in the histories of England Scotland and Ireland the 1688 Glorious Revolution the War of the Two Kings in Ireland 1688 91 the Scottish colonial enterprise in Darien 1695 1700 the 1715 Jacobite Rising and the 1745

Jacobite Rising She explores the initial inscription of these episodes in forms such as ballads official documents manuscript newsletters correspondence newspapers and popular histories and examines how counter memories of these events continued to circulate in later mediations Bringing together Memory Studies Book History and British Studies Mediating Cultural Memory offers a new interpretation of the early eighteenth century as a crucial stage in the development of cultural memory and illuminates the processes of remembrance and forgetting that have shaped the nation of Britain

Poetry and Allegiance in the English Civil Wars Nicholas McDowell, 2008-11-20 This book is about the things which could unite rather than divide poets during the English Civil Wars friendship patronage relations literary admiration and anti clericalism The central figure is Andrew Marvell renowned for his ambivalent allegiance in the late 1640s Little is known about Marvell's associations in this period when many of his best known lyrics were composed The London literary circle which formed in 1647 under the patronage of the wealthy royalist Thomas Stanley included Cavalier friends of Marvell such as Richard Lovelace but also John Hall a Parliamentarian propagandist inspired by reading Milton Marvell is placed in the context of Stanley's impressive circle of friends and their efforts to develop English lyric capability in the absence of traditional court patronage By recovering the cultural values that were shared by Marvell and the like minded men with whom he moved in the literary circles of post war London we are more likely to find the reasons for their decisions about political allegiance By focusing on a circle of friends and associates we can also get a sense of how they communicated with and influenced one another through their verse There are innovative readings of Milton's sonnets and Lovelace's lyric verse while new light is shed on the origins and audience not only of Marvell's early political poems including the Horatian Ode but lyrics such as To His Coy Mistress

Marriage in Seventeenth-Century English Political Thought Belinda Roberts Peters, 2004-09-08 This study traces the decline of marriage as a metaphor for political authority subjection and tyranny in Seventeenth century political thought An image that bound consent and contract with divine right absolutism and irrevocably connected royal prerogatives with subjects liberties its disappearance in the middle decades of the century coincided with the full emergence of patriarchalist and social contract theories If both these accepted the importance of fathers of families neither would suggest that political government could be comparable to marriage

Revolution by Degrees J. Rudolph, 2002-09-13 This book examines the Whig theory of resistance that emerged from the Revolution of 1688 in England and presents an important challenge to the received opinion of Whig thought as confused and as inferior to the revolutionary principles set forth by John Locke While a wealth of Whig literature is analyzed Rudolph focuses upon the work of James Tyrrell presenting the first full length study of this seminal Whig theorist and friend and colleague of John Locke This book provides a compelling argument for the importance of Whig political thought for the history of liberalism

The Top Books of the Year Radical Whigs And Conspiratorial Politics In Late Stuart England The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Radical Whigs And Conspiratorial Politics In Late Stuart England : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.

Radical Whigs And Conspiratorial Politics In Late Stuart England Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and

manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Radical Whigs And Conspiratorial Politics In Late Stuart England PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Radical Whigs And Conspiratorial Politics In Late Stuart England PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Radical Whigs And Conspiratorial Politics In Late Stuart England free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Radical Whigs And Conspiratorial Politics In Late Stuart England Books

What is a Radical Whigs And Conspiratorial Politics In Late Stuart England PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Radical Whigs And Conspiratorial Politics In Late Stuart England PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Radical Whigs And Conspiratorial Politics In Late Stuart England PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Radical Whigs And Conspiratorial Politics In Late Stuart England PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Radical Whigs And Conspiratorial Politics In Late Stuart England PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
