*Ancient Magic and Ritual Power* Paul Mirecki, Meyer, 2015-08-24 This volume contains a series of provocative essays that explore expressions of magic and ritual

power in the ancient world The essays are authored by leading scholars in the fields of Egyptology ancient Near Eastern studies the Hebrew Bible Judaica classical Greek and Roman studies early Christianity and patristics and Coptology Throughout the book the essays examine the terms employed in descriptions of ancient magic From this examination comes a clarification of magic as a polemical term of exclusion but also an understanding of the classical Egyptian and early Greek conceptions of magic as a more neutral category of inclusion This book should prove to be foundational for future scholarly studies of ancient magic and ritual power This publication has also been published in paperback please click here for details

**Magic and Magicians in the Middle Ages and the Early Modern Time** Albrecht Classen, 2017-10-23 There are no clear demarcation lines between magic astrology necromancy medicine and even sciences in the pre modern world Under the umbrella term magic the contributors to this volume examine a wide range of texts both literary and religious both medical and philosophical in which the topic is discussed from many different perspectives The fundamental concerns address issue such as how people perceived magic whether they accepted it and utilized it for their own purposes and what impact magic might have had on the mental structures of that time While some papers examine the specific appearance of magicians in literary texts others analyze the practical application of magic in medical contexts In addition this volume includes studies that deal with the rise of the witch craze in the late fifteenth century and then also investigate whether the Weberian notion of disenchantment pertaining to the modern world can be maintained Magic is oddly but significantly still around us and exerts its influence Focusing on magic in the medieval world thus helps us to shed light on human culture at large

**Magic and Masculinity** Frances Timbers, 2014-02-21 In early modern England the practice of ritual or ceremonial magic the attempted communication with angels and demons both reinforced and subverted existing concepts of gender The majority of male magicians acted from a position of control and command commensurate with their social position in a patriarchal society other men however used the notion of magic to subvert gender ideals while still aiming to attain hegemony Whilst women who claimed to perform magic were usually more submissive in their attempted dealings with the spirit world some female practitioners employed magic to undermine the patriarchal culture and further their own agenda Frances Timbers studies the practice of ritual magic in the sixteenth and seventeenth centuries focusing especially on gender and sexual perspectives Using the examples of well known individuals who set themselves up as magicians including John Dee Simon Forman and William Lilly as well as unpublished diaries and journals literature and legal records this book provides a unique analysis of early modern ceremonial magic from a gender perspective
