Ritual Politics And Power:

Ritual, Politics, and Power David I. Kertzer, 1988-01-01 Examines the history and purpose of political rituals discusses examples from Aztec cannibal rites to presidential inauguration and argues that the use of ritual determines the success of political groups *Ritual, Politics, and Power*, 1988 *The Politics of Ritual* Molly Farneth, 2023-03-14 Professional athletes taking a knee during the national anthem Student activists holding candlelight vigils to commemorate victims of sexual violence Jewish activists reciting the Mourner's Kaddish on the streets of New York City in the wake of another police shooting Why are members of these groups performing these particular actions to express their political views Noting that these are examples of ritual performance Molly Farneth argues that rituals in general are acts that mark boundaries shape habits and dispositions express commitments and attitudes inculcate norms and create sustain or transform the communities to which the ritual performers belong Because rituals have the potential to either sustain or challenge power relations within communities they are she argues deeply political Drawing on these and other examples this book is an investigation into the inescapable political significance and power of ritual While readily acknowledging that rituals can enable authoritarian regimes and facilitate relationships of domination Farneth here pays particular attention to the rituals of democratic life those that create sustain and transform properly democratic communities contest unjust power relations and political structures and encourage and cultivate habits of participation Informaci n proporcionada por el editor comercial **Ritual** Catherine Bell, 2009-12-29 From handshakes and toasts to chant and genuflection ritual pervades our social interactions and religious practices Still few of us could identify all of our daily and festal ritual behaviors much less explain them to an outsider Similarly because of the variety of activities that qualify as ritual and their many contradictory yet in many ways equally legitimate interpretations ritual seems to elude any systematic historical and comparative scrutiny In this book Catherine Bell offers a practical introduction to ritual practice and its study she surveys the most influential theories of religion and ritual the major categories of ritual activity and the key debates that have shaped our understanding of ritualism Bell refuses to nail down ritual with any one definition or understanding Instead her purpose is to reveal how definitions emerge and evolve and to help us become more familiar with the interplay of tradition exigency and self expression that goes into constructing this complex social medium The Hidden Powers of Ritual Bradd Shore, 2023-12-12 An illuminating overview of the development benefits and importance of ritual in everyday life written by a leading cognitive anthropologist The Hidden Powers of Ritual is an engaging introduction to ritual studies that presents ritual as an evolved form of human behavior of almost unimaginable significance to our species Every day across the globe people gather to share meals brew caffeinated beverages or honor their ancestors In this book Bradd Shore a respected anthropologist reaches beyond familiar big R rituals to present life's humbler overshadowed moments exploring everything from the Balinese peleton to baseball to family Zoom sessions in the age of Covid to the sobering reenactment rituals surrounding the Moore's Ford lynchings In each

ritual Shore shows how our capacity to ritualize behavior is a remarkable part of the human story Encompassing both the commonly unlabeled interaction rituals studied by sociologists and the symbolically elaborated sacred rituals of religious studies Shore organizes his conception around detailed case studies drawn from international research and personal experience weaving scholarship with a memoir of a life encompassed by ritual A probing exploration that matches breadth with accessibility *The Hidden Powers of Ritual* is a provocative contribution to ritual theory that will appeal to a wide range of readers curious about why these unique repetitive acts matter in our lives *The Politics of Reproductive Ritual* Jeffery M. Paige, Karen Ericksen Paige, 2023-04-28 A welcome addition They argue that rituals of reproduction in preindustrial societies are essentially political In these societies they say men need to control the reproductive power of women in order to establish political power where there is no law or central government ritual is used as a way of gaining control The type of ritual will vary they conclude according to the economic base of the society for those who are interested in the subject this book is indispensable Its thesis is challenging and the documentation is excellent Paige and Paige have made an essential contribution to a long debate and their theory is sure to stir new and lively controversy *Science Digest* This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1981 *Ritual, Politics, and the City in Fatimid Cairo* Paula Sanders, 1994-01-01 This book provides an understanding of the complexities of political legitimacy in Islamic dynasties by examining Fatimid political culture in Egypt reconstructed from court rituals The author approaches ritual as a dynamic process through which claims to political and religious authority in Islamic societies was articulated and in which complex negotiations of power have taken place **Funerals, Politics, and Memory in Modern France 1789-1996** Avner Ben-Amos, 2000-10-12 This is an interdisciplinary study of the state funerals that were celebrated in France between the French Revolution and the death of François Mitterrand Its aim is to explain how the funerals of such prominent figures as Voltaire Napoleon Gambetta Hugo and de Gaulle became major public events that helped to mould the national memory Combining the insights of anthropologists and sociologists with a historical analysis it argues that the dual character of the ceremony a political festival and final rite of passage turned the state funeral into a gripping event to which few French people could remain indifferent The book focuses on the republican tradition of state funerals which emerged in the French Revolution and has continued through the Fifth Republic Whether in power or in opposition the republicans used the funerals of their leaders and militants to educate the masses and mobilize public support This book the first comprehensive analysis of French state funerals is also a major contribution to the study of republican culture *Music and Politics* James Garratt, 2019 Changes our picture of how music and politics interact through a rigorous and wide ranging reappraisal of the field *The Legitimation of New Orders* Yuansheng Liang, 2007 The contributors to this

collection offer seven case studies that treat different aspects of political and ritual legitimation in China and Europe over the past two millennia With a primary focus on crisis and change the contributors analyze how rulers and states work to produce a popular political consensus that accepts their rule

Realms of Ritual Peter

Arnade,2018-10-18 While earlier historians have seen the elaborate public rituals of the Burgundian dukes as stagnant forms held over from the chivalric world of the High Middle Ages Peter Arnade argues that they were a vital theater of power through which the ducal court and the urban centers constantly renegotiated their relationship This book is the first to apply the combined insights of social political and cultural history to an important but little explored area of medieval and early modern Europe the Burgundian Netherlands Realms of Ritual traces the role of ritual in encounters between the dukes of Burgundy later the Habsburg princes and the townspeople of Ghent the most important city in the county of Flanders Arnade analyzes city state ceremonies through which Ghent s aldermen patricians guildsmen and the city s military and drama confraternities confronted local power and the growth of the Burgundian state In the first serious reappraisal of Johan Huizinga s classic work The Waning of the Middle Ages Arnade confirms Huizinga s vision of a Low Country society rich in public symbols yet reveals the city state conflict within which such ritual thrived He offers a dramatically new perspective on the Northern Renaissance as well as a historical anthropological model for the study of urban state relations

The Gait as

Political Choreography Ami Kobayashi,2024-12-30 This book explores the entangled relationship between marching and political ceremonies in schools for the consolidation of the nation state in Germany and Japan in the nineteenth and twentieth centuries Through addressing the relationship between the individual marching body gymnastics classes in schools and political ceremonies in public spaces this book aims to crystalize the ways in which the authorities choreographed the ideal gait transmitted it to students and deployed it in political ceremonies By analyzing archived sources written in German and Japanese Ami Kobayashi investigates the transnational character of the marching ceremony and the knowledge transfers behind it She explores the process of nation state building primarily in terms of cultural performance arguing that the collective upright gait was a form of political choreography orchestrated by political authorities and performed by youth

The Irish Parading Tradition T. Fraser,2000-05-15 The book examines the evolution and current significance of the

parading tradition in Ireland Since 1995 confrontations over parades have existed side by side with the Northern Ireland

peace process The most bitter of these have occurred over the Drumcree church parade at Portadown and the Relief of Derry parades Using a range of historical and anthropological perspectives the book traces the parading tradition from the seventeenth century to the present

Death Rituals and Politics in Northern Song China Mihwa Choi, 2017 This study examines how political and legal disputes regarding the performance of death rituals contributed to shape a revival of Confucianism in eleventh century Northern Song China

In the Shadow of Burgundy Gerard Nijsten, 2004-02-26 In recent years the study of medieval courts has become a flourishing field The courts of kings and popes or of the Burgundian dukes have usually attracted most attention This book offers by contrast a wide ranging study of a little known medium sized court that of Guelders in the Low Countries Guelders offers an excellent vantage point for the study of European late medieval court culture It was surrounded by the vast territories of the dukes of Burgundy and it felt the growing power of the Valois dukes yet the duchy managed to remain independent until 1473 Rich archival sources including a long and virtually unbroken series of ducal accounts reveal much about the rise of territorial or proto national awareness and about the role of the court in this process The book also conveys the striking cultural and political richness of the court poised between French and German spheres of influence

Myths and Nationhood George Schopflin, Geoffrey Hosking, 2013-09-13 Myths are central to the way we live and how we define ourselves In this pioneering book a group of specialists among them Anthony Smith Norman Davies Geoffrey Hosking and George Schopflin look at the general and theoretical nature of myth on a universal basis and examine the specific myths of various nations With nationhood and ethnicity at the centre of political attention the book is timely in illuminating the deeper underlying issues of nationalism that cause so much conflict throughout the world

Anticipating Total War Manfred F. Boemeke, Roger Chickering, Stig Förster, 1999-03-28 The essays in *Anticipating Total War* explore the discourse on war in Germany and the United States between 1871 and 1914 The concept of total war provides the analytical focus The essays reveal vigorous discussions of warfare in several forums among soldiers statesmen women s groups and educators on both sides of the Atlantic Predictions of long cataclysmic wars were not uncommon in these discussions while the involvement of German and American soldiers in colonial warfare suggested that future combat would not spare civilians Despite these anticipations of total war virtually no one realized the practical implications in planning for war in the early twentieth century

The Global Education Policy Field D. Brent Edwards Jr, 2025-10-30 This book challenges conventional approaches to global education policy GEP by exploring its often overlooked onto epistemic and religious spiritual dimensions Through eight thought provoking chapters leading scholars critically examine how fundamental questions of knowing being and worldview shape the field s theoretical foundations and practical implications The contributors delve deep into the Western modernist assumptions that underpin GEP From Vietnam s educational exchange with Mozambique to Christian normativity in higher education the chapters offer diverse perspectives on how colonial legacies religious frameworks and philosophical traditions continue to influence educational policy and

practice worldwide The book makes a vital contribution by Interrogating the Western centric nature of GEP scholarship Exploring alternative epistemological and ontological frameworks Examining the intersection of rationalized bureaucracy with ritual governance Investigating transnational academic mobility in relation to the notion of multiple selves This volume is essential reading for scholars policymakers and practitioners seeking to understand the deeper structures and assumptions that shape global education policy By bringing together perspectives from comparative education philosophy and critical theory it opens new pathways for reimagining the field beyond its current theoretical and methodological boundaries It was originally published as a special issue of Comparative Education

Ritual Politics And Power Introduction

In today's digital age, the availability of Ritual Politics And Power books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Ritual Politics And Power books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Ritual Politics And Power books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Ritual Politics And Power versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Ritual Politics And Power books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Ritual Politics And Power books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Ritual Politics And Power books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit

organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Ritual Politics And Power books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Ritual Politics And Power books and manuals for download and embark on your journey of knowledge?
