Rivals In Love:

Rival Love Christine DePetrillo, 2023-09-26 I d only just rejected my former mate mere hours ago and now a bond was forming with a new one Being an Omega werewolf bites and not in the good way It means I m smaller weaker and submissive to other wolves It means I need protection I ve had that protection from my mate Vince the Alpha of the Morelli pack for five years now and I ve been happy with him In fact we ve been trying to make pups of our own to continue the Morelli bloodline One night when I come home from work however I discover Vince isn t the wolf I thought he was With the sting of betrayal hot in my veins I break our mating bond and leave Vince Now I m an Omega on her own in the world which is a dangerous thing to be Lunai the Moon Goddess decides I deserve another shot at a fated mate though All I have to do is rescue this new mate who has been abducted then I ll have his protection This plan has several problems One see that bit about me being an Omega werewolf I can barely keep myself safe How am I supposed to save another wolf Two Alpha wolves don t take kindly to their mates breaking the bond If I think Vince is going to just let me leave him and the Morelli pack I seriously need my head examined And three this new mate Lunai wants to give me Yeah he s Archer Sinclair also known as the Morelli pack s biggest rival Is a second chance at a forever love worth all this or should I just accept my fate as a lone wolf Other Series by Christine DePetrillo The Warrior Wolves Series paranormal romance Full of memorable characters with a solid plot and plenty of passion The One Kind Deed Series contemporary romance The town the people the love story a perfect romance The Maple Leaf Series contemporary romance Fears pride love passion beautifully woven together with substance and depth The Shielded Series sci fi romance Great world building excellent emotional depth and a great ending

Rivals in Love and War Dan O'Sullivan, 2024-03-26 One day Hera Queen of the Olympian gods suggests to Aphrodite and Athena that they should each produce their own autobiography since accounts by mortals never do them justice The goddesses agree thus creating a compendium of interlinked stories detailing everything from their interactions with various dubious mortals to their heated conflicts with one another *Rivals in Love and War* offers a fresh perspective on three of the most loved Greek goddesses offering a unique insight into their thoughts and feelings when faced with the events of myths and legends many of us think we know Brimming with tragedy humour bitter antagonism and hopeful reconciliation this novel offers readers a rare glimpse into the minds of the gods

FrC 16.6 Nausikrates - Nikostratos Anna Lamari, 2023-06-12 This book is a fully fledged commentary on the fragments of the Greek comic poets Nausikrates and Nicostratus By reconstructing the text and providing metrical linguistic and detailed philological analysis it makes the work of these neglected authors accessible to all those interested in Greek drama and classical literature at large

The Secret History of Domesticity Michael McKeon, 2006-12-26 Winner Association of American Publishers Professional and Scholarly Publishing Awards in Communication and Cultural Studies Taking English culture as its representative sample The Secret History of Domesticity asks how the modern notion of the public private relation emerged in the seventeenth and eighteenth centuries Treating that relation as a crucial instance of the modern division of knowledge Michael McKeon narrates its pre history along with that of its essential component domesticity This narrative draws upon the entire spectrum of English people s experience At the most public extreme are political developments like the formation of civil society over against the state the rise of contractual thinking and the devolution of absolutism from monarch to individual subject The middle range of experience takes in the influence of Protestant and scientific thought the printed publication of the private the conceptualization of virtual publics society public opinion the market and the capitalization of production the decline of the domestic economy and the increase in the sexual division of labor The most private pole of experience involves the privatization of marriage the family and the household and the complex entanglement of femininity interiority subjectivity and sexuality McKeon accounts for how the relationship between public and private experience first became intelligible as a variable interaction of distinct modes of being not a static dichotomy but a tool to think with Richly illustrated with nearly 100 images including paintings engravings woodcuts and a representative selection of architectural floor plans for domestic interiors this volume reads graphic forms to emphasize how susceptible the public private relation was to concrete and spatial representation McKeon is similarly attentive to how literary forms evoked a tangible sense of public private relations among them figurative imagery allegorical narration parody the author character reader dialectic aesthetic distance and free indirect discourse He also finds a structural analogue for the emergence of the modern public private relation in the conjunction of what contemporaries called the secret history and the domestic novel A capacious and synthetic historical investigation The Secret History of Domesticity exemplifies how the methods of literary interpretation and historical analysis can inform and enrich one another **Medievalia et Humanistica, No. 47** Reinhold F. Gleis, Maik

Goth,2022-03-14 Since its founding in 1943 *Medievalia et Humanistica* has won worldwide recognition as the first scholarly publication in America to devote itself entirely to medieval and Renaissance studies Since 1970 a new series sponsored by the Modern Language Association of America and edited by an international board of distinguished scholars and critics has published interdisciplinary articles In yearly hardcover volumes the new series publishes significant scholarship criticism and reviews treating all facets of medieval and Renaissance culture history art literature music science law economics and philosophy Volume 47 showcases a variety of transnational and translingual perspectives analyzing the works of humanist authors from across Europe and how language can affect the interpretation of the literature It expands beyond the Eurocentric appraisal of medieval works and takes into consideration a broader response
