Rivals Of The Chalet School:

The Rivals of the Chalet School, 1929 **The Rivals of the Chalet School** Elinor Mary Brent-Dyer, 1968 **The Rivals of the Chalet School** Elinor M Brent-Dyer, 2025-06-13 A new term brings unexpected news an English rival school is opening across the lake Tensions rise as loyalties are tested and reputations challenged Can the Chalet School girls uphold their school's honor without starting a feud **The Rivals of the Chalet School** Elinor Mary Brent-Dyer, 1949 **Bind-Up Chalet School** Elinor Mary Brent-Dyer, 1995 Rivals of the Chalet School Elinor M. Brent-Dyer, 1995 **The Rivals of the Chalet School**, 1977 The Rivals of the Chalet School, Etc Elinor Mary Brent-Dyer, 1929 **The Chalet School Books and the Twentieth Century** Miles Booy, 2025-06-17 The first full length study of this beloved children's series The Chalet School in the Twentieth Century moves beyond the largely generic analysis within which it has previously been discussed Published between 1925 and 1970 the series moves from European reconciliation after the Great War through a second global conflict to a post war world increasingly defined by increased secularity and emerging consumerism Reproducing cover illustrations Miles Booy's book examines both those issues which author Elinor M Brent Dyer consciously explored such as the exceptional The Chalet School in Exile which she sought to explain the Nazi occupation of Austria to her young readers and those aspects of the text which must be read symptomatically This is a book which will engage students with historical and cultural interests beyond children's literature With barely a midnight feast in sight but much anxiety about social change it's a familiar genre but not as you think you know it Hurry up new girls class is about to begin **The Publishers' Circular and Booksellers' Record**, 1929 From Morality to Mayhem Julian Lovelock, 2018-10-25 The stories we read as children are the ones that stay with us the longest and from the nineteenth century until the 1950s stories about schools held a particular fascination Many will remember the goings on at such earnest establishments as Tom Brown's Rugby St Dominic's Greyfriars the Chalet School Malory Towers and Linbury Court In the second part of the twentieth century with more liberal social attitudes and the advent of secondary education for all these moral tales lost their appeal and the school story very nearly died out More recently however a new generation of compromised schoolboy and schoolgirl heroes Pennington Tyke Tiler Harry Potter and Millie Roads have given it a new and challenging relevance Focusing mainly on novels written for young people From Morality to Mayhem charts the fall and rise of the school story from the grim accounts of Victorian times to the magic and mayhem of our own age In doing so it considers how fictional schools not only reflect but sometimes influence real life This captivating study will appeal to those interested in children's literature and education both students and the general reader taking us on a not altogether comfortable trip down memory lane **British and American School Stories, 1910-1960** Nancy G. Rosoff, Stephanie Spencer, 2019-02-25 This book examines school and college fiction for girls in Britain and the United States written in the first half of the twentieth century to explore the formation and ideologies of feminine identity Nancy G Rosoff and Stephanie Spencer develop a transnational framework that

recognises how both constructed and essential femininities transcend national boundaries The book discusses the significance and performance of female friendship across time and place which is central to the development of the genre and how it functioned as an important means of informal education Stories by Jessie Graham Flower Pauline Lester Alice Ross Colver Elinor Brent Dyer and Dorita Fairlie Bruce are set within their historical context and then used to explore aspects of sociability authority responsibility domesticity and possibility The distinctiveness of this book stems from the historical analysis of these sources which have so far primarily been treated by literary scholars within their national context Winner of the History of Education Society Anne Bloomfield Prize for the best book on history of education published in English 2017 19 *The Gilded Chalet* Padraig Rooney, 2016-09-27 Part detective work part treasure chest full of history and scandal The Gilded Chalet takes you on a grand tour of two centuries of great writing by both Swiss and foreign authors and shows how Switzerland has always been at the center of literary Europe Two centuries after the Romantics went there to invent Gothic horror the lure of Switzerland hasn't left us Writers from the Fitzgeralds to Fleming Highsmith to Hemingway Conan Doyle to Le Carré came to escape world wars political persecution tuberculosis They came for sanctuary from oppression or the tax man for fresh air and nude sunbathing for scenery resembling as Rooney puts it Mother Nature on steroids Patricia Highsmith spent her last years in a granite home in Ticino with a fridge containing little but peanut butter and vodka Hermann Hesse had himself buried to the neck as a cure for alcoholism Nabokov chased butterflies and played tennis on the hotel courts When it comes to literature it seems all roads lead to Switzerland Padraig Rooney peers through the chalet windows and discovers how Switzerland has influenced some of the greatest authors and characters of literature

Chambers's Journal ,1929 *The Journal of Education* ,1929 **The Library World** ,1929 Library Review Robert Duncan Macleod,1929 **Chambers's Journal of Popular Literature, Science and Arts** ,1933 **Sequels** Thomas Aldred,1955 *The Bookseller* ,1957
