River Jordan Being An Illustrated Account:

The River Jordan Nelson Glueck, 1968 **Light from the Ancient Past, Vol. 2** Jack Finegan, 2017-03-14 A photograph map or diagram illustrates the text for every site described in this pilgrimage to Palestine beginning with places connected with John the Baptist and proceeding to Bethlehem and Nazareth Samaria and Galilee Jerash Caesarea Jericho the Mount of Olives Jerusalem and Emmaus Each entry concludes with a brief bibliography of pertinent literature Professor Finegan's knowledge of Christian theology and history plus his command of the archeology and topography of the Holy Land make his book an authoritative guide a book for study and reference and a volume for devotional reading Originally published in 1969 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Anna Hubbard** Mia Cunningham, 2021-12-14 Anna Eikenhout 1902 1986 was an honors graduate of Ohio State University a fine arts librarian a skilled pianist and an avid reader in three languages Harlan Hubbard 1900 1988 a little known painter and would be shantyboater seemed an unlikely husband but together they lived a life out of the pages of Thoreau's Walden Much of what is known about the Hubbards comes from Harlan's books and journals Concerning the seasons and the landscape his writing was rapturous yet he was emotionally reticent when discussing human affairs in general or Anna in particular Yet it was through her efforts that their life on the river was truly civilized Visitors to Payne Hollow recall Anna as a generous gracious hostess whose intelligence and artistry made the small house seem grander than a mansion **Bookseller's catalogues** Thornton J. and son, 1883 **JPS: The Americanization of Jewish Culture, 1888-1988** Jonathan D. Sarna, 2021-09 Published to mark the 100th anniversary of The Jewish Publication Society Jonathan Sarna's engaging blend of anecdote and analysis presents the personalities and the controversies the struggles and the achievements behind a century of publishing by the oldest English language publisher of Jewish books in the world Includes black and white photographs and extensive listings of JPS officers and editors governing boards and authors translators and illustrators up to 1988 American Biblical Archaeology and Zionism Brooke Knorr, 2022-12-30 This book examines the relationship between several of the most prominent American biblical archaeologists and Zionism While these scholars have been studied and historicized to some extent little work has been done to understand their role in the history of the Palestinian Israeli conflict Two defining differences in the archaeologists' arguments were their understanding of culture and their views on objectivity versus relativism Brooke Sherrard Knorr argues that relativist archaeologists envisioned the ancient world as replete with cultural change and opposed the establishment of a Jewish state while those who believed in scholarly objectivity both envisioned the ancient world's ethnic

boundaries as rigid and favored Zionism Combining readings of the archaeologists writings with archival research this book studies the views of William Foxwell Albright Millar Burrows Nelson Glueck George Ernest Wright Paul Lapp and William G Dever regarding the establishment of an ethno national state in Palestine in detail The volume culminates with an epilogue commenting on the relevance of this topic in the present regarding the political ramifications of archaeology in the Israeli Palestinian conflict American Biblical Archaeology and Zionism is of interest to students and scholars of Biblical and Near Eastern archaeology American religious history and the Israeli Palestinian conflict particularly its role in regional archaeology

Ancient Israel Harry M. Orlinsky,1960 This revised edition published in 1960 brings up to date a book first published in 1954 a concisely organized simply written account of the society that produced the Bible As the author traces the fluctuating fortunes of the Hebrews and Israelites between about 2000 and 300 B C E the reader can see how Jewish religious concepts developed in the context of actual historical situations
