River Of Darkness:

River of Darkness Buddy Levy, 2011-02-22 From the acclaimed author of *Conquistador* comes this thrilling account of one of history's greatest adventures of discovery With cinematic immediacy and meticulous attention to historical detail here is the true story of a legendary sixteenth century explorer and his death defying navigation of the Amazon river of darkness pathway to gold In 1541 the brutal conquistador Gonzalo Pizarro and his well born lieutenant Francisco Orellana set off from Quito in search of La Canela South America's rumored Land of Cinnamon and the fabled El Dorado the golden man Driving an enormous retinue of mercenaries enslaved natives horses hunting dogs and other animals across the Andes they watched their proud expedition begin to disintegrate even before they descended into the nightmarish jungle following the course of a powerful river Soon hopelessly lost in the swampy labyrinth their numbers diminishing daily through disease starvation and Indian attacks Pizarro and Orellana made a fateful decision to separate While Pizarro eventually returned home barefoot and in rags Orellana and fifty seven men in a few fragile craft continued downriver into the unknown reaches of the mighty Amazon serenaded by native war drums and the eerie cries of exotic predators Theirs would be the greater glory Interweaving eyewitness accounts of the quest with newly uncovered details Buddy Levy reconstructs the seminal journey that has electrified adventurers ever since as Orellana became the first European to navigate and explore the entire length of the world's largest river Levy gives a long overdue account of the native populations some peaceful and welcoming offering sustenance and life saving guidance others ferociously hostile subjecting the invaders to gauntlets of unrelenting attack and intimations of terrifying rituals And here is the Amazon itself a powerful presence whose every twist and turn held the promise of new wonders both natural and man made as well as the ever present risk of death a river that would hold Orellana in its irresistible embrace to the end of his life Overflowing with violence and beauty nobility and tragedy *River of Darkness* is both riveting history and a breathtaking adventure that will sweep readers along on an epic voyage unlike any other

serenaded by native war drums and the eerie cries of exotic predators Theirs would be the greater glory Interweaving eyewitness accounts of the quest with newly uncovered details Buddy Levy reconstructs the seminal journey that has electrified adventurers ever since as Orellana became the first European to navigate and explore the entire length of the world s largest river Levy gives a long overdue account of the native populations some peaceful and welcoming offering sustenance and life saving guidance others ferociously hostile subjecting the invaders to gauntlets of unrelenting attack and intimations of terrifying rituals And here is the Amazon itself a powerful presence whose every twist and turn held the promise of new wonders both natural and man made as well as the ever present risk of death a river that would hold Orellana in its irresistible embrace to the end of his life Overflowing with violence and beauty nobility and tragedy River of Darkness is both a riveting history and a breathtaking adventure that will sweep readers along on an epic voyage unlike any other

First published in 1969 This title concerns itself with the ambivalence of Lawrence's attitude towards corruption Clarke demonstrates that Lawrence's attitude to will and to sensational or disintegrative sex is much more equivocal than conceded At the same time this is a study of Lawrence's debt as a novelist to the English Romantic poets A tradition of metaphor is traced from the second half of the eighteenth century through the poetry of the major Romantics to the Decadents and so to Lawrence whose attitudes to mechanism and corruption are shown to be articulated above all through ambivalent images of dissolution and disintegration This title will be of interest to students of literature

Chapter 1 The Green Mist Falls

In the middle of a busy city where everyone could hear laughter kids playing and markets going crazy something amazing and unexpected happened one day An unusual event happened in this city which is known for its bright colors and happy people It turned an ordinary day into an amazing journey Early in the morning a thick green mist started to roll down the hills and into the streets It covered up homes trees and parks and as the sun came up it turned the sky pink and orange Everyone knew the mysterious defender as the city s defender From a high tower he or she watched the green mist come into the city This Guardian who had lived a long time and seen a lot watched in fear as the mist shook the city beyond repair The streets which had been lively and busy before were filled with chaos and confusion Animals started to act in strange ways people changed into things they didn t recognize and plants grew very quickly and twisted into strange shapes The city has never had such a thick green fog It seemed to have a life of its own and ate everything in its way as it went around corners and through closed doors The Guardian could tell that this mist was not like other mists It was special and had an energy that changed everything it touched The once clear sky had turned into a green blanket that gave the city below a strange glow As the fog came down the sounds of the city changed Laughter turned into horrified gasps and talks into shocked and amazed shouts The people of the city who are known for being positive and strong found out they were facing a problem that had never been seen before Buildings that used to be there looked like they were from a dream like the mist had some strange effect on them The Guardian felt a strong duty to protect the city and its people so he knew that something had to be done They promised to keep this area safe and they couldn t let the green mist decide what would happen to it The Guardian was determined to find out where the mist came from and how to undo what it did even though it was risky and unclear This was the start of an amazing journey that would try their bravery change the way they saw the world and show them how strong bravery and unity really are The city came together in ways that no one expected because

of this unscheduled event The green mist finally brought about change even though it caused chaos and fear at first The people of the city were reminded that they could always count on each other and be brave in tough situations The Guardian stood watch over the city with a renewed sense of purpose They were ready to go on a journey that would take them into unknown territory in the hopes of bringing the city back to its former glory There were riddles to solve new friends to make and lessons to be learned about how to balance life in the city and in the wild in the next adventure Chapter 2 The Guardian's Oath There was a green mist over the city that affected everything and everyone it touched so the Guardian knew something had to be done This Guardian a brave and mysterious figure who had always watched over the city and its people was now up against a very tough task Under the clear sky the Guardian swore to find a cure and bring the city back to its former glory when the streets were full of people going about their daily lives and laughing and happiness filled the air That night a small visitor showed up out of the blue and asked for help The Guardian didn't know where to start with this huge job The bat wasn't like most bats though Like the people who lived in the city this little creature changed after getting caught in the green mist The mysterious mist had changed this bat's fur which was now a beautiful shade of green instead of its normal dark silky color This bat wasn't scared even though it was small and usually only coming out at night It walked toward the Guardian eyes full of determination and a quiet prayer for help When the Guardian saw how strong this little bat was they knew they weren't alone on their trip There was a friend or partner ready to deal with the issues even though it was foggy At this very moment the Guardian and the bat joined forces to make a strange pair They were the best pair possible one was strong and determined and the other was a small but brave bird They stood for the bravery and strength of the city as a whole ready to face any difficulties that might come up This new alliance gave people hope The bat with its unique skills and point of view and the Guardian with its strength and knowledge set out to figure out what was going on in the green mist People would go to places that no one had been before They would go through magical forests over mythical mountains and into deep caves They were ready to take on any task figure out any puzzle and get past any problem that stood in their way
