River Returns Poems:

River Returns Craig Denton, 1993-01-01 *The Return of the Swallow and other Poems* Goodwyn Barmby, 2022-04-06
Reprint of the original first published in 1864 , **Texas in Poetry 2** Billy Bob Hill, 2002 And of course one poem about Texas that is magnificent in its awfulness Lasca with memorable lines like Scratches don t count In Texas down by the Rio Grande *R.K. SINGH'S POETRY: INTERVIEWS & VIEWS* RAM KRISHNA SINGH, 2013-06-13 The volume is a compilation of four interviews the poet gave to researchers and poets eight critical articles evaluating his poetry and one essay the poet wrote to reflect on his creativity *Wild Geese Returning* Michele Metail, 2017-03-28 A breathtaking introduction to Chinese multidirectional poems told through the story of Su Hui the greatest writer of these poems who embroidered a silk with 840 characters equaling as many as 12 000 multidirectional poems for her distant husband For nearly two thousand years the condensed language of classical Chinese has offered the possibility of writing poems that may be read both forward and backward producing entirely different creations The genre was known as the flight of wild geese and the poems were often symbolically or literally sent to a distant lover in the hope that he or she like the migrating birds would return Its greatest practitioner and the focus of this critical anthology is Su Hui a woman who in the fourth century embroidered a silk for her distant husband consisting of a grid of 840 characters No one has ever fully explored all of its possibilities but it is estimated that the poem and the poems within the poem may be read as many as twelve thousand ways Su Hui herself said As it lingers aimlessly twisting and turning it takes on a pattern of its own No one but my beloved can be sure of comprehending it With examples ranging from the third to the nineteenth centuries Mich le M tail brings the scholarship of a Sinologist and the playfulness of an avant gardist to this unique collection of perhaps the most ancient of experimental poems *When Our Fathers Return to Us as Birds* Peter Markus, 2021-09-01 A luminous and heartfelt collection of mourning poetry Over the course of two decades and six books Peter Markus has been making fiction out of a lexicon shaped by the words brother and fish and mud In an essay on Markus s work Brian Evenson writes If it s not clear by now Markus s use of English is quite unique It is instead a sort of ritual speech an almost religious invocation in which words themselves through repetition acquire a magic or power that revives the simpler blunter world of childhood Now in his debut book of poems *When Our Fathers Return to Us as Birds* Markus tunes his eye and ear toward a new world a world where father is the new brother a world where the father s slow dying and eventual death leads Markus the son to take a walk outside to meet my shadow in the deepening shade In this collection a son is simultaneously caring for his father losing his father and finding his dead father in the trees and the water and the sky He finds solace in the birds and in the river that runs between his house and his parents house with its view of the shut down steel mill on the river s other side now in the process of being torn down The book is steadily punctuated by this recurring sentence that the son wakes up to each day My father is dying in a house across the river The rhythmic and recursive nature to these poems places the reader right alongside the son as he navigates his

journey of mourning These are poems written in conversation with the poems of Jack Gilbert Linda Gregg Jim Harrison Jane Kenyon Raymond Carver Theodore Roethke too poets whose poems at times taught Markus how to speak In a dark time we often hear it said there are no words But the truth is there are always words Sometimes our words are all we have to hold onto to help us see through the darkened woods and muddy waters times when the ear begins to listen the eye begins to see and the mouth the body and the heart in chorus begin to speak Fans of Markus s work and all of those who are caring for dying parents or grieving their loss will find comfort kinship and appreciation in this honest and beautiful collection The Poetry of James Wright Andrew Elkins,1991 In The Poetry of James Wright the author traces Wright s formal evolution and concentrates on his consistent themes the artist s role in society the artist s search for poetic and personal identities the power of poetry as fortification against the onslaughts of time and the definition of a good and humane action Charting the poet s evolution from his first book The Green Wall to the last collections This Journey Elkins discusses one major book in each chapter explicating the more important poems in detail and explaining how each volume is part of a progression from youthful imitator to mature innovator Wright s individual struggle taking place as it did in the last half of the 20th century in America dramatizes the central problems of the creative individual in a late industrial society who is trying to turn a life into art Wright worked in the great tradition of the adamant individualists in our literary heritage and like all of his formidable ancestors he refused to trust the socialized self he found attached to his soul refused to be diminished or circumscribed by any society s definition of himself The effect of reading and studying his complete work is the recognition that Wright is a major 20th century American poet whose apparent simplicity and occasional sentimentality can obscure the complexity and maturity of his courageous confrontation with the problems of living and writhing in contemporary America Hart Crane's Poetry John T. Irwin,2011-11-17 In one of his letters Hart Crane wrote Appollinaire lived in Paris I live in Cleveland Ohio comparing misspelling and all the great French poet s cosmopolitan roots to his own more modest ones in the midwestern United States Rebelling against the notion that his work should relate to some European school of thought Crane defiantly asserted his freedom to be himself a true American writer John T Irwin long a passionate and brilliant critic of Crane gives readers the first major interpretation of the poet s work in decades Irwin aims to show that Hart Crane s epic The Bridge is the best twentieth century long poem in English Irwin convincingly argues that compared to other long poems of the century The Bridge is the richest and most wide ranging in its mythic and historical resonances the most inventive in its combination of literary and visual structures the most subtle and compelling in its psychological underpinnings Irwin brings a wealth of new and varied scholarship to bear on his critical reading of the work from art history to biography to classical literature to philosophy revealing The Bridge to be the near perfect synthesis of American myth and history that Crane intended Irwin contends that the most successful entryway to Crane s notoriously difficult shorter poems is through a close reading of The Bridge Having admirably accomplished this Irwin analyzes Crane s poems in White Buildings and his last poem The Broken

Tower through the larger context of his epic showing how Crane in the best of these worked out the structures and images that were fully developed in *The Bridge* Thoughtful deliberate and extraordinarily learned this is the most complete and careful reading of Crane's poetry available Hart Crane may have lived in Cleveland Ohio but as Irwin masterfully shows his poems stand among the greatest written in the English language *The Maximus Poems* Charles Olson, 1983 *The Maximus Poems* is one of the high achievements of twentieth century American letters and an essential poem in the postmodern canon It stands out in Hayden Carruth's words as a huge and truly angelic effort matching the dimensions of its hero's name and returning poetry to its Homeric and Hesiodic scope This complete edition of *The Maximus Poems* brings together the three volumes of Charles Olson's long poem originally published in 1960 1968 and 1975 and long out of print in an authoritative version edited according to the highest standards of textual criticism Errors in the previous editions have been corrected twenty nine new poems added and the sequence of the final poems modified in the light of the editor's research among the poet's papers University of California Press **A Descriptive Poem Addressed to Two Ladies at Their Return from Viewing the Mines Near Whitehaven** John Dalton, 1755 Tu Fu: Remembered Jean Elizabeth, Poet Laureate Ward, 2008-08-11 Du Fu Remembered is illustrated with both Chinese and English translations and poetry inspired by and given homage to by American Poet Laureate Jean Elizabeth Ward who has not attempted to be perfectly concise or figure out what Du Fu is saying She writes whatever comes into her mind when she read Du Fu's poetry For the reader who is searching for something different you will find it a joy to delight your soul no matter your nationality alphabetized for an easy read Not a Translation Manual Man'yōshū (Book 19), 2019-03-27 Book nineteen of the Man'yōshū Anthology of Myriad Leaves continues Alexander Vovin's new English translation of this 20 volume work originally compiled between c 759 and 785 AD It is the earliest Japanese poetic anthology in existence and thus the most important compendium of Japanese culture of the Asuka and Nara periods Book nineteen is the eighth volume of the Man'yōshū to be published to date following books fifteen 2009 five 2011 fourteen 2012 twenty 2013 seventeen 2016 eighteen 2016 and one 2017 Each volume of the Vovin translation contains the original text kana transliteration romanization glossing and commentary **The Poetry Contest in Six Hundred Rounds (2 vols)** Thomas E. McAuley, 2019-12-02 For the monumental Poetry Competition in Six Hundred Rounds Roppyakuban uta awase twelve poets each provided one hundred waka poems fifty on seasonal topics and fifty on love which were matched critiqued by the participants and judged by Fujiwara no Shunzei the premiere poet of his age Its critical importance is heightened by the addition of a lengthy Appeal chinj against Shunzei's judgements by the conservative poet and monk Kensh It is one of the key texts for understanding poetic and critical practice in late twelfth century Japan and of the conflict between conservative and innovative poets The Competition and Appeal are presented here for the first time in complete English translation with accompanying commentary and explanatory notes by Thomas McAuley *Comprehension Ninja for Ages 7-8: Fiction & Poetry* Andrew Jennings, Adam Bushnell, 2021-11-11 An absolute must have for any Year 3
