Myra Rowe, 1987-12-01 'Take a Giant Step' Richard Seff, 2013-05-23 RICHARD SEFF remembers the excitement of his early days in the radio industry when 85 million radios were blaring away in American homes while a mere 1.3 million TV sets were moving in Everyone in the nation turned those AM dials seeking financial advice weather reports news of the world news of the city mood music heavy and light drama they could even have the comic strips read to them by the Mayor of New York Many actors did their best acting only from the neck up and some became well paid stars who never needed to sign an autograph because no one had a clue what they looked like Richard Seff was there he was one of them as Bruce Bigby a young millionaire on the daytime serial *The Brighter Day* in which his nine month marriage to Althea Dennis ended abruptly when a slight cough developed into an unnamed terminal disease All this and more is told in a comical voice that pokes fun at the absurdities and the power plays Though everything in the book could have happened a clerk in a hardware store may in fact have been an office boy in an under garment showroom a pretentious understudy may actually have been a woman who had changed her family name to one of her own creation a raffle ticket may have won its winner a toaster instead of a kayak Come join Alice and Harold in the Wonderland of Radio **The Role of Thunder in Finnegans Wake** Eric

McLuhan, 1997-01-01 The study establishes the nature and aims of *Finnegans Wake* as Menippean satire and interprets the Wake in that light McLuhan examines Joyce's use of language and in particular his use of ten hundred lettered words thunderclaps **TLA Video & DVD Guide 2004** David Bleiler, 2014-04-08 The TLA Film Video and DVD Guide 2004 is the absolutely indispensable guide to worthwhile cinema It includes over 10 000 entries on the best of film and video that a real film lover might actually want to see Unlike some of the other mass market guides that tend to be clogged with unenlightening entries on even more unenlightening films TLA focuses on independent foreign as well as the best of Hollywood to bring the cineaste an opinionated guide that is both fun to read and easy to use The guide includes Reviews of more than 10 000 entries Four detailed indexes by star director country of origin and theme More than 300 photos throughout A listing of all the major film awards of the past quarter century as well as TLA Bests and recommended films A

Somerville,2020-05-27 This is an invitation to readers to ponder universal questions about human relations with rivers and water for the precarious times of the Anthropocene The book asks how humans can learn through sensory embodied encounters with local waterways that shape the architecture of cities and make global connections with environments everywhere The book considers human becomings with urban waterways to address some of the major conceptual challenges of the Anthropocene through stories of trauma and healing environmental activism and encounters with the living beings that inhabit waterways Its unique contribution is to bring together Australian Aboriginal knowledges with contemporary western new materialist posthuman and Deleuzian philosophies foregrounding how visual creative and artistic forms can assist us in thinking beyond the constraints of western thought to enable other modes of being and knowing the world for an unpredictable future *Riverlands of the Anthropocene* will be of particular interest to those studying the Anthropocene through the lenses of environmental humanities environmental education philosophy ecofeminism and cultural studies

Paris and Half-Europe in '78 Henry Morford,1879 **Becoming Lincoln** William W. Freehling,2018-09-25 Shortlisted for the 2018 Lincoln Prize Previous biographies of Abraham Lincoln universally acknowledged as one of America's greatest presidents have typically focused on his experiences in the White House In *Becoming Lincoln* renowned historian William Freehling instead emphasizes the prewar years revealing how Lincoln came to be the extraordinary leader who would guide the nation through its most bitter chapter Freehling's engaging narrative focuses anew on Lincoln's journey The epic highlights Lincoln's difficult family life first with his father and later with his wife We learn about the staggering number of setbacks and recoveries Lincoln experienced We witness Lincoln's famous embodiment of the self-made man although he sought and received critical help from others The book traces Lincoln from his tough childhood through incarnations as a bankrupt with few prospects a superb lawyer a canny two party politician a great orator a failed state legislator and a losing senatorial candidate to a winning presidential contender and a besieged six weeks as a pre war president As Lincoln's individual life unfolds so does the American nineteenth century Few great Americans have endured such pain but been rewarded with such success Few lives have seen so much color and drama Few mirror so uncannily the great themes of their own society No one so well illustrates the emergence of our national economy and the causes of the Civil War The book concludes with a substantial epilogue in which Freehling turns to Lincoln's wartime presidency to assess how the preceding fifty one years of experience shaped the Great Emancipator's final four years Extensively illustrated nuanced but swiftly paced and full of examples that vividly bring Lincoln to life for the modern reader this new biography shows how an ordinary young man from the Midwest prepared to become against almost absurd odds our most tested and successful president
