## **River Parade:**

**San Antonio River Channel Improvement** ,1972      **Comprehensive Calendar of Bicentennial Events : West of the Mississippi River** American Revolution Bicentennial Administration,1976      **River Parade** Alexandra Day,1990 When a young boy goes for a boat ride on the river and accidentally falls in he finds that swimming is not as frightening as he expected      **The Los Angeles River** Blake Gumprecht,2001-04-30 Winner of the J B Jackson Prize from the Association of American Geographers Three centuries ago the Los Angeles River meandered through marshes and forests of willow and sycamore Trout spawned in its waters and grizzly bears roamed its shores The bountiful environment the river helped create supported one of the largest concentrations of Indians in North America Today the river is made almost entirely of concrete Chain link fence and barbed wire line its course Shopping carts and trash litter its channel Little water flows in the river most of the year and nearly all that does is treated sewage and oily street runoff On much of its course the river looks more like a deserted freeway than a river The river's contemporary image belies its former character and its importance to the development of Southern California Los Angeles would not exist were it not for the river and the river was crucial to its growth Recognizing its past and future potential a potent movement has developed to revitalize its course The Los Angeles River offers the first comprehensive account of a river that helped give birth to one of the world's great cities significantly shaped its history and promises to play a key role in its future      **The Monongahela: River of Dreams, River of Sweat** ,
