Riverview Murders:

The Riverview Murders Michael Raleigh, 2015-02-15 The mystery fiction that Sara Paretsky fashions from Chicago's South Side is fully matched in Raleigh's gritty North Side tales. Publishers Weekly Margaret O'Mara's brother disappeared decades ago. But now that his last known associate has just been found dead, O'Mara hires PI Paul Whelan to investigate. Whelan makes the rounds through seedy bars and dilapidated apartment buildings, discovering connections to a long-gone Chicago amusement park that was once the site of another murder. Soon Whelan is navigating his way through dark pasts, deep secrets, and a mystery that may cost him his life. What makes this riveting private eye yarn work is a mixture of superior Chicago atmosphere with the ghost of the legendary Riverview amusement park lurking in the shadows, great dialogue, and compassionately drawn characters. A Body in Belmont Harbor Michael Raleigh, 2015-02-15 Death on the Chicago waterfront pulls a PI into a twisting case. An underappreciated, carefully crafted series. Booklist Two years ago a computer software specialist was found dead in Belmont Harbor, an apparent suicide. Now the body of a low-rent bookie has been found very close to the same spot, and the businessman's wealthy widow hires Paul Whelan to find out whether her husband really killed himself at all. There are in fact connections between the two men, and as Whelan tries to sort them out with some unofficial help from a friend on the force, he's drawn into a world of missing accountants, mysterious tough guys, and dirty deals. Sleek plotting. Raleigh, who delivered the goods in his debut novel *Death in Uptown*, shows no signs of faltering. Publishers Weekly

Killer on Argyle Street Michael Raleigh, 2015-02-15 A Chicago PI hunts for a missing kid who fell in with the wrong crowd. Raleigh presents a genuine good guy in the luckless Whelan. Publishers Weekly An elderly woman has asked private investigator Paul Whelan to look into the disappearance of Tony Blanchard, a young man she'd taken in after his parents died. Instead, Whelan discovers a string of murders all tied to a car theft ring. All the evidence suggests that Tony is dead as well, but Whelan keeps digging until he finds himself surrounded by a dangerous maze of silent witnesses, crooked cops, and people willing to kill to keep the truth from surfacing. When a friend from Whelan's past emerges, a friend Whelan thought long dead, his investigation takes a dangerous turn, one that brings him no closer to Tony and a lot closer to his own demise. Raleigh's Paul Whelan series brings to mind the late Ross MacDonald's Lew Archer novels. Read Whelan now; he won't be a secret much longer. Booklist

Death in Uptown Michael Raleigh, 2015-03-15 A killer terrorizes a diverse Chicago neighborhood in this impressive first mystery. Publishers Weekly Private investigator Paul Whelan's specialty is tracking down missing persons. But when his good friend is found slain in an alley, Whelan is steered down a path of violence as he searches for answers in a murder case. His investigation is interrupted by the arrival of an attractive young woman who is on her own search for her missing kid brother. But as clues lead Whelan to believe the two cases may be connected, the body count rises quickly, and he finds himself racing to catch a killer before he strikes again. Raleigh seems to have gotten so deeply inside his hero and his seamy world that

there may be nothing left for a sequel But it would be great to be wrong about that Kirkus Reviews **Peerless Detective** Michael Raleigh,2015-08-04 In 1970s Chicago a young man searches for the woman he lost and finds a mystery Clever and surprising a pleasure of a read Michael Allen Dymmo award winning author of the Caleb Thinnos novels Home from military service Billy Fox leaves Michigan and gets on a Greyhound to Chicago hoping to find his ex girlfriend Rita now another man's wife Chicago isn't a town that takes kindly to strangers and Billy finds himself barely scraping by working odd jobs and living in squalor among ex cons and men that the city hasn't spit out just yet Then a chance encounter lands him a job with Harry Strummer the streetwise owner of the Peerless Detective Agency At Harry's oddball agency Billy hones his skills learning how to stake out a mark find a bug and spot a tail His life begins to change in ways he didn't expect but as he continues to search for Rita an even bigger mystery comes along one that puts both men in the crosshairs Innocent Blood Carl A.
