Critical Intersections M.D. Litonjua,2006-06-19 Life is all about intersections Living is where sorrow meets joy where
pain encounters ecstasy where the weakness of the flesh is buoyed by the strength of faith where love conquers all doubts
and betrayals Marriage is for better and worse for richer and poorer in sickness and health it is for life and death Spirituality
is the arduous integration of lifes dispositions and tendencies of ones urges and habits for the whole to reach out in
transcendence to ones fellow human beings and to God Growth to Christian maturity is actualizing the intersecting because
cruciform demands of love of God and love of neighbor which follows the path that leads from Good Friday to Easter Sunday
Academic life is also becoming one of intersections After the increasing structural differentiation and functional
specialization characteristic of modernity academic disciplines are critically intersecting and cross fertilizing with each other
for integration enrichment and further enlightenment The behavioral sciences need genetics and biology for a more adequate
