An omnibus** Robert Louis Stevenson,1950 *A Robert Louis Stevenson Companion* J R Hammond,1984-06-14 **The Origins of Transmedia Storytelling in Early Twentieth Century Adaptation** Alexis Weedon,2021-06-18 This book explores the significance of professional writers and their role in developing British storytelling in the 1920s and 1930s and their influence on the poetics of today s transmedia storytelling Modern techniques can be traced back to the early twentieth century when film radio and television provided professional writers with new formats and revenue streams for their fiction The book explores the contribution of four British authors household names in their day who adapted work for film television and radio Although celebrities between the wars Clemence Dane G B Stern Hugh Walpole and A E W Mason have fallen from view The popular playwright Dane witty novelist Stern and raconteur Walpole have been marginalised for being German Jewish female or gay and Mason s contribution to film has been overlooked also It argues that these and other vocational authors should be reassessed for their contribution to new media forms of storytelling The book makes a significant contribution in the fields of media studies adaptation studies and the literary middlebrow **Writing Short Stories** Ailsa Cox,2025-03-04 The third edition of Writing Short Stories has been revised and updated to provide a complete guide to the craft of writing short stories It emphasizes the importance of voice as a foundation for work on characterization imagery dialogue and pace as readers move from their first sketches to working on more complex narrative structures Ailsa Cox guides readers through key aspects of the craft providing a variety of case studies of classic and contemporary core texts The wide range of writers discussed includes Edgar Allan Poe Katherine Mansfield Angela Carter Alice Munro Ali Smith Iphgenia Baal Octavia E Butler and William Gibson The diversity and flexibility of the short story genre is highlighted throughout along with the specific challenges the writer faces The book considers a range of genres such as fantasy science fiction horror autobiography romance comedy and satire The new edition also includes extra insights into getting published including publishing a first collection with an updated list of resources and trends in short story writing This inspiring guide is the ideal companion for those new to the genre or for anyone looking to improve their technique Each chapter contains a series of engaging exercises to help readers develop their skills and build confidence in their writing There are also bolded key terms with an extensive glossary at the end of the book *The Omnibus of Crime* Dorothy Leigh Sayers,1929 *A Book of R. L. S.* George Edward Brown,1919 **The Martyred Inquisitor: The Life and Cult of Peter of Verona (†1252)** Donald Prudlo,2017-05-15 Peter Martyr was one of the central Dominican saints of the thirteenth century in some cases eclipsing Dominic himself Born in Verona around 1206 to those with Cathar sympathies he became a convert to Catholicism As one of the first generations of Dominicans he represents aspects of their primitive history both as a spellbinding preacher and as one of the earliest and most famous papal inquisitors In 1252 shortly after his official appointment to the post of inquisitor for

Lombardy Peter was assassinated at the hands of a cabal of Milanese heretics That there is no modern monograph on Peter represents a considerable lacuna in the study of medieval saints This work therefore fills a very important gap in both thirteenth century hagiographical studies and studies of the interrelationship of heresy and imperial politics in the mid thirteenth century The first half of the book is a systematic study of the stages in the life miracles and posthumous cult of Peter of Verona Part One deals with many controversial issues of Peter s life such as his role in the growth of the Dominican order and related confraternities in Lombardy and Tuscany his status as papal inquisitor and his preaching Part Two explores the cult of Peter Martyr The brief time which elapsed between death and canonization makes Peter Martyr an especially interesting case in the field of cult study as for him life led immediately to cult a cult dominated by those who knew him personally The second half of the book is a translation into English of the major primary sources concerning Peter These will be of interest to students of papal canonization the Dominican order the Inquisition hagiography and local history **The Listener** ,1951 **New Statesman and Nation** ,1950 *Geriatric Sleep Medicine* Alon Y.
