Road To Assisi The Essential Biography Of St Francis:

The Road to Assisi Paul Sabatier, 2003-05-31 He conversed with both the Pope and the sultan He transformed a taste for fine things and troubadour poetry into greater loves for poverty and joyful devotion to God He never intended to found a traditional religious movement but nevertheless he did As he died his brothers had to guard him closely in fear that someone would try to snatch the body of this living saint Who was Francis of Assisi Where did he come from and what can we learn from his life Paul Sabatier 1858 1928 a French Protestant and the first modern biographer of St Francis sought to find the man beneath the layers of myth and legend Sabatier portrayed a fully human Francis much like each of us in our awkwardness insecurities and fear but also a gentle mystic and passionate reformer who desired to live as Jesus taught his disciples The Road to Assisi presents Sabatier s biography for today s twenty first century reader With helpful explanations and annotations by Jon M Sweeney Sabatier s narrative is supplemented with the insights of many other scholars and writers from Bonaventure and Dante to G K Chesterton and Umberto Eco Visit Jon Sweeney s blog at www.jonmsweeney.wordpress.com

contemplated this as they retraced the footsteps of Saint Francis across the Italian wilderness Did they need to renounce materialism and live more simply Did they need to do more work serving those in need Was more Bible study or a stronger prayer life needed What made their commitment to Christ different than those committed to other faiths How could their lives make a difference Love Fordham was planning a lecture series on Galatians written by the Apostle Paul when she and her husband began their pilgrimage As they journeyed into the life and legends of Saint Francis a playful old school Franciscan monk befriended them Together the three named the parallels and divergences in the lives of Saint Francis and Paul In doing so they discovered an entirely new but ancient way of following Jesus This book teaches Galatians the way Jesus taught through parables In this case the parables are about Saint Francis Each section ends with a spiritual practice designed to help readers discover their own unique way of living the Christian life *St. Francis of America* Patricia Appelbaum, 2015-07-28 How did a thirteenth century Italian friar become one of the best loved saints in America Around the nation today St Francis of Assisi is embraced as the patron saint of animals beneficently presiding over hundreds of Blessing of the Animals services on October 4 St Francis s Catholic feast day Not only Catholics however but Protestants and other Christians Hindus Buddhists Jews and nonreligious Americans commonly name him as one of their favorite spiritual figures Drawing on a dazzling array of art music drama film hymns and prayers Patricia Appelbaum explains what happened to make St Francis so familiar and meaningful to so many Americans Appelbaum traces popular depictions and interpretations of St Francis from the time when non Catholic Americans discovered him in the nineteenth century to the present From poet to activist 1960s hippie to twenty first century messenger to Islam St Francis has been envisioned in ways that might have surprised the saint himself Exploring how each vision of St Francis has been shaped by its own era Appelbaum reveals how St Francis has played a sometimes countercultural but always aspirational role in American culture St Francis s American story also displays the zest with which Americans borrow lend and share elements of their religious lives in everyday practice

The Complete Francis of Assisi Jon M. Sweeney, 2015 Includes the complete Road to Assisi Paul Sabatier s ground breaking and foundational biography of the saint the complete Francis in His Own Words The Essential Writings and The Little Flowers **The Road to Siena** Edmund Gardner, 2009-08-01 Catherine of Siena s influence was felt throughout the kingdoms of Europe She enjoyed the confidence of popes royalty and most of all the common people of Italy A complicated woman she was able to speak bluntly to a queen Instead of a woman you have become the servant and slave of nothingness making yourself the subject of lies and of the demon who is their father and also encourage the wife of a simple tailor Clothe yourself in the royal virtues Her story is told in this landmark biography first published a century ago and praised by Evelyn Underhill as the best modern biography of a saint ever written Long out of print this new edition has been slightly abridged and generously supplemented with the reflections of other biographers historians and artists who shed fresh light on what we know about an amazing woman The Road to Siena is a fairly brief but concentrated book illustrating a rather brief but

concentrated life Our instincts to distrust Catherine s visions as delusions and her hearty exhortations as mania are natural but repeatedly Gardner manages to put them down in turn and all of our modern understanding must be humbled a bit when we read that the invisible stigmata Catherine claimed in her life became manifest and quite visible upon her death even if her mystical wedding ring did not Taken together the book brings the reader into close contact with Catherine s flame one feels the heat that singed the consciences of popes and monarchs alike Elizabeth Scalia Benedictine Oblate author of the award winning *Strange Gods Unmasking the Idols in Everyday Life* and *Word on Fire* Editor at Large

Sweeney, 2019-10-01 An introduction to St Francis's life and his most profound teachings of faith St Francis of Assisi is one of the most venerated Christian figures and his profound teachings deep love of nature and commitment to simplicity have resonated with generations of followers St Francis of Assisi the latest title in the Essential Wisdom Library offers a simple and universal introduction to Francis's life his key teachings and the spiritual practices that enriched his faith and the lives of those who follow his legacy Author Jon M Sweeney one of the most popular Francis interpreters introduces the iconic Christian as a man of his time and as one whose wisdom transcends eras Beginning with a timeline of the saint's life St Francis of Assisi includes the teachings that made Francis such a unique and powerful figure His words apply to a diverse set of situations from advice for people in positions of power to teachings on gratitude and the Rule of Life which governed every facet of life for Franciscans The book concludes with explanations of some of his most powerful practices which can offer wisdom and insight for our own lives St Francis emphasized the importance of living a simple truthful life making his spiritual practices just as impactful and relevant in the modern day as they were centuries ago St Francis of Assisi is the perfect guide for anyone looking to learn more about the saint or hoping to incorporate his wisdom into their own spiritual lives **The Living Church**, 1993 **Thomas Merton: An Introduction to His Life, Teachings, and Practices** Jon M. Sweeney, 2021-05-18 An introduction to the spiritual legacy of Thomas Merton Thomas Merton was a Trappist monk and one of the most influential spiritual figures of the 20th century His writing on contemplation monastic life mysticism poetry and social issues have influenced generations and his legacy of interfaith understanding and social justice endures to this day Thomas Merton An Introduction to His Life Teachings and Practices offers an exploration of Merton as a monk as a writer and as a human being Author Jon M Sweeney delves into Merton's life and ideas with an appreciation for his work and a deep understanding of the spiritual depth that it contains Thomas Merton offers a unique view of the popular and sometimes controversial monk braiding together his thoughts and practices with the reality of his life to create a full portrait of a pivotal figure The Merton revealed in its pages is a source of inspiration and insight for those wrestling with questions of faith and spirituality At its core the book is about the search for wholeness a search Merton undertook himself throughout his lifetime and one readers can also embark on as they draw inspiration and guidance from his life *Christ Among Them* Edoardo Mungiello, 2009-05-27 This essay newly interprets the rise of the individual within the Italian peninsula between 1180 and 1300 It follows the historical events and the cultural products that define the period keeping in mind that the creators were conscious of a tangible real Christ in their midst For it is the time when Jesus was known to be in the Eucharist as a carnal potentiality as well as a time when Europeans on Crusade had reached his temporal abode As Christ as neighbor became a consistent idea the relationship towards that idea became one of accommodation making subsequent worship a form of individualism The later Renaissance was as much a specific reaction to a particular understanding of Christology within the cultural sphere as it was a reawakening of Classical

ideals through a new paradigm of European selfhood outside of Christianity Understood in this way the Incarnation helped to produce an action based Christianity amenable to the needs of the Roman Church The later insistence upon text and notions of personal conscience that identifies the Reformation can now be seen as a true end to the Renaissance Christian praxis which began with the excitement over Christ among them **Troubadour of the Kingdom** Gregory S. Camp,2019-07-11

Joel Rufus Moseley 1870 1954 is one of the forgotten twentieth century champions of American Pentecostalism A brilliant scholar and university professor he left the accolades of academia and searched a number of spiritual paths until he embraced Pentecostalism in 1910 Thereafter he began a lay ministry to the down and outs of society openly campaigning against capital punishment for racial desegregation and above all else for living a life in the Holy Spirit he described as Life as Love He blazed a path that was to influence and confound many Pentecostal leaders of his time provided an example to those who would lead what become known as the Charismatic Renewal and enjoyed a life of joy one rarely encounters A contemporary version of St Francis of Assisi Rufus Moseley shunned position power politics religious titles and seeking after wealth in favor of following simplicity and depth of spiritual life Like his thirteenth century counterpart he lived a life of gratitude of littleness and above all love Moseley offers encouragement as well as reproof to the contemporary charismatic movement to again seek the simplicity that is in Christ **Ireland's Saint** J. B. Bury,2009-02-01 Explore Patrick s place in history the spread of Christianity beyond the Roman Empire how Patrick first came to Ireland the influence of the earlier Palladius on Patrick s work political and social conditions at that time and the spiritual battles with the Druids This 21st century edition now includes notes from other biographers mystics historians and storytellers of Ireland The ideal place to begin any exploration of a much loved but little known saint Bury proves to be more than a mere dry historian he turns out to be a fine storyteller as well and his accounts of Patrick s spiritual duels with Druid priests for the heart and mind of the Irish king are quite gripping History Book Club Editor writer Sweeney gives Bury s 1905 biography of the legendary St Patrick a greater contemporary context in this meticulously researched and presented work Bury wrote what Sweeney calls the ideal modern biography of Patrick Sweeney assembles and rearranges material from Bury s original work and incorporates more of Patrick s own words from his Confession and Letter against Coroticus Sweeney s light edits to Bury s text clarify exactly what Patrick did in Ireland noting that although he did convert some pagan kingdoms he also was responsible for organizing Christians who were already there and connecting the island with the church of the Roman Empire **The Kingdom of God Is at Hand** Theodore Kallman,2021-04-15 In Kingdom of God Theodore Kallman illuminates the brief life of a Christian Socialist community founded by four men a minister and editor a professor and an engineer on a worn out cotton plantation just outside of Columbus Georgia in 1896 While Christian Commonwealth only lasted until 1900 its combination of religious communitarianism and socialist ideology proved attractive to many It was a place where women enjoyed a sort of political equality and where its school open to all white students of Muscogee County emphasized a critique of private property

Kallman explains how particular brand of Tolstoyan anarchism inspired by the Russian novelist's philosophical treatise *The Kingdom of God is Within You* 1894 and Christ's Sermon on the Mount took root in west central Georgia and attracted attention from famous onlookers Leo Tolstoy and Jane Addams included In Kallman's capable hands what appears to be merely a blip barely worth mentioning for historians of Georgia and the larger United States instead emerges as a story that has much to teach us about Gilded Age American and provides necessary context for the surging interest in America's socialist past

Almost Catholic Jon Sweeney, 2008-05-23 Jon Sweeney a self-described evolved Protestant and noted religious writer has long been fascinated by the Catholic Church However it wasn't until he was a young missionary in the Philippines that he truly began to understand the Church's traditions mysteries and religious beliefs and its hold on those who follow the tradition As he explains Catholic spirituality is all about responding to the fundamental mystery of Jesus the incarnation and what it all meant in the beginning as well as what it means today In *Almost Catholic* Sweeney offers an appreciation of Catholicism weaving in the story of his own explorations with those of others who have also been attracted to this tradition He finds himself drawn to the Church's ancient and medieval traditions out of a desire to connect with the deepest and widest paths on the way Two millennia of saints and practices and teachings and mystery form a connection for him to the very beginnings of Christianity

Dark Water Robert Clark, 2009-10-06 Birthplace of Michelangelo and home to untold masterpieces Florence is a city for art lovers But on November 4 1966 the rising waters of the Arno threatened to erase over seven centuries of history and human achievement Now Robert Clark explores the Italian city's greatest flood and its aftermath through the voices of its witnesses Two American artists wade through the devastated beauty a photographer stows away on an army helicopter to witness the tragedy first hand a British mud angel spends a month scraping mold from the world's masterpieces and through it all an author asks why art matters so very much to us even in the face of overwhelming disaster
