Liars Glenn Beck,2017-08-08 Politicians may be sleazy and spineless but they re not stupid The candidate who tells the people what they want to hear is usually the one who wins facts be damned The only way to break the cycle is to understand why Americans fall for the deception over and over again Beck reveals the startlingly simple answer fear Progressives from both parties exploit this by offering solutions that are based on two things lies and an unrelenting hunger for power and control

The Sixteen-Trillion-Dollar Mistake Bruce S.

Jansson,2002-09-04 Choices about budget priorities are arguably the most important made by the federal government profoundly affecting the well being of citizens Bruce Jansson documents how presidents from FDR to Clinton have made ill advised choices that wasted trillions of dollars Going beyond charges of corruption or bureaucratic waste the book is an eye opening expos revealing innumerable useless projects military as well as civilian unnecessary tax concessions and the use of interest payments to cover deficit spending among other costly mistakes Using Office of Management and Budget projections through 2004 Jansson shows how the madness continues and how an informed electorate can put an end to it

The Rich Don't Always Win Sam Pizzigati,2012-11-27 The Occupy Wall Street protests have captured America s political imagination Polls show that two thirds of the nation now believe that America s enormous wealth ought to be distributed more evenly However almost as many Americans well over half feel the protests will ultimately have little impact on inequality in America What explains this disconnect Most Americans have resigned themselves to believing that the rich simply always get their way Except they don t A century ago the United States hosted a super rich even more domineering than ours today Yet fifty years later that super rich had almost entirely disappeared Their majestic mansions and estates had become museums and college campuses and America had become a vibrant mass middle class nation the first and finest the world had ever seen Americans today ought to be taking no small inspiration from this stunning change After all if our forbears successfully beat back grand fortune why can t we But this transformation is inspiring virtually no one Why Because the story behind it has remained almost totally unknown until now This lively popular history will speak directly to the political hopelessness so many Americans feel By tracing how average Americans took down plutocracy over the first half of the 20th Century and how

plutocracy came back The Rich Don't Always Win will outfit Occupy Wall Street America with a deeper understanding of what we need to do to get the United States back on track to the American dream *The Great Reset* Marc

Morano,2022-08-30 Here is the antidote to the left's sinister push to use a worldwide crisis to infuse our lives with the values of colossal statism and dystopian self-hatred all accelerated by the duplicitous manipulation of the recent pandemic From the nationally best-selling author of *The Politically Incorrect Guide to Climate Change Welcome to 2030* I own nothing have no privacy and life has never been better This is the vision of the Great Reset according to globalist leaders While proponents of the Great Reset push slogans like Build Back Better The Fourth Industrial Revolution and A New Normal the Reset is nothing short of a rebranded Soviet system threatening to strip away property rights restrict freedom of movement and association and radically reshape our diets and way of life In *The Great Reset Global Elites and the Permanent Lockdown* bestselling author and ClimateDepot.com publisher Marc Morano unveils the origins of the Great Reset who is behind it how it is being implemented and how COVID 19 and the alleged climate emergency accelerated its imposition on the United States Packed with telling statistics and damning quotes *The Great Reset* is the essential handbook for the public the media and activists on how to critically analyze and expose the tyrannical policies silently strangling our liberties today *Highways and*
