*How to Travel Down the Narrow Road that Leads to Heaven* David Hawkins, 2023-02-09 How to Travel Down the Narrow Road That Leads to Heaven The narrow road that leads to heaven is very difficult to travel You must work hard to drive up this bumpy road and avoid running out of faith or making a wrong turn The road to hell is wide and smooth and easy to travel down It does not require faith and although you may take a right or left turn at one of the intersections all roads lead to the same place of unending torment The purpose of this book is to give you clear directions and a biblical map you can follow to get to heaven There are fourteen stops along the way starting with turning away from sin and turning toward God and ending with obeying the traffic laws of life that Jesus taught All the stops in between give you the encouragement and knowledge you need to stay on track for a successful journey These include receiving the gift of salvation and eternal life developing a relationship with the Holy Spirit having faith to follow Jesus serving and loving God and your neighbor digging deep into God s Word giving generously praying continually getting ready for the end times and living like Christ Once you arrive at your final destination there is no turning back So take time to look over the directions carefully study the map and read the Scriptures written on the road signs posted all along the way **The Christian Road Less Traveled** Mark R.

Goff, 2017-06-22 This book is about the road of grief I traveled when my only son died The death of my son struck me down in a place where I had never been before and it left a deep gut wrenching wound that had to have time to heal My son left to go to his eternal home and I was left to bear my sorrow However God in his abundant mercy came to me He gave miracles to me that blew me away On days that I knew I could not go on he carried me spoke to me rocked me sent help to me and visited me Oh yes he did The road was not one I wanted to be on but it was the one I was on The road was rocky yet the road was strewn with compassion love and joy I did not travel it alone God the Father Jesus the Son and the Great Holy Spirit were right there on that road with me They never left me They gave me grace strength and courage to keep going Satan was my enemy on this road He hurled stones at me tripped me tormented me and tried many ways to instill fear in me He wanted me to travel a road of defeat God would not allow him to win over me God was my refuge my rock my Father and my victory This book is as much about living as it is about dying You do not have to be in grief to read this book Open the book and take a look     **Grandma Thoughts** Boots Brizendine, 2013-03 What are we here for It's one of the most controversial questions and one of the most sought after answers But every human being has a purpose and a direction take it from someone who has lived Walterene Boots Brizendine knows what it means to search for purpose and in her comprehensive devotional *Grandma Thoughts* she shares her hard earned knowledge and wisdom Join Boots for a thorough discussion of what it means to truly exist for God and how that existence can be enriched by steeping yourself in the Word and practicing what it preaches With daily entries that are easy to follow and incorporate Biblical principles with verses themselves *Grandma Thoughts* is the perfect introduction to thinking about your own purpose and what it will mean for you to be truly living in the Lord     *Bright Intervals* Robert Beringer, 1999 A treasure trove of worship resources this collection is especially appropriate for worship services in health care centers retirement homes hospitals and nursing homes     **Pathways to the Public Square** International Academy of Practical Theology. **The Roman Road**, *Can Any Good Come from Nazareth?* Kevin L. Moore, 2012-02 Do you know Jesus Do you think of him as your friend Even though I know many Christians who consider him a friend I don't To be honest when I read the Gospels carefully he unsettles me sometimes a lot So I ask again do you really know him Whether believer or skeptic many people claim they do But is this Jesus the one we grew up hearing about our own imagined Jesus or the one present in the Gospels In essays that take a fresh look at sixteen familiar stories Kevin L Moore seeks to engage his readers so they can reconsider some of their preconceptions about this man from Nazareth and what he expects of us This sort of re-examination can be unsettling but it's worth the effort since all we can ever do is follow from a distance In *Can Any Good Come From Nazareth* New Testament scholar Dr Kevin L Moore invites us to move past the pages of Scripture and into the three-dimensional world of Jesus where the story began In this world we understand Jesus in a new light as Moore guides us through some of the most riveting scenes in the Gospels In writing that is accessible to all Moore gives his readers an opportunity to reconsider what it means to follow Jesus Timothy F Merrill Executive Editor Homiletics

Baban, 2006-10-18 Contemporary reconstructions of Luke's theology of the Way should include in a more conscientious manner the contribution of Luke's post-Easter on the road encounters the Emmaus Gaza and Damascus road narratives This book argues that Luke follows here the rules of Hellenistic mimesis imitation many of which are illustrated in the novels dramas and history treatises of his time Filtering these rules through his own theology and literary taste he represents in the end the history and the proclamation of the early church in an attractive and challenging manner inviting his readers to good literature and to captivating spiritual experiences
