Niz,2019-05-01 Explains the mysterious story of the disappearance of a group of early American colonists Written in graphic novel format      [The Secret Founding of America](#) Nicholas Hagger,2016-11-15 The widely accepted story of the founding of America is that The Mayflower delivered the first settlers from Plymouth to the New World in 1620 Yet in reality the Jamestown settlers had already become the first English speaking outpost thirteen years earlier in 1607 The Secret Founding of America introduces these two groups of founders the Planting Fathers who established the earliest settlements along essentially Christian lines and the Founding Fathers who unified the colonies with

the Declaration of Independence and the Constitution and it argues that the new nation conceived in liberty was the Freemasons first step towards a new world order Drawing on original findings and an in depth understanding of the political and philosophical realities of the time historian Nicholas Hagger charts the connections between Gosnold and Smith Templars and Jacobites and secret societies and libertarian ideals He also explains how the influence of German Illuminati worked on the constructors of the new republic and shows the hand of Freemasonry at work at every turning point in America s history from Civil War to today s global struggles for democracy

**Martyr/Revenger/Prince** Rory Clements, 2020-07-23 The first three books of the bestselling John Shakespeare series of Tudor spy thrillers from Rory Clements author of the Sunday Times bestseller Hitler's Secret Martyr Tensions in Elizabeth I's government are at breaking point At the eye of the storm is John Shakespeare chief intelligencer in the secret service of Sir Francis Walsingham When an intercept reveals a plot to assassinate England's sea dragon Francis Drake Shakespeare is ordered to protect him With Drake on land fitting out his ships he is frighteningly vulnerable If he dies England will be open to invasion From the splendour and intrigue of the royal court to the sleek warships of Her Majesty's Navy and the teeming brothels of Southwark Shakespeare soon learns that nothing is as it seems Revenger The quiet life of John Shakespeare is shattered by a summons from Robert Cecil the cold but deadly young statesman who dominated the last years of the Queen's long reign insisting Shakespeare re-enter government service His mission to find vital papers now in the possession of the Earl of Essex When John Shakespeare infiltrates this dissolute world he discovers not only that the Queen

*Transatlantic Encounters* Alden T. Vaughan,2006-12-11 Publisher description **William Phipps and the Diving Bell Bubble** Leon Hopkins,2025-05-30 William Phipps a self made treasure hunter and royal governor rose to prominence but faced controversy in seventeenth century Boston William Phipps rise to fame and fortune was meteoric His short and hectic life was punctuated with many unlikely achievements of which raising treasure from the wreck of a Spanish galleon was the most famous For this he was knighted Locating his Spanish prize was no fluke Phipps had worked on the project for years As in all his endeavours success was achieved mainly by force of character His determination and drive saw him become in turn a shipwright a mariner treasure hunter merchant general an admiral an Indian fighter and a reforming royal governor Born a backwoodsman Phipps became one of the wealthiest and most influential men in seventeenth century Boston He mixed with members of the colony s most prestigious families whose members were clerics magistrates merchants and lawmakers But he was never fully accepted as their equal Boston was a victim of its own ultra Puritan origins Its ruling families were entrenched and committed to its drawn out and until this point largely unsuccessful campaign for independence from England and English laws Appointed by an English king to govern the province of Massachusetts Bay Phipps brought his pugnacious overbearing no nonsense approach to bear He had his admirers but he also made many enemies These included his own deputy governor who thought himself belittled when Phipps put a stop to the hanging of Salem s witches There were sufficient detractors to persuade the Lords of Trade to investigate and Phipps was recalled to London to answer his critics There was no investigation and no hearing Phipps did not survive long enough He died in London his life ended by a flu like infection He was just forty four Phipps had been a champion for his ungrateful New England colony and even after death an inspiration for a new generation of English inventors and investors He ignited interest in diving and diving bells and in new means of finance and investment *A Brave New World of Knowledge* B. J. Sokol,2003 This study of an extraordinary work of dramatic literature also addresses questions of the nature and dissemination of the scientific revolution These facets are locked together although the book does not deny that *The Tempest* had deep roots in classical literature and elsewhere it maintains that the play s remarkable dramaturgy and symbolism reflect subtle matters uniquely pertinent to its own fascinating time *A Brave New World of Knowledge* uncovers a number of

previously little appreciated connections of *The Tempest* with specific problems or advances of knowledge thus showing that the play reflected innovative proto scientific modes of confronting the physical biological and human realms It also argues that Shakespeare's play mirrored a new tendency to repudiate earlier Renaissance dreams of achieving omniscience and omnipotence The play reflected a newer hope for knowledge based on speculative boldness linked with close observation rational and sober precision and a radical capacity to accept limitation and not knowing
