Robaks Run:

Robak in Black Joe L. Hensley, 2014-08-05 Five years ago Don Robak set aside his practice as an attorney to take up a new one that of judge But his wife Jo is suddenly stricken with a strange illness that leaves her robbed of much of her memory strength and in need of professional care and leaves Don alone bereft and convinced that Jo's illness was a planned attack and not an accident of fate Though he lacks evidence Robak has plenty of suspects of whom the major ones include the Wolfers a local clan of tax rebels whose patriarch Damion Darius Wolf is out for revenge after Judge Robak sentenced his son to death The other is Libby Macing the daughter and principle of local powerhouse Macing Drugs with whom Robak was once involved and now is part of a lawsuit against Macing Drugs that is being tried in Robak's court It soon becomes clear that something nefarious is going on that some tie exists between the much feared Wolfers and their opposite on the social scale the Macing clan As threats against Robak and his sick wife persist and intensify Robak finds his old instincts beginning to kick in Determined to remain impartial during the trial being heard before him he is equally determined to find out the truth of the situation before he and his loved ones fall victim to whomever is pulling the strings behind the scene in Joe L. Hensley's *Robak in Black* *Safetown* J.R. Roberts, PLAGUED Clint Adams had never seen or smelled anything like it The pile of bodies gave off a stench strong enough to send a man reeling But when the last live one in the bunch begged Clint to put an end to his misery he stepped up and fired Clint can't believe he put a bullet in a helpless man and now he's got the feeling things are only gonna get worse Turns out there's an epidemic sweeping through these parts and there's only one place for a healthy gunslinger to go Thing is once you get to Safetown you're not allowed to leave It's a rule some dangerous folks are trying their darnedest to break and it's up to the Gunsmith to stop them **Snowbird's Blood** Joe L.

Hensley, 2014-08-05 Joe L. Hensley's *Snowbird's Blood* is a classically noir novel about justice retribution aging and the dark underside of society Cannert is searching throughout Florida for his missing wife Martha While he was in the hospital coping with the latest round of treatment for his terminal cancer Martha was in Florida looking for an appropriate place for the two of them to retire and for him to die When he recovered enough to get out of the hospital Martha had disappeared without a trace Unsure whether she'd simply left him whether she'd been killed along the road in Florida or something else more sinister Cannert is on a slow search of the likely places she might have stopped looking into rumors and quiet whispers of old people aka snowbirds disappearing While he searches a woman found badly abused near death with a massive head injury slowly recovers in a mental hospital She remembers almost nothing only knowing someone out there is looking for her And with no knowledge of who she is and where she can go she goes on the run from a shadowy man that she spies watching her from outside the hospital's fence *Sequels* Janet G. to terms with both his past and present Benes writes about the dissonance of moving from the most rural and conservative region of the country to its most liberal and urban centers as they grow further apart at a critical moment in history He seeks to bridge America s current political divides by contrasting the conservative values he learned growing up in a town of three hundred with those of his liberal acquaintances in New York City where he now lives At a time when social and political differences are too often portrayed in stark binary terms and people in the Trump supporting heartland are depicted in reductive one dimensional ways Benes tells real life stories to add depth and nuance to our understanding of rural Americans attitudes about abortion immigration big government and other contentious issues His argument and conclusion are simple but powerful that Americans in disparate places would be less hostile to one another if they just knew each other a little better Part memoir journalism and social science *Rural Rebellion* is a book for our times *Pan Tadeusz* Adam
