Heist! Anneliese Burgess, 2018-05-01 The last twenty four hours before a heist take forever You are ready You can't wait You are already thinking about the money It's a kind of high that programs your mind You are excited You just want to get it done That moment when there is no turning back when it is about to go down all your senses come alive your eyes everything comes alive It's extreme like a phenomenal rush of ecstasy It's the thing that makes you want to do it again From the horror of the 2006 Villa Nora heist where four security guards were burnt alive in their armoured vehicle after a ferocious fight back against highly trained mercenaries to the 2016 robbery of a cash centre in Witbank where a gang made off with almost R104 million after impersonating police officers Heist is an impeccably researched exposé of an endemic crime phenomenon that some analysts warn could bring South Africa to its knees Using the information gleaned from thousands of pages of court documents and press reports as well as interviews with scores of police officers crime intelligence agents

prosecutors defence lawyers researchers journalists security guards and the criminals themselves Heist provides an unprecedented insight into a crime that has increased by a staggering 49 per cent in the first eight months of 2017 alone As informative and thought provoking as it is distressing this is a book by an investigative journalist at the top of her game
