Henry Alexander White

Robert E Lee And The Southern Confederacy:

Robert E. Lee and the Southern Confederacy, 1807-1870 Henry Alexander White, 2013-03-01 Bonded Leather binding **Robert E. Lee and the Southern Confederacy, 1807-1870** Henry Alexander White, 1898 **The Making of Robert E. Lee** Michael Fellman, 2003-04-07 With rigorous research and unprecedented insight into Robert E Lee s personal and public lives Michael Fellman here uncovers the intelligent ambitious and often troubled man behind the legend exploring his life within the social cultural and political context of the nineteenth century American South **Robert E. Lee and the Southern Confederacy, 1807-1870** Henry A. White, 1971-03-01 **Robert E. Lee and the Southern Confederacy, 1807-1970** Henry Alexander White, 1902 **Robert E. Lee and Me** Ty Seidule, 2021-01-26 Ty Seidule scorches us with the truth and rivets us with his fierce sense of moral urgency Ron Chernow In a forceful but humane narrative former soldier and head of the West Point history department Ty Seidule s Robert E Lee and Me challenges the myths and lies of the Confederate legacy and explores why some of this country s oldest wounds have never healed Ty Seidule grew up revering Robert E Lee From his southern childhood to his service in the U S Army every part of his life reinforced the Lost Cause myth that Lee was the greatest man who ever lived and that the Confederates were underdogs who lost the Civil War with honor Now as a retired brigadier general and Professor Emeritus of History at West Point his view has radically changed From a soldier a scholar and a southerner Ty Seidule believes that American history demands a reckoning In a unique blend of history and reflection Seidule deconstructs the truth about the Confederacy that its undisputed primary goal was the subjugation and enslavement of Black Americans and directly challenges the idea of honoring those who labored to preserve that system and committed treason in their failed attempt to achieve it Through the arc of Seidule s own life as well as the culture that formed him he seeks a path to understanding why the facts of the Civil War have remained buried beneath layers of myth and even outright lies and how they embody a cultural gulf that separates millions of Americans to this day Part history lecture part meditation on the Civil War and its fallout and part memoir Robert E Lee and Me challenges the deeply held legends and myths of the Confederacy and provides a surprising interpretation of essential truths that our country still has a difficult time articulating and accepting **Confederate Tide Rising** Joseph L. Harsh, 1998 This analysis of the military policy and strategy adopted by Robert E Lee and Jefferson Davis in the first two years of the Civil War argues that their policies allowed the Confederacy to survive longer than it otherwise could have and were the policies best designed to win Southern independence **Robert E. Lee and the Southern Confederacy** Henry Alexander White, 1897 Robert E. Lee: A Biography Emory M. Thomas, 1997-06-17 The best and most balanced of the Lee biographies New York Review of Books The life of Robert E Lee is a story not of defeat but of triumph triumph in clearing his family name triumph in marrying properly triumph over the mighty Mississippi in his work as an engineer and triumph over all other military men to become the towering figure who commanded the Confederate army in the American Civil War But late in life Lee confessed that he

was always wanting something In this probing and personal biography Emory Thomas reveals more than the man himself did Robert E Lee has been and continues to be a symbol and hero in the American story But in life Thomas writes Lee was both more and less than his legend Here is the man behind the legend The Marble Man Thomas Lawrence Connelly,1978-07-01 Robert E Lee was both a military genius and a spiritual leader considered by many southerners and nonsoutherners alike to have been a near saint In The Marble Man a leading Civil War military historian examines the hold of Lee on the American mind and traces the campaign in historiography that elevated him to national hero status **Robert E. Lee** Allen C. Guelzo,2021-09-28 A WALL STREET JOURNAL BEST BOOK OF THE YEAR From the award winning historian and best selling author of Gettysburg comes the definitive biography of Robert E Lee An intimate look at the Confederate general in all his complexity his hypocrisy and courage his inner turmoil and outward calm his disloyalty and his honor An important contribution to reconciling the myths with the facts New York Times Book Review Robert E Lee is one of the most confounding figures in American history Lee betrayed his nation in order to defend his home state and uphold the slave system he claimed to oppose He was a traitor to the country he swore to serve as an Army officer and yet he was admired even by his enemies for his composure and leadership He considered slavery immoral but benefited from inherited slaves and fought to defend the institution And behind his genteel demeanor and perfectionism lurked the insecurities of a man haunted by the legacy of a father who stained the family name by declaring bankruptcy and who disappeared when Robert was just six years old In Robert E Lee the award winning historian Allen Guelzo has written the definitive biography of the general following him from his refined upbringing in Virginia high society to his long career in the U S Army his agonized decision to side with Virginia when it seceded from the Union and his leadership during the Civil War Above all Guelzo captures Robert E Lee in all his complexity his hypocrisy and courage his outward calm and inner turmoil his honor and his disloyalty

Robert E. Lee and the Southern Confederacy, 1807-1870, by Henry Alexander White, ... Henry Alexander White,1897

Robert E. Lee Patricia A. Grabowski,Arthur M. Schlesinger, Jr.,2009 Robert E Lee was proud to serve the United States as a soldier but when the Civil War broke out he felt it was his duty to follow his southern roots Lee was a gifted general whose men were loyal to him and he led the Confederacy to victory after victory Robert E. Lee and the Southern Confederacy, 1807-1870 Henry Alexander White,1902 Robert E. Lee and the Southern Confederacy, 1807-1870, Vol. 3 (Classic Reprint) Henry Alexander White,2017-12-26 Excerpt from Robert E Lee and the Southern Confederacy 1807-1870 Vol 3 Virginia Historical Society and from the Quarterly Magazine issued by the William and Mary College The debates in the Federal Convention in the State Conventions that adopted the Constitution and speeches in Congress extend the list About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an

Memoirs of Robert E. Lee Armistead Lindsay Long, Marcus Joseph Wright, 1886 *Lee Considered* Alan T. Nolan, 2000-11-09 Of all the heroes produced by the Civil War Robert E Lee is the most revered and perhaps the most misunderstood Lee is widely portrayed as an ardent antiseccessionist who left the United States Army only because he would not draw his sword against his native Virginia a Southern aristocrat who opposed slavery and a brilliant military leader whose exploits sustained the Confederate cause Alan Nolan explodes these and other assumptions about Lee and the war through a rigorous reexamination of familiar and long available historical sources including Lee s personal and official correspondence and the large body of writings about Lee Looking at this evidence in a critical way Nolan concludes that there is little truth to the dogmas traditionally set forth about Lee and the war

Memoirs of Robert E. Lee: His Military and Personal History Armistead Lindsay Long, 2015-09-04 This book is an interesting addition to the voluminous biographical literature of the war that has been made in the *Memoirs of Robert E Lee* General A L Long of the Confederate Army was a friend and fellow soldier of Lee This large volume has been written under great difficulties the author having lost his sight but like some more eminent American historians who have worked under similar disadvantages he has not slighted his task but has made diligent use of a great body of material The work is not autobiographical of course but makes large use of the words and records of General Lee Its value rests in its full clear and enthusiastic presentation of the character and career of one of the most remarkable men of a great epoch Included are also the full official Reports of Gen Lee with copious selections from his confidential letters dispatches and official communications never before published the only official record of the closing years of the war

How Robert E. Lee Lost the Civil War Edward H. Bonekemper, 1997 This book challenges the general view that Robert E Lee was a military genius who staved off inevitable Confederate defeat against insurmountable odds Instead the author contends that Lee was responsible for the South s loss in a war it could have won Instead as this book demonstrates Lee unnecessarily went for the win squandered his irreplaceable troops and weakened his army so badly that military defeat became inevitable It describes how Lee s army took 80 000 casualties in Lees first fourteen months of command while imposing 73 000 casualties on his opponents With the Confederacy outnumbered four to one Lee s aggressive strategy and tactics proved to be suicidal Also described are Lee s failure to take charge of the battlefield such as on the second day of Gettysburg his overly complex and ineffective battle plans such as those at Antietam and during the Seven Days campaign and his vague and ambiguous orders such as those that deprived him of Jeb Stuart s services for most of Gettysburg Bonekemper looks beyond Lee s battles in the East and describes how Lee s Virginia first myopia played a major role in crucial Confederate failures in the West He itemizes Lee s refusals to provide reinforcements for Vicksburg or Tennessee in mid 1863 his causing James Longstreet to arrive at Chickamauga with only a third of his troops his idea to move

Longstreet away from Chattanooga just before Grant's troops broke through the undemanded Confederates there and his failure to reinforce Atlanta in the critical months before the 1864 presidential election Bonekemper argues that Lee's ultimate failure was his prolonging of the hopeless and bloody slaughter even after Union victory had been ensured by a series of events the fall of Atlanta the re-election of Lincoln and the fall of Petersburg and Richmond Finally the author explores historians treatment of Lee including the deification of him by failed Confederate generals attempting to resurrect their own reputations Readers will not find themselves feeling neutral about this stinging critique of the hero of The Lost Cause

Robert E. Lee and the Fall of the Confederacy, 1863-1865 Ethan S. Rafuse, 2008-07-25

The generalship of Robert E Lee the Confederacy's greatest commander has long fascinated students of the American Civil War In assessing Lee and his military career historians have faced the great challenge of explaining how a man who achieved extraordinary battlefield success in 1862 1863 ended up surrendering his army and accepting the defeat of his cause in 1865 How in just under two years could Lee the Army of Northern Virginia and the Confederacy have gone from soaring triumph at Chancellorsville to total defeat at Appomattox Court House In this reexamination of the last two years of Lee's storied military career Ethan S Rafuse offers a clear informative and insightful account of Lee's ultimately unsuccessful struggle to defend the Confederacy against a relentless and determined foe Robert E Lee and the Fall of the Confederacy describes the great campaigns that shaped the course of this crucial period in American history the challenges Lee faced in each battle and the dramatic events that determined the war's outcome In addition to providing readable and richly detailed narratives of such campaigns as Gettysburg Bristoe Station Spotsylvania and Appomattox Rafuse offers compelling analysis of Lee's performance as a commander and of the strategic and operational contexts that influenced the course of the war He superbly describes and explains the factors that shaped Union and Confederate strategy how both sides approached the war in Virginia from an operational standpoint differences in the two sides' respective military capabilities and how these forces shaped the course and outcome of events on the battlefield Rich in insights and analysis this book provides a full balanced and cogent account of how even the best efforts of one of history's great commanders could not prevent the total defeat of his army and its cause It will appeal to anyone with an interest in the career of Robert E Lee and the military history of the Civil War

The Enigmatic Realm of **Robert E Lee And The Southern Confederacy**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary.
