## **Robert Surtees And Early Victorian Society:**

**Robert Surtees and Early Victorian Society** Norman Gash, 1993 Though for well over a century the novels of R S Surtees have maintained a steady readership his books have been comparatively neglected in the literary and social studies of his period Norman Gash's stimulating book is both a contribution to Surtees studies and to Victorian social history It has often been observed that Surtees fiction furnishes a wealth of material for social historians and Professor Gash sets out to exploit the opportunities it offers He places Surtees novels in their historical context and uses the novels and other writings to enlarge the historical evidence Through the views of an unorthodox and sceptical early Victorian novelist Norman Gash examines a familiar landscape from an unfamiliar angle illuminating the conservative world of the countryside small provincial towns and the seedier side of London This is a scholarly and entertaining study by an eminent historian of the nineteenth century

**The Mid-Victorian Generation** K. Theodore Hoppen, 2000-06-30 This the third volume to appear in the New Oxford History of England covers the period from the repeal of the Corn Laws to the dramatic failure of Gladstone's first Home Rule Bill In his magisterial study of the mid Victorian generation Theo Hoppen identifies three defining themes The first he calls established industrialism the growing acceptance that factory life and manufacturing had come to stay It was during these four decades that the balance of employment shifted irrevocably For the first time in history more people were employed in industry than worked on the land The second concerns the multiple national identities of the constituent parts of the United Kingdom Dr Hoppen's study of the histories of Ireland Scotland Wales and the Empire reveals the existence of a variety of particular and overlapping national traditions flourishing alongside the increasingly influential structure of the unitary state The third defining theme is that of interlocking spheres which the author uses to illuminate the formation of public culture in the period This he argues was generated not by a series of influences operating independently from each other but by a variety of intermeshed political economic scientific literary and artistic developments This original and authoritative book will define these pivotal forty years in British history for the next generation

*Victorian Fiction and the Cult of the Horse* Gina M. Dorré, 2016-12-05 The horse was essential to the workings of Victorian society and its representations which are vast ranging and often contradictory comprise a vibrant cult of the horse Examining the representational emblematic and rhetorical uses of horses in a diversity of nineteenth century texts Gina M Dorré shows how discourses about horses reveal and negotiate anxieties related to industrialism and technology constructions of gender and sexuality ruptures in the social fabric caused by class conflict and mobility and changes occasioned by national progress and imperial expansion She argues that as a cultural object the horse functions as a repository of desire and despair in a society rocked by astonishing social economic and technological shifts While representations of horses abound in Victorian fiction Gina M Dorré's study focuses on those novels by Charles Dickens Elizabeth Braddon Anna Sewell and George Moore that engage with the most impassioned controversies concerning horses and horse care such as the introduction of the steam

engine popular new methods of horse taming debates over the tight reining of horses and the moral furor surrounding gambling at the race track Her book establishes the centrality of the horse as a Victorian cultural icon and explores how through it dominant ideologies of gender and class are created promoted and disrupted **The Fox-Hunting Controversy, 1781-2004** Allyson N. May, 2016-03-16 August 1781 saw the publication of a manual on fox hunting that would become a classic of its genre Hugely popular in its own day Peter Beckford's *Thoughts on Hunting* is often cited as marking the birth of modern hunting and continues to be quoted from affectionately today by the hunting fraternity Less stressed is the fact that its subject was immediately controversial and that a hostile review which appeared on the heels of the manual's publication raised two criticisms of fox hunting that would be repeated over the next two centuries fox hunting was a cruel sport and a feudal anachronistic one at that This study explores the attacks made on fox hunting from 1781 to the legal ban achieved in 2004 as well as assessing the reasons for its continued appeal and post ban survival Chapters cover debates in the areas of class and hunting concerns over cruelty and animal welfare party politics the hunt in literature and nostalgia By adopting a thematic approach the author is able to draw out the wider social and cultural implications of the debates and to explore what they tell us about national identity social mores and social relations in modern Britain **The Early History of Railway Tunnels** Hubert Pragnell, 2024-08-30 To the early railway traveller the prospect of travelling to places in hours rather than days hitherto was an inviting prospect however a journey was not without its fears as well as excitement To some the prospect of travelling through a tunnel without carriage lighting with smoke permeating the compartment and the confined noise was a horror of the new age What might happen if we broke down or crashed into another train in the darkness To others it was exciting with the light from the footplate flickering against the tunnel walls or spotting the occasional glimpses of light from a ventilation shaft To the directors of early railway companies planning a route was governed by expense and the most direct way Avoiding hills could add miles but tunnelling through them could involve vast expense as the Great Western Railway found at Box and the London and Birmingham at Kilsby Creating a cutting as an alternative was also costly not only in labour and time but also in compensation for landowners who opposed railways on visual and social grounds having seen their land divided by canals Construction involved millions of bricks or blocks of stone for sufficiently thick walls to withstand collapse However the entrance barely seen from the carriage window might be an impressive Italianate arch as at Primrose Hill or a castellated portal worthy of the Middle Ages as at Bramhope This book sets out to tell the story of tunnelling in Britain up to about 1870 when it was a question of burrowing through earth and rock with spade and explosive powder with the constant danger of collapse or flooding leading to injury and death It uses contemporary accounts from the dangers of railway travel by Dickens to the excitement of being drawn through the Liverpool Wapping Tunnel by the young composer Mendelssohn It includes descriptions from early railway company guide books newspapers and diaries It also includes numerous photographs and colored architectural elevations from railway archives

**Imagining Soldiers and Fathers in the Mid-Victorian Era** Susan Walton, 2017-11-30 Beginning with the premise that women's perceptions of manliness are crucial to its construction The author focuses on the life and writings of Charlotte Yonge as a prism for understanding the formulation of masculinities in the Victorian period Yonge was a prolific writer whose bestselling fiction and extensive journalism enjoyed a wide readership The author situates Yonge's work in the context of her family connections with the army showing that an interlocking of worldly and spiritual warfare was fundamental to Yonge's outlook For Yonge all good Christians are soldiers and Walton argues persuasively that the medievalised discourse of sanctified violence executed by upright moral men that is often connected with late nineteenth century Imperialism began earlier in the century and that Yonge's work was one major strand that gave it substance Of significance Yonge also endorsed missionary work which she viewed as an extension of a father's duties in the neighborhood and which was closely allied to a vigorous promotion of refashioned Tory paternalism The author's study is rich in historical context including Yonge's connections with the Tractarians the effects of industrialization and Britain's Imperial enterprises Informed by extensive archival scholarship Walton offers important insights into the contradictory messages about manhood current in the mid nineteenth century through the works of a major but undervalued Victorian author *Wellington: Waterloo and the*

*Fortunes of Peace 1814-1852* Rory Muir, 2015-06-09 The preeminent Wellington biographer presents a fascinating reassessment of the Duke's most famous victory and his political career after Waterloo The Duke of Wellington's momentous victory over Napoleon at the Battle of Waterloo was the culminating point of a brilliant military career Yet Wellington's achievements were far from over He commanded the allied army of occupation in France to the end of 1818 returned home to a seat in Lord Liverpool's cabinet and became prime minister in 1828 He later served as a senior minister in Robert Peel's government and remained Commander in Chief of the Army for a decade until his death in 1852 In this richly detailed work the second and concluding volume of Rory Muir's definitive biography the author offers a substantial reassessment of Wellington's significance as a politician and a nuanced view of the private man behind the legendary hero Muir presents new insights into Wellington's determination to keep peace at home and abroad achieved by maintaining good relations with the Continental powers resisting radical agitation and granting political equality to the Catholics in Ireland Countering one dimensional image of Wellington as a national hero Muir paints a nuanced portrait of a man whose austere public demeanor belied his entertaining gossipy generous and unpretentious private self *Six Centuries of Foxhunting* M. L.

Biscotti, 2017-06-23 Hunting literature had its beginnings as early as the fourteenth century when nobles hunted stag bear fox and other game on horseback As foxhunting grew in popularity literary works that covered the sport flourished as well In *Six Centuries of Foxhunting An Annotated Bibliography* M L Biscotti has compiled all books produced in Great Britain and the United States that pertain to or mention foxhunting with hounds Arranged alphabetically by author more than 2000 titles are included Each entry features details such as place and year of publication publisher book size page count illustrations

and binding Nearly every title is also annotated with a description of the book's contents and biographical sketches are provided for the most notable authors Narratives histories illustrated works verse fiction and even anti hunting literature all have their place in this volume Six Centuries of Foxhunting also features more than thirty images of book covers and foxhunting illustrations With appendixes that contain author title and illustrator time lines and separate author and title indexes this comprehensive bibliography is a valuable resource for researchers book dealers and collectors and foxhunters

*A Mad, Bad, and Dangerous People?* Boyd Hilton, 2008-06-19 In a period scarred by apprehensions of revolution war invasion poverty and disease elite members of society lived in fear of revolt Boyd Hilton examines the changes in society between 1783 1846 and the transformations from raffish and rakish behaviour to the new norms of Victorian respectability

**Rudyard Kipling** W. Dillingham, 2016-01-01 VictorianStudies on theWebCritics Choice Rudyard Kipling Hell and Heroism is an exploration of two fundamental yet greatly neglected aspects of the author's life and writings his deep seated pessimism and his complex creed of heroism The method of the book is both biographical and critical Biographically it traces the roots of Kipling's dark worldview and his search for something to believe in a way of thinking and acting in defiance of life's hellishness There matters were more basic to him than any of his social or political opinions but this the first full length study devoted to them Critically the book takes a fresh and close look at some of Kipling's most important works The result challenges long established assumptions and amounts to a major reconsideration of novels like *Kim* and stories like *Mary Postgate* and *The Gardener* Central in these discussions of individual writings is Kipling's concern with the heroic life but of equal importance is the analysis and evaluation of them as works of art Avoiding the tangled and special language of some recent literary theory this will appeal to a wide audience of those interested in Kipling's mind and art **Wellington** Rory Muir, 2013-12-03 The leading Wellington historian's fascinating reassessment of the Iron Duke's most famous victory and his role in the turbulent politics after Waterloo For Arthur Wellesley First Duke of Wellington his momentous victory over Napoleon was the culminating point of a brilliant military career Yet Wellington's achievements were far from over he commanded the allied army of occupation in France to the end of 1818 returned home to a seat in Lord Liverpool's cabinet and became prime minister in 1828 He later served as a senior minister in Peel's government and remained commander in chief of the army for a decade until his death in 1852 In this richly detailed work the second and concluding volume of Rory Muir's definitive biography the author offers a substantial reassessment of Wellington's significance as a politician and a nuanced view of the private man behind the legend of the selfless hero Muir presents new insights into Wellington's determination to keep peace at home and abroad achieved by maintaining good relations with the Continental powers and resisting radical agitation while granting political equality to the Catholics in Ireland rather than risk civil war And countering one dimensional pictures of Wellington as a national hero Muir paints a portrait of a well rounded man whose austere demeanor on the public stage belied his entertaining gossipy generous and unpretentious private self An

authoritative and enjoyable conclusion to a two part biography Lawrence James Times London Muir conveys the military political social and personal sides of Wellington s career with equal brilliance This will be the leading work on the subject for decades Andrew Roberts author of Napoleon and Wellington The Long Duel     *The Railways* Simon Bradley,2015-09-24 Sunday Times History Book of the Year 2015 Britain s railways have been a vital part of national life for nearly 200 years Transforming lives and landscapes they have left their mark on everything from timekeeping to tourism As a self contained world governed by distinctive rules and traditions the network also exerts a fascination all its own From the classical grandeur of Newcastle station to the ceaseless traffic of Clapham Junction from the mysteries of Brunel s atmospheric railway to the lost routines of the great marshalling yards Simon Bradley explores the world of Britain s railways the evolution of the trains and the changing experiences of passengers and workers The Victorians private compartments railway rugs and footwarmers have made way for air conditioned carriages with airline type seating but the railways remain a giant and diverse anthology of structures from every period and parts of the system are the oldest in the world Using fresh research keen observation and a wealth of cultural references Bradley weaves from this network a remarkable story of technological achievement of architecture and engineering of shifting social classes and gender relations of safety and crime of tourism and the changing world of work *The Railways* shows us that to travel through Britain by train is to journey through time as well as space     **The Oxford Handbook of Charles Dickens** Robert L. Patten,John O. Jordan,Catherine Waters,2018-09-13 The Oxford Handbook of Charles Dickens is a comprehensive and up to date collection on Dickens s life and works It includes original chapters on all of Dickens s writing and new considerations of his contexts from the social political and economic to the scientific commercial and religious The contributions speak in new ways about his depictions of families environmental degradation and improvements of the industrial age as well as the law charity and communications His treatment of gender his mastery of prose in all its varieties and genres and his range of affects and dramatization all come under stimulating reconsideration His understanding of British history of empire and colonization of his own nation and foreign ones and of selfhood and otherness like all the other topics is explained in terms easy to comprehend and profoundly relevant to global modernity     **From the Deer to the Fox** Mandy de Belin,2013-09-01 Between the 17th and 19th centuries the sport of hunting was transformed the principal prey changed from deer to fox and the methods of pursuit were revolutionized Questioning the traditional explanation of the hunting transition namely that change in the landscape led to a decline of the deer population this book explores the terrain of Northamptonshire during that time period and seeks alternative justifications Arguing that the many changes that hunting underwent in England were directly related to the transformation of the hunting horse this in depth account demonstrates how the near thoroughbred horse became the mount of choice for those who hunted in the shires This book shows how quite literally the thrill of the chase drove the hunting transition     *The De-moralization of Society* Gertrude Himmelfarb,1995 As the debate over values grows ever more divisive

one of the most eminent historians of the Victorian era reminds readers that values are no substitute for virtues and that the Victorian considered hard work thrift respectability and charity virtues essential to a worthwhile life      **Bradley's Railway Guide** Simon Bradley,2024-10-10 A lifetime of railway love distilled into a most beautiful volume Lucy Worsley Our railway history could not have been told more palatably or more nourishingly David Kynaston The most attractive comprehensive and easily digestible history of the oldest railway system in the world Michael Palin In 1825 the Stockton Darlington company strode into history with the opening of the world's first public steam railway What the S DR had pioneered soon picked up speed transforming lives and landscapes connecting far flung corners of the nation and creating its own distinctive environments and working worlds This ambitious and lavishly illustrated volume brings the story of Britain's railways to life spanning two centuries of achievement and change Full of colour and incident it is an exhilarating journey through time and space revisiting favourite themes and introducing unfamiliar stories and places With original and engaging entries on everything from dining saloons to collecting dogs wartime salvage efforts and the iconic Rail Alphabet Simon Bradley gives George Bradshaw's famous 19th century guide a run for its money in this fresh and distinctive chronicle of the making of Britain's railways      *Gentlemen of Uncertain Fortune* Rory Muir,2019-10-14 A history of younger sons in Regency England and how these spares supported themselves Illuminates the hard facts with vignettes of actual lives lived The Spectator In Regency England the eldest son usually inherited almost everything while his younger brothers left with little inheritance had to make a crucial decision What should they do to make an independent living Historian Rory Muir weaves together the stories of many obscure and well known young men of good family but small fortune shedding light on an overlooked aspect of Regency society This is the first scholarly yet accessible exploration of the lifestyle and prospects of these younger sons      *Is Heathcliff a Murderer?* Jon Sutherland,2017-11-02 THE SUNDAY TIMES BESTSELLER IN A BRAND NEW EDITION Enchanting the most engagingly boffiny book imaginable Spectator Does Becky kill Jos at the end of Vanity Fair Why does no one notice that Hetty is pregnant in Adam Bede How exactly does Victor Frankenstein make his monster Readers of Victorian fiction often find themselves tripping up on seeming anomalies enigmas and mysteries in their favourite novels In *Is Heathcliff a Murderer* John Sutherland investigates 34 conundrums of nineteenth century fiction paying homage to the most rewarding of critical activities close reading and the pleasures of good natured pedantry      *The Amateur and the Professional* P. J. A. Levine,Philippa Levine,2003-02-13 This book highlights the growing divide in nineteenth century intellectual circles between amateur and professional interest and explores the institutional means whereby professional ascendancy was achieved in the broad field of studies of the past It is concerned with how antiquarian gentlemen of leisure pursuing their interests through local archaeological societies were by the end of the century relegated to the sidelines of the now university based discipline of history At the same time it explores the theological as well as technical barriers which arrested the development of archaeology in this period This is a notable contribution to the intellectual history of Victorian

England attending not simply to the ideas perpetrated by these communities of scholarship but to their social status relating such social consideration to a more traditional intellectual history to create a new social history of ideas      **Notes and Queries**, 1903

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Robert Surtees And Early Victorian Society full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Robert Surtees And Early Victorian Society eBooks, including some popular titles.

## FAQs About Robert Surtees And Early Victorian Society Books

**What is a Robert Surtees And Early Victorian Society PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Robert Surtees And Early Victorian Society PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Robert Surtees And Early Victorian Society PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Robert Surtees And Early Victorian Society PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Robert Surtees And Early Victorian Society PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
