the US government Hollywood unions and motion picture studios Ceplair thoroughly examines the role of Jewish identity in many anti communist efforts a concept that has never been fully examined by scholars and analyzes the actions of subpoenaed witnesses who were forced to choose between cooperating with the House Committee or joining the blacklist This fascinating book is an illuminating examination of a dark period in American history and the fragility of our rights to free speech and due process     *Sight and Sound* ,2002     **Personnel Literature** United States.
