PATRICK MCGILLIGAN

Robert Altman Jumping Off The Cliff

Rybin Steven Rybin

Robert Altman Jumping Off The Cliff:

Robert Altman Patrick McGilligan,1989 Robert Altman Patrick McGilligan,1991-01-01 Traces the life and career of Robert Altman and discusses the production and critical reception of each of his films *Robert Altman's Soundtracks* Gayle Sherwood Magee,2014 Robert Altman s Soundtracks offers a compelling new look at this celebrated director s films through his innovative uses of music and sound As author Gayle Sherwood Magee illustrates Altman s considerable and varied output speaks to the changing film industry over decades from Nashville 1975 to A Prairie Home Companion 2006 **Robert Altman** Rick Armstrong,2014-01-10 The life and work of motion picture director Robert Altman 1925 2006 are interpreted from a variety of perspectives in this collection of essays Actors historians film scholars and cultural theorists reflect on Altman and his five decade career and discuss the significance of music history and genre in his films Two actors who have appeared in some of the filmmaker s most important works are prominently represented with a statement from Elliot Gould MASH The Long Goodbye California Split and an essay by Michael Murphy McCabe and Mrs Miller Nashville Tanner 88 The collection ends with an essay on the importance of death in the director s final productions The Company 2003 and Prairie Home Companion 2006 by noted Altman scholar Robert T Self The Lost Decade Chris Horn,2023-10-19 Provides an analysis of Hollywood from a fresh viewpoint that shows the careers of Robert Altman Francis Coppola William Friedkin and others in the 1980s as far from conforming to a monolithic pattern of decline but rather as diverse and complex responses to political and industrial changes The 1980s are routinely seen as the era of the blockbuster and of Reaganite entertainment whereas the dominant view of late 1960s and early 1970s American film history is that of a Hollywood Renaissance a relatively brief window of artistry based around a select group of directors Yet key directors associated with the Renaissance period remained active throughout the 1980s and their work has been obscured or dismissed by a narrow singular model of American film history This book deals with industrial contexts that conditioned these directors ability to work creatively but it is also very much about the analysis of individual films bringing to light a range of unheralded work from the visual experimentation of One from the Heart Coppola 1981 to the experimental production contexts of Secret Honor Altman 1984 and the stylistic lan of To Live and Die in L A Friedkin 1985 Behind the homogenous picture of the decline of the auteur in 1980s American cinema are films and careers that merit greater attention and this book offers a new way to perceive individual films American film history and the viability of sustained authorial creativity within post studio era Hollywood Robert Altman Patrick McGilligan,1989-07-15 The most prodigal prolific and visionary director to emerge from post sixties Hollywood Robert Altman is a man whose mystique sometimes threatens to overshadow his many critically acclaimed films including MASH **Robert Altman** Frank Caso,2015-10-15 Known as an iconoclast and maverick film director Robert Altman has consistently pushed against the boundaries of genre From refashioning film noir in The Long Goodbye the western in McCabe Mrs Miller the psychological drama in Images science fiction in Quintet and the romantic comedy in A

Perfect Couple he has always tested the limits of what film can and should do In this book Frank Caso examines the development of Altman s artistic method from his earliest days in industrial film to his work in television and feature films Altman is one of those directors whose films audiences can easily recognize but what exactly are the distinctive elements that have become his signature Caso identifies more than twenty such elements in Altman s style tracing some such as his use of free hand cameras and engagement with Christian imagery to the beginning of his career Caso also examines Altman s unsettling mix of offbeat comedic tone with a predominance of violence murder and death showing how their counterpointing effects rendered his films at once naturalistic and otherworldly Exploring these and other aspects of the Altmanesque style Caso maps the innovations that have made Altman a master filmmaker Enriched with illustration throughout Robert Altman will appeal to fans of this distinctive American auteur or anyone interested in ground breaking cinema

A Companion to Film Noir Andre Spicer,Helen Hanson,2013-06-27 An authoritative companion that offers a wide ranging thematic survey of this enduringly popular cultural form and includes scholarship from both established and emerging scholars as well as analysis of film noir s influence on other media including television and graphic novels Covers a wealth of new approaches to film noir and neo noir that explore issues ranging from conceptualization to cross media influences Features chapters exploring the wider noir mediascape of television graphic novels and radio Reflects the historical and geographical reach of film noir from the 1920s to the present and in a variety of national cinemas Includes contributions from both established and emerging scholars

Beyond the Stars Paul Loukides,Linda K. Fuller,1991 The third of five volumes of new scholarship on American movie conventions The 19 essays explore cinematic representations of such material items as food weapons clothing tools technology and art and literature Not illustrated No index Paper edition unseen 13 95 Annotation copyright by Book News Inc Portland OR

The Brothers Grim Erica Rowell,2007-05-30 In 1984 Joel and Ethan Coen burst onto the art house film scene with their neo noir Blood Simple and ever since then they have sharpened the cutting edge of independent film Blending black humor and violence with unconventional narrative twists their acclaimed movies evoke highly charged worlds of passion absurdity nightmare realms and petty human failures all the while revealing the filmmakers penchant for visual jokes and bravura technical strokes Their central characters may be blind to reality and individual flaws but their illusions dreams fears and desires map the boundaries of their worlds worlds made stunningly memorable by the Coens In *The Brothers Grim* The Films of Ethan and Joel Coen Erica Rowell unmasks the filmmakers as prankster mythmakers exploiting and subverting universal storytelling modes to further what seems to be their artistic agenda to elicit laughs Often employing satire and allegory the Coens movies hold a mirror up to American society allowing viewers to both chuckle and gasp at its absurdities hypocrisies and foibles From business partnerships *Blood Simple* *The Ladykillers* to marriage *Intolerable Cruelty* to friendship and ethics Miller s *Crossing the breakdowns* of relationships are a steady focus in their work Often the Coens satires put broken social institutions in their cinematic crosshairs exposing cracks in ineffective penal

systems Raising Arizona O Brother Where Art Thou unjust justice systems The Man Who Wasn't There a crooked corporate America The Hudsucker Proxy unnecessary wars The Big Lebowski a tyrannical Hollywood Barton Fink and the unbridled fatuous pursuit of the American Dream Fargo While audiences may be excused for missing the duo's social commentary the depth and breadth of the brothers' films bespeak an intelligence and cultural acuity that is rich, highly topical and hard to pigeonhole

Geraldine Chaplin Rybin Steven Rybin, 2020-09-21 Geraldine Chaplin is the most distinguished actor among Charlie Chaplin's children. Through her collaborations with major international film directors she has created a striking performative presence across international cinema. Her acting also evokes, with varying levels of self-consciousness and in shifting cinematic contexts, the memory of her father's screen performances. This book analyses the distinctive screen art of Geraldine Chaplin and uncovers parallels between her performances and her father's work on film. Through this method, this star study explores the rich and surprising relationships between art cinema and silent film comedy and between modernist and classical cinematic performance. It offers a long overdue appreciation of Geraldine Chaplin's own remarkable screen achievements, all the while shedding new insight into the art of Charlie Chaplin through the singular prism of his daughter's bold work.

Squeaky Jess Bravin, 2020-05-01 In the early 1950s Lynette Fromme's world was more or less a paint-by-numbers existence that millions of other suburban children were living in. Southern California, red-haired, freckled and convivial, she was the child of an in absentia workaholic father and a reclusive mother. She sang in the school choir and her dance troupe performed before President Eisenhower. As a young teenager she wrote forlorn poetry. Beyond her neighborhood, the counter culture of Los Angeles was thriving. Lynette began getting interested in, then became attracted to, the freedoms of that world. Little by little she began losing her way. That day on the beach marked Lynette's introduction to the world of shade. Charles Manson, freshly released from prison, became her guide to illegal drugs and social outcasts. Over the course of a decade Lynette would change until she found herself imprisoned for the term of her natural life in the custody of the Attorney General of the United States for attempting to assassinate then president Gerald Ford. Meticulously researched for over three and a half years with hundreds of interviews and thousands of pages of testimony to review in **Squeaky**, author Jess Bravin has created a psychosocial masterpiece of one American girl who ran away and ran too far.

Roman Catholicism in the United States Margaret M. McGuinness, James T. Fisher, 2019-02-05 A collection of essays providing an extensive history of Catholicism in America from numerous perspectives. Roman Catholicism in the United States: A Thematic History takes the reader beyond the traditional ways scholars have viewed and recounted the story of the Catholic Church in America. The collection covers unfamiliar topics such as anti-Catholicism, rural Catholicism, Latino Catholics and issues related to the establishment of diplomatic relations between the Vatican and the US government. The book continues with fascinating discussions on popular culture, film and literature, women, religious and the work of US missionaries in other countries. The final section of the book is devoted to Catholic social teaching, tackling challenging and

sometimes controversial subjects such as the relationship between African American Catholics and the Communist Party Catholics in the civil rights movement the abortion debate issues of war and peace and Vatican II and the American Catholic Church Roman Catholicism in the United States examines the history of US Catholicism from a variety of perspectives that transcend the familiar account of the immigrant urban parish which served as the focus for so many American Catholics during the nineteenth and first half of the twentieth centuries Praise for Roman Catholicism in the United States All of the essays are informative and written in a style suitable to both novices and scholars of American Catholic history Choice Any scholar currently writing books or articles on American Catholic history would do well to pick up this volume American Catholic Studies I've seen the future of American Catholic studies and it is in this superb collection of consistently engaging provocative and well written essays This is now required reading for scholars and students of the Catholic experience in the United States Mark Massa S J Director The Boisi Center for Religion and American Public Life Boston College

Cinema's Doppelgängers Doug Dibbern, 2021-06-14 Cinema's Doppelgängers is a counterfactual history of the cinema or perhaps a work of speculative fiction in the guise of a scholarly history of film and movie guide That is it's a history of the movies written from an alternative unfolding of historical time a world in which neither the Bolsheviks nor the Nazis came to power and thus a world in which Sergei Eisenstein never made movies and German filmmakers like Fritz Lang never fled to Hollywood a world in which the talkies were invented in 1936 rather than 1927 in which the French New Wave critics didn't become filmmakers and in which Hitchcock never came to Hollywood The book attempts on the one hand to explore and expand upon the intrinsically creative nature of all historical writing like all works of fiction its ultimate goal is to be a work of art in and of itself But it also aims on the other hand to be a legitimate examination of the relationship between the economic and political organization of nations and film industries and the resulting aesthetics of film and thus of the dominant ideas and values of film scholarship and criticism Doug Dibbern's first book Hollywood Riots Violent Crowds and Progressive Politics in American Film won the 2016 Peter Rollins Prize He has published scholarly essays on classical Hollywood filmmakers film criticism for The Notebook at Mubi.com and literary essays for journals like Chicago Quarterly Review and Hotel Amerika He has a Ph.D. in Cinema Studies from New York University where he teaches now in the Expository Writing Program

High Concept Justin Wyatt, 1994 Steven Spielberg once said I like ideas especially movie ideas that you can hold in your hand If a person can tell me the idea in twenty five words or less it's going to make a pretty good movie Spielberg's comment embodies the essence of the high concept film which can be condensed into one simple sentence that inspires marketing campaigns lures audiences and separates success from failure at the box office This pioneering study explores the development and dominance of the high concept movie within commercial Hollywood filmmaking since the late 1970s Justin Wyatt describes how box office success always important in Hollywood became paramount in the era in which major film studios passed into the hands of media conglomerates concerned more with the

economics of filmmaking than aesthetics In particular he shows how high concept films became fully integrated with their marketing so that a single phrase Just when you thought it was safe to go back in the water could sell the movie to studio executives and provide copy for massive advertising campaigns a single image or a theme song could instantly remind potential audience members of the movie and tie in merchandise could generate millions of dollars in additional income

Reelpolitik Ideologies in American Political Film Beverly Merrill Kelley,2012-03-22 In Reelpolitik Ideologies in American Political Film Beverly Merrill Kelley examines more than a century of political movie history providing a thorough historical background for diametrically opposed political ideologies in order to facilitate debate and dialectical learning Kelley explores 185 American political movies categorized by ideological themes and presented in chronological order in order to illustrate the history of film as well as the history of the specific political ideology Each chapter includes a case study which provides an in depth analysis of the single film that best illustrates the ideology at hand including The Candidate populism Wall Street elitism The Godfather fascism All the President s Men anti fascism Patton interventionism and M A S H isolationism Reelpolitik Ideologies in American Political Film establishes a paradigmatic analysis of political films that details the cyclical nature of ideological dialectic throughout American history and identifies the values attitudes and beliefs of the voters who choose not to affiliate with Republicans and Democrats and who often determine the outcomes of elections The text also includes an extensive ideological filmology spanning more than 100 years of American cinema This study represents a bold investigation of the political and social values of American film and is an essential text in the study of the relationship between culture and politics

Film - An International Bibliography Malte Hagener,Michael Töteberg,2016-12-16 Kommentierte Bibliografie Sie gibt Wissenschaftlern Studierenden und Journalisten zuverl ssig Auskunft ber rund 6000 internationale Ver ffentlichungen zum Thema Film und Medien Die vorgestellten Rubriken reichen von Nachschlagewerk ber Filmgeschichte bis hin zu Fernsehen Video Multimedia

Casting Might-Have-Beens Eila Mell,2015-01-24 Some acting careers are made by one great role and some fall into obscurity when one is declined Would Al Pacino be the star he is today if Robert Redford had accepted the role of Michael Corleone in The Godfather Imagine Tom Hanks rejecting Uma Thurman saying that she acted like someone in a high school play when she auditioned to play opposite him in The Bonfire of the Vanities Picture Danny Thomas as The Godfather or Marilyn Monroe as Cleopatra This reference work lists hundreds of such stories actors who didn t get cast or who turned down certain parts Each entry organized alphabetically by film title gives the character and actor cast a list of other actors considered for that role and the details of the casting decision Information is drawn from extensive research and interviews From About Last Night which John Belushi turned down at his brother s urging to Zulu in which Michael Caine was not cast because he didn t look Cockney enough this book lets you imagine how different your favorite films could have been

A Companion to Robert Altman Adrian Danks,2015-03-31 A Companion to Robert Altman presents myriad aspects of Altman s life career influence and historical context This book features 23 essays

from a range of experts in the field providing extensive coverage of these aspects and dimensions of Altman's work. The most expansive and wide-ranging book yet published on Altman providing a comprehensive account of Altman's complete career. Provides discussion and analysis of generally neglected aspects of Altman's career including the significance of his work in television and industrial film, the importance of collaboration and the full range and import of his aesthetic innovations. Includes essays by key scholars in Altman studies bringing together experts in the field, emerging scholars and writers from a broad range of fields. Multi-disciplinary in design and draws on a range of approaches to Altman's work, being the first substantial publication to make use of the recently launched Robert Altman Archive at the University of Michigan. Offers specific insights into particular aspects of film style and their application, industrial and aesthetic film and TV history and particular areas such as the theorisation of space, place, authorship and gender. *The Seventies* Vincent

LoBrutto, 2021-05-12 A fascinating year-by-year history of American film in the seventies, a decade filled with innovations that reinvented the medium and showed that movies can be more than entertainment. In *The Seventies: The Decade That Changed American Film Forever*, Vincent LoBrutto tracks the changing of the guard in the 1970s from the classic Hollywood studio system to a new generation of filmmakers who made personal movies targeting a younger audience. He covers in kaleidoscopic detail the breadth of American cinema during the 1970s with analyses of the movies, biographical sketches of the filmmakers and an examination of the innovative production methods that together illustrate why the seventies were unique in American film history. Featuring iconic filmmakers such as Martin Scorsese, Steven Spielberg and Francis Ford Coppola and films such as *The Godfather*, *Jaws*, *Taxi Driver* and *The Exorcist*, this book reveals how the seventies challenged the old guard in groundbreaking and exciting ways, ushering in a new Hollywood era whose impact is still seen in American film today.

This is likewise one of the factors by obtaining the soft documents of this **Robert Altman Jumping Off The Cliff** by online. You might not require more period to spend to go to the ebook launch as well as search for them.
