 Edward Alden Edward provides commentary on the current national issues in the U S including health and wellness politics
 and race relations Alden reminds us that when dealing with difficult issues such as the pandemic or racial equality we should
 all just BREATHE This is a book about life in 2020 **Internment during the Second World War** Rachel
 Pistol,2017-09-07 The internment of enemy aliens during the Second World War was arguably the greatest stain on the Allied
 record of human rights on the home front Internment during the Second World War compares and contrasts the experiences
 of foreign nationals unfortunate enough to be born in the wrong nation when Great Britain and later the USA went to war
 While the actions and policy of the governments of the time have been critically examined Rachel Pistol examines the
 individual stories behind this traumatic experience The vast majority of those interned in Britain were refugees who had fled
 religious or political persecution in America the majority of those detained were children Forcibly removed from family
 friends and property internees lived behind barbed wire for months and years Internment initially denied these people the
 right to fight in the war and caused unnecessary hardships to individuals and families already suffering displacement
 because of Nazism or inherent societal racism In the first comparative history of internment in Britain and the USA memoirs
 letters and oral testimony help to put a human face on the suffering incurred during the turbulent early years of the war and
 serve as a reminder of what can happen to vulnerable groups during times of conflict Internment during the Second World
 War also considers how these tragedies of democracy have been remembered over time and how the need for the
 memorialisation of former sites of internment is essential if society is not to repeat the same injustices **Chicken Soup**
for the Soul: Making Me Time Amy Newmark,2021-02-16 Me time is the cure for what ails you You know you need it Here
 s how to take care of yourself so that you can be the very best version of you Do you ever say that you ll take care of yourself

 list Self care and life balance are what we all neglect most These 101 true stories from people who turned their lives around
 will show you how to take care of your physical and mental health You ll be inspired by people who have taken back control
 of their lives and carved out that all important me time whether that means exercising reading meditating seeing friends or

communing with nature Whatever your psyche needs is your form of me time and that s something that you deserve There are many approaches and at least one of them is bound to work for you In these pages you ll read about men and women who Put an hour for themselves on their daily to do lists Pursued long delayed sports hobbies or volunteer work Discovered themselves through travel fitness or new careers Learned to ask for help instead of doing it all Started treating themselves as well as they would treat a guest Stopped seeing the people who weren t making them happy Rediscovered the benefits of exercising and being outside in nature Created their own personal spaces in their homes or outdoors Decluttered their calendars or their homes and felt liberated *Queer Intercultural Communication* Shinsuke Eguchi, Bernadette

Calafell, 2019-10-01 Queer Intercultural Communication helps to expand the field of queer studies to consider cultural difference and how it affects everyday communication across the globe Authoritative essays present cases of LGBTQ people in and across race ethnicity gender culture nation and bodies *Dynasties Intertwined* Matt King, 2022-06-15 *Dynasties Intertwined* traces the turbulent relationship between the Zirids of Ifriqiya and the Normans of Sicily during the eleventh and twelfth centuries In doing so it reveals the complex web of economic political cultural and military connections that linked the two dynasties to each other and to other polities across the medieval Mediterranean Furthermore despite the contemporary interfaith holy wars happening around the Zirids and Normans their relationship was never governed by an overarching ideology like jihad or crusade Instead both dynasties pursued policies that they thought would expand their power and wealth either through collaboration or conflict The relationship between the Zirids and Normans ultimately came to a violent end in the 1140s when a devastating drought crippled Ifriqiya The Normans seized this opportunity to conquer lands across the Ifriqiyian coast bringing an end to the Zirid dynasty and forming the Norman kingdom of Africa which persisted until the Almohad conquest of Mahdia in 1160 Previous scholarship on medieval North Africa during the reign of the Zirids has depicted the region as one of instability and political anarchy that rendered local lords powerless in the face of foreign conquest Matt King shows that to the contrary the Zirids and other local lords in Ifriqiya were integral parts of the far reaching political and economic networks across the Mediterranean Despite the eventual collapse of the Zirid dynasty at the hands of the Normans *Dynasties Intertwined* makes clear that its emirs were active and consequential Mediterranean players for much of the eleventh and twelfth centuries with political agency independent of their Christian neighbors across the Strait of Sicily **Children's Books in Print, 2007** ,2006
