Cornell Studies in English ,1925 Association and Enlightenment Mark C. Wallace,Jane Rendall,2020-12-18 Social clubs as they existed in eighteenth and early nineteenth century Scotland were varied they could be convivial sporting or

scholarly or they could be a significant and dynamic social force committed to improvement and national regeneration as well as to sociability The essays in this volume examine the complex history of clubs and societies in Scotland from 1700 to 1830 Contributors address attitudes toward associations their meeting places and rituals their links with the growth of the professions and with literary culture and the ways in which they were structured by both class and gender By widening the context in which clubs and societies are set the collection offers a new framework for understanding them bringing together the inheritance of the Scottish past the unique and cohesive polite culture of the Scottish Enlightenment and the broader context of associational patterns common to Britain Ireland and beyond

Edinburgh History of the Book in Scotland, Volume 4: Professionalism and Diversity 1880-2000 David Finkelstein, 2007-11-23 In this volume a range of distinguished contributors provide an original analysis of the book in Scotland during a period that has been until now greatly under researched and little understood The issues covered by this volume include the professionalisation of publishing its scale technological developments the role of the state including the library service the institutional structure of the book in Scotland industrial relations union activity and organisation women and the Scottish book and the economics of publishing Separate chapters cover Scottish publishing and literary culture publishing genres the art of print culture distribution and authors and readers The volume also includes an innovative use of illustrative case studies
