Robert Browning And His World The Private Face 18121861

Maisie Ward

Robert Browning And His World The Private Face 18121861:

Robert Browning and His World: The private face, 1812-1861 Maisie Ward, 1967 **Robert Browning** Stefan Hawlin, 2012-09-10 Accessibly written throughout this guidebook covers biographical details information on the historical and social contexts of Browning's work an overview of the full range of his work and a survey of the major critical debates surrounding him and his work **The Company of the Creative** David L. Larsen, Great works and authors of the world are introduced and reviewed artistically intellectually and theologically Persons discussed include Plato Milton Dickens Shakespeare Charlotte Bronte Mark Twain and C S Lewis **There Were Also Many Women There** Katherine E. Harmon, 2013-01-01 Where are the women in liturgical history In considering the influential liturgical movement in the United States during the first half of the twentieth century Katharine E Harmon reveals that the reality is analogous to Matthew's account of the crucifixion of Jesus there were also many women there Matt 27:55 In this groundbreaking study Harmon considers women's involvement in the movement Here readers explore the contributions of Maisie Ward Dorothy Day Catherine deHueck Doherty Ade Bethune Therese Mueller and many others Harmon shows how movements and institutions such as progressivism Catholic women's organizations Catholic Action the American Grail Movement and daily Catholic family life played a prominent role in the liturgical renewal The historical record is clear that women were there they ministered to the Mystical Body and their important work must be recognized **Robert Browning's Father: His Way with a Book** Albert Foster Butler, 1969 *Browning* Roy E. Gridley, 2016-04-28 First published in 1972 Browning was a keen observer and dramatic recorder of nineteenth century European culture his poetry reflects a wide range of intellectual religious and artistic issues of his day Roy E Gridley shows here that during the six decades of Browning's active writing career 1832-89 his poetry is a record and an interpretation of the changing modes of thought feeling and expression of nineteenth century life Browning was a romantic who by virtue of his realistic and often revolutionary poetry became a modern and had considerable influence on writers such as Yeats Eliot and Pound While surveying the whole of Browning's life and work Gridley focuses closely on the more famous poems examining them as documents that give the general reader a deeper appreciation of the richness and diversity of life in Victorian Europe *The Soul's Code* James Hillman, 2017-08-01 An acute and powerful vision offers a renaissance of humane values Thomas Moore author of *Care of the Soul* and *The Re Enchantment of Everyday Life* Plato called it daimon the Romans genius the Christians guardian angel today we use such terms as heart spirit and soul While philosophers and psychologists from Plato to Jung have studied and debated the fundamental essence of our individuality our modern culture refuses to accept that a unique soul guides each of us from birth shaping the course of our lives In this extraordinary bestseller James Hillman presents a brilliant vision of our selves and an exciting approach to the mystery at the center of every life that asks What is it in my heart that I must do be and have And why Drawing on the biographies of figures such as Ella Fitzgerald and Mohandas K Gandhi Hillman argues that character is

fate that there is more to each individual than can be explained by genetics and environment The result is a reasoned and powerful road map to understanding our true nature and discovering an eye opening array of choices from the way we raise our children to our career paths to our social and personal commitments to achieving excellence in our time Praise for The Soul's Code Champions a glorious sort of rugged individualism that with the help of an inner daimon or guardian angel can triumph against all odds The Washington Post Book World A brilliant absorbing work Hillman dares us to believe that we are each meant to be here that we are needed by the world around us Publishers Weekly **Elizabeth Barrett Browning**

Dorothy Mermin, 1989-06-15 Elizabeth Barrett Browning 1806-61 was the first major woman poet in the English literary tradition Her significance has been obscured in this century by her erasure from most literary histories and her exclusion from academic anthologies Dorothy Mermin's critical and biographical study argues for Barrett Browning's originaive role in both the Victorian poetic tradition and the development of women's literature Barrett Browning's place at the wellhead of a new female tradition remains the single most important fact about her in terms of literary history and it was central to her self consciousness as a poet Mermin's study shows that Barrett Browning's anomalous situation was constantly present to her imagination and that questions of gender shaped almost everything she wrote Mermin argues that Barrett Browning's poetry covertly inspects and dismantles the barriers set in her path by gender and that in her major works Sonnets from the Portuguese Aurora Leigh her best political poems A Musical Instrument difficulty is turned into triumph incorporating the author's femininity her situation as a woman poet and her increasingly substantial fame Mermin skillfully interweaves biography and close readings of the poems to show precisely how Barrett Browning's life as a woman writer is a part of the essential meaning of her art Both her personal and her literary achievements are exceptionally well documented especially for her formative years Mermin makes extensive use of the poet's early essays a diary covering most of her twenty sixth year and the enormous number of letters that have survived Ranging from her earliest ambitions through her long periods of discouragement and illness to her happy married life with Robert Browning this comprehensive study of Elizabeth Barrett Browning is essential reading for students of the Victorian period English literature and women's studies Creative Malady George Pickering, 2025-09-01 In this highly provocative book originally published in 1974 Sir George Pickering former Professor of Medicine in the University of London and Regius Professor in the University of Oxford examines the role of illness in the minds and lives of Charles Darwin Florence Nightingale Freud Proust Elizabeth Barrett Browning and Mary Baker Eddy At the age of twenty six Darwin returned from the voyage of the Beagle a vigorous young naturalist Within two years he became a recluse and so remained until he died Florence Nightingale came back from the Crimea at the age of thirty six a national heroine Within a year she was an invalid within two bedridden Yet she lived to ninety Both used illness as a social weapon Darwin so that he could give his undivided attention to the theory of evolution Florence Nightingale to bludgeon reluctant officials and to keep unwanted relatives at bay With Mary Baker Eddy Freud and Proust psychological

illness played a totally different role Christian Science psychoanalysis and la recherche du temps perdu each owed its very existence to its creator s attempted or successful self cure while with Elizabeth Barrett Browning who at first sight seems a similar psychological creator illness and creativity turn out to have no link Creative Malady is a masterpiece of biographical detective work For the first time the relationship between illness and creativity was explored Each of the eminent Victorians described was possessed by a dominating passion and in each case the author shows what happened when that passion was thwarted or fulfilled Today it can be read in its historical context This book is a re issue originally published in 1974 The language used and views portrayed are a reflection of its era and no offence is meant by the Publishers to any reader by this re publication *Routledge Library Editions: Victorian Poetry* Various Authors,2021-02-25 This set reissues 4 books on Victorian poetry originally published between 1966 and 2003 The volumes focus predominantly on the works of Emily Dickinson Elizabeth Barrett and Robert Browning This set will be of particular interest to students of English literature

Aurora Leigh and Other Poems Elizabeth Browning,2006-01-26 Aurora Leigh 1856 Elizabeth Barrett Browning s epic novel in blank verse tells the story of the making of a woman poet exploring the woman question art and its relation to politics and social oppression The texts in this selection are based in the main on the earliest printed versions of the poems What Edgar Allan Poe called her wild and magnificent genius is abundantly in evidence In addition to Aurora Leigh this volume contains poetry from the several volumes of Elizabeth Barrett Browning s published poetry from 1826 to 1862 including Casa Guidi Windows 1851 Songs for the Ragged Schools of London 1854 and the British Library manuscript text of the Sonnets from the Portuguese 1846 which records her courtship with Robert Browning **New York Times Saturday Review of Books and Art** ,1973 **Browning Society Notes** ,1970 *Studies* Browning Institute,1975 **Public Library Catalog** ,1974 The Humanism of Robert Browning Nadia O. M. Abou'l Magd,1971 **Library Journal** Melvil Dewey,Karl Brown,Bertine Emma Weston,Helen E. Wessells,1967 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Juniorlibraries 1954 May 1961 Issued also separately Society Notes Browning Society (London, England),1970 **Harriet Hosmer, American Sculptor, 1830-1908** Dolly Sherwood,1991 Biography Index Bea Joseph,1971 A cumulative index to biographical material in books and magazines
