Robert Burns The Tinder Heart:

Robert Burns Hugh Douglas,1996 This book casts new light on Robert Burns stormy relationships with the women in his life and shows how important these are in arriving at an understanding of his work **Robert Burns, the Tinder Heart** Hugh Douglas,1996 In this new study Hugh Douglas has sought out the truth about Burns to show behind the usual portrayal a man who was much less secure than his actions suggest one for whom sex was an act of rebellion as well as of love His peasant background was a shaping force in his attitude to women Though amorous love was the impulse which drove him to verse his love for his children usually transcended that for their mothers Burns called himself an extravagant prodigal of affection and Hugh Douglas here looks anew at that extravagance which shaped Burns life and poetry He traces his relationship with women from a loving apprenticeship at his mother s knee to Jean Armour his loyal supportive wife **The G. De Lancey Ferguson,2023-07-10 In *Pride and Passion Robert Burns 1759-1796* J De Lancey Ferguson offers a meticulous examination of the life and works of Scotland s national bard Robert Burns Ferguson navigates the interplay between Burns passionate drive for justice and his poignant reflections on love life and the human experience Employing a lyrical prose style that mirrors Burns own the narrative juxtaposes biographical details with a critical analysis of his poetry situating the poet within the socio political landscapes of 18th century Scotland characterized by Enlightenment thought and burgeoning national identity The book s thematic structure not only traces Burns journey but also serves as a commentary on the conditions that shaped his artistic voice and vision J De Lancey Ferguson a noted scholar of Scottish literature draws upon extensive research and a

Richard Dyer-Bennet Paul Jenkins,2011-01-01 In the 1940s and 50s Richard Dyer Bennet 1913 1991 was among the best known and most respected folk singers in America Paul O Jenkins tells for the first time the story of Dyer Bennet often referred to as the Twentieth Century Minstrel Dyer Bennet s approach to singing sounded almost foreign to many American listeners The folk artist followed a musical tradition in danger of dying out The Swede Sven Scholander was the last European proponent of minstrelsy and served as Dyer Bennet s inspiration after the young singer traveled to Stockholm to meet him one year before Scholander s

death Dyer Bennet's achievements were many Nine years after his meeting with Scholander he became the first solo performer of his kind to appear in Carnegie Hall This book argues Dyer Bennet helped pave the way for the folk boom of the mid 1950s and early 1960s finding his influence in the work of Joan Baez Judy Collins and many others It also posits strong evidence that Dyer Bennet would certainly be much better known today had his career not been interrupted midstream by the anticommunist Red scare blacklist and its ban on his performances

The Complete Works of Robert Burns Robert Burns, 1887 **The Complete Writings of Robert Burns** Robert Burns, 1927 *The Complete Works of Robert Burns* Robert Burns, Robert Burns the chief of the peasant poets of Scotland was born in a little mud walled cottage on the banks of Doon near Alloway's auld haunted kirk in the shire of Ayr on the 25th day of January 1759 As a natural mark of the event a sudden storm at the same moment swept the land the gable wall of the frail dwelling gave way and the babe bard was hurried through a tempest of wind and sleet to the shelter of a securer hovel He was the eldest born of three sons and three daughters his father William who in his native Kincardineshire wrote his name Burness was bred a gardener and sought for work in the West but coming from the lands of the noble family of the Keiths a suspicion accompanied him that he had been out as rebellion was softly called in the forty five a suspicion fatal to his hopes of rest and bread in so loyal a district and it was only when the clergyman of his native parish certified his loyalty that he was permitted to toil This suspicion of Jacobitism revived by Burns himself when he rose into fame seems not to have influenced either the feelings or the tastes of Agnes Brown a young woman on the Doon whom he wooed and married in December 1757 when he was thirty six years old To support her he leased a small piece of ground which he converted into a nursery and garden and to shelter her he raised with his own hands that humble abode where she gave birth to her eldest son The elder Burns was a well informed silent austere man who endured no idle gaiety nor indecorous language while he relaxed somewhat the hard stern creed of the Covenanting times he enforced all the work day as well as sabbath day observances which the Calvinistic kirk requires and scrupled at promiscuous dancing as the staid of our own day scruple at the waltz His wife was of a milder mood she was blest with a singular fortitude of temper was as devout of heart as she was calm of mind and loved while busied in her household concerns to sweeten the bitterer moments of life by chanting the songs

and ballads of her country of which her store was great The garden and nursery prospered so much that he was induced to widen his views and by the help of his kind landlord the laird of Doonholm and the more questionable aid of borrowed money he entered upon a neighbouring farm named Mount Oliphant extending to an hundred acres This was in 1765 but the land was hungry and sterile the seasons proved rainy and rough the toil was certain the reward unsure when to his sorrow the laird of Doonholm a generous Ferguson died the strict terms of the lease as well as the rent were exacted by a harsh factor and with his wife and children he was obliged after a losing struggle of six years to relinquish the farm and seek shelter on the grounds of Lochlea some ten miles off in the parish of Tarbolton When in after days men s characters were in the hands of his eldest son the scoundrel factor sat for that lasting portrait of insolence and wrong in the Twa Dogs In this new farm William Burns seemed to strike root and thrive He was strong of body and ardent of mind every day brought increase of vigour to his three sons who though very young already put their hands to the plough the reap hook and the flail But it seemed that nothing which he undertook was decreed in the end to prosper after four seasons of prosperity a change ensued the farm was far from cheap the gains under any lease were then so little that the loss of a few pounds was ruinous to a farmer bad seed and wet seasons had their usual influence The gloom of hermits and the moil of galley slaves as the poet alluding to those days said were endured to no purpose when to crown all a difference arose between the landlord and the tenant as to the terms of the lease and the early days of the poet and the declining years of his father were harassed by disputes in which sensitive minds are sure to suffer *The prose works of Robert Burns* Robert Burns, 1816
