Schmidt, 1997 A preeminent writer and illustrator of children's books Robert Lawson 1892 1957 is the only figure within children's literature to have won both the Caldecott and Newbery medals Over the course of his thirty year career Lawson illustrated nearly fifty books by others and wrote and illustrated some twenty books of his own His role in defining the style of children's literature at mid century was pivotal Lawson's illustrations capture character and quirks with great humor and expressiveness his prose reflects solid American values of liberty courage and hard work and inventively combines elements of history fantasy realism and autobiography In Robert Lawson the first book length treatment of its subject Gary D Schmidt argues that Lawson deserves continuing attention for two reasons his ability to push literary genres to their limits and his influence on later illustrators in the realm of children's literature Arranging his presentation by genre Schmidt inspects the autobiographical works in which Lawson used personal reminiscence and picture book format to tell the story of his own family historical fantasies a genre Lawson created by using as story narrator the imagined pets of figures like Ben Franklin and Paul Revere the renowned Rabbit Hill volumes incorporating realism fantasy and autobiography and advocating tolerance and the whimsical nonsense tales in which Lawson merged the realistic and the fantastical to create priceless works of entertainment Separate chapters are devoted to Lawson's collaborative endeavors and to his last book 1957's *The Great Wheel* to appraise its melding of form and message In even handed fashion Schmidt addresses too the works that are dated inaccessible or ill conceived and the ones that treat African Americans in a harsh light Serving to elucidate the discussions throughout are plentiful reproductions of Lawson's artwork The only extant study to assess all the works of a gifted writer illustrator Robert Lawson makes an ideal supplement for courses in children's literature children's illustration and the teaching of reading BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved
