## Robert Wells Selected Poems:

*Veii and Other Poems* Robert Wells, 2021-07-29      *Selected Poems* Robert Wells, 1986 In his *Selected poems* Robert Wells includes the best work from his first book new poems and extracts from his acclaimed translations of Theocritus Idylls and Virgil's Georgics      **Collected Poems and Translations** Robert Wells, 2009 Developing and expanding the explorations of previous works this mature collection invokes shepherds and farm laborers lakes and swimmers and the changes of the seasons amid a play of light and shade abandon and reserve Suffused with the scents and colors of the Mediterranean landscape these quietly thoughtful poems choose subtle over obvious effects yet convey an astounding force and beauty Meditating upon erotic and rural themes these poems reveal an affirmation of the unending power of language through short love lyrics portrait poems anecdotes satirical epigrams and beautifully crafted narratives of travel and memory      Selected Poems Robinson Jeffers, 1987 Once the subject of a literary cult American poet Robinson Jeffers 1887 1962 was later rejected by liberal taste and by the academic establishment But in the last decade he has found a new audience His indictments of the modern world are increasingly pertinent the passion behind his writing his subtle and strong rhythms and his clear-sightedness set him in a class of his own Colin Falck suggests that the neglect of Jeffers may be a measure of the spiritual void at the heart of our culture and a confirmation of some of his direst insights Jeffers's work has an energy and a spiritual intensity which are increasingly rare in poetry Colin Falck draws mainly from Jeffers's shorter poems for this centenary edition but also includes an extract from the celebrated translation of Euripides's Medea      **New Selected Poems** Thom Gunn, 2025-06-25 A new selection of poems by the celebrated gay poet Thom Gunn has been described as one of the most singular and compelling poets in English during the past half century Times Literary Supplement Gunn was an Elizabethan poet in modern guise though there's nothing archaic quaint or sepia-toned about his poetry His method was dispassionate and rigorous uniquely well suited for making a poetic record of the tumultuous time in which he lived Gunn's dozens of brilliantly realized poems about nature friendship literature sexual love and death are set against the ever-changing backdrop of San Francisco the druggy politically charged sixties and the plague years of AIDS in the eighties Perhaps no contemporary poet was better equipped by temperament circumstance or poetic gift to engage the subjects of eros and thanatos than Thom Gunn This New Selected Poems compiled by his friend Clive Wilmer and accompanied by insightful notes is the first edition to represent the full arc of Gunn's inimitable career      *Selected Poems* Ian McMillan, 1987 Born in Barnsley in 1957 Ian McMillan published his first book of poems The Changing Problem in 1980 Baleful satirical playful amorous his poems range in style and effect The poems are characterized by their empathetic intelligence and rhythmic tact      Selected Poems of Thom Gunn Thom Gunn, 2017-07-04 Thom Gunn's controlled use of form and the metaphysical was in evidence from his first collection Fighting Terms in 1954 which was widely regarded perhaps not entirely accurately as a contributor to The Movement and the opposition to modernism The same technical

ability and formal prowess endured after he moved from Cambridge to San Francisco though became from The Sense of Movement 1959 onwards shot through with a new mood of hedonism freedom and the excesses of the gay and counter cultural scenes of 1960s America in poems written in celebration of rock and roll myth and hallucinogenic drugs The 80s saw a shift in this life with the devastation of the Aids epidemic which claimed the lives of a number of Gunn's friends Many of these friends are memorialised in the moving passionate and humane collections of his later years the Forward Prize winning The Man With the Night Sweats and Boss Cupid Gunn's last collection published in 2000 This Selected Poems compiled by his friend Clive Wilmer and accompanied by insightful notes serves to honour a true original a thrill seeker in the language and to exhibit the best of Thom Gunn's electric powerful intensely joyful poems

*Collected Poems* Donald Davie, 1991-06-02 Donald Davie's poems are here arranged chronologically from the 1950s to the beginning of the 1990s Taken together the poems display that reverence for the distinctive qualities of the English language which has earned him a name as one of Britain's finest living poets Davie's voice judgemental ironic epigrammatic humorous self-lacerating speaks always with reference to an unhuman perpendicular standard that itself goes unquestioned It is not a standard of Beauty or Truth Davie is a poet of the third member of the Platonic triad Justice Helen Vendler The New Yorker Davie's poems are on the quiet side often casual and musing in mood and tone determined to resist large gestures of assent or denial Donald Davie may just be the best English poet critic of our time William Pritchard The New Republic Donald Davie's *Collected Poems* does more than mark the culmination of one of the most distinguished careers in post-war British poetry it is the autobiographical journey of a living poet at the height of his creative powers and the mastery of his craft Davie is considered the most important and valuable contemporary link between poetry in England and America Sarah E McNeil Little Rock Free Press

### *Pastoral Elegy in Contemporary British and Irish Poetry* Iain

Twiddy, 2012-03-15 Defying critical suggestions that the pastoral elegy is obsolete Iain Twiddy reveals the popularity of the form in the work of major contemporary poets Seamus Heaney Ted Hughes and Paul Muldoon Michael Longley Douglas Dunn and Peter Reading As Twiddy outlines the development of the form he identifies its characteristics and functions But more importantly his study accounts for the enduring appeal of the pastoral elegy why poets look to its conventions during

times of personal distress and social disharmony and how it allows them to recover from grief loss and destruction Informed by current debates and contemporary theories of mourning Twiddy discusses themes of war and peace social pastoral and environmental change draws on the enduring influence of both Classical and Romantic poetics and explores poets changing relationships with pastoral elegy throughout their careers The result is a study that demonstrates why the pastoral elegy is still a flourishing and dynamic form in contemporary British and Irish poetry      *Selected Poems* Andrew Waterman,1986 Andrew Waterman draws on four previous collections and adds new works to this Selected poems      *Fables of the Self* Rosanna Warren,2008 *Fables of the Self* traces ideas of imagined selfhood through the lyric poetry of classical Greece and Rome the modernist poetry of France and modern and contemporary English and American lyrics Rosanna Warren's work emerges from the tradition of British and American poet critics such as William Empson Donald Davie and Randall Jarrell Her readings of Sappho Virgil Baudelaire Melville Rimbaud Mark Strand and Louise Gl ck among others combine Helen Vendler's passionate attention to detail and something of Harold Bloom's panoramic view Warren opposes both the literalizing autobiographical approach to self in so called confessional poetry and the other extreme of avant garde erasures of self Framing her critical studies between a memoir of childhood and a concluding journal entry Warren has composed an occult autobiography showing the imagination as a transfiguring and potentially moral force      Something We Have That They Don't Steve & Mark Clark & Ford,Steven H. Clark,2004-04 There is some connexion I like the way the English spell it They're so clever about some things Probably smarter generally than we are Although there is supposed to be something We have that they don't don't ask me What it is John Ashbery Tenth Symphony *Something We Have That They Don't* presents a variety of essays on the relationship between British and American poetry since 1925 The essays collected here all explore some aspect of the rich and complex history of Anglo American poetic relations of the last seventy years Since the dawn of Modernism poets either side of the Atlantic have frequently inspired each other's developments from Frost's galvanizing advice to Edward Thomas to rearrange his prose as verse to Eliot's and Auden's enormous influence on the poetry of their adopted nations whichever Auden is Eliot once replied when asked if he were a British or an American poet I suppose I must be the other from the impact of Charles Olson and other Black Mountain poets on J H Prynne and the Cambridge School to the widespread influence of Frank O'Hara and Robert Lowell on a diverse range of contemporary British poets Clark and Ford's study aims to chart some of the currents of these ever shifting relations Poets discussed in these essays include John Ashbery W H Auden Elizabeth Bishop T S Eliot Mark Ford Robert Graves Thom Gunn Lee Harwood Geoffrey Hill Michael Hofmann Susan Howe Robert Lowell and W B Yeats Poetry and sovereignty Philip Larkin remarked in an interview of 1982 are very primitive things these essays consider the ways in which even seemingly very unprimitive poetries can be seen as reflecting and engaging with issues of national sovereignty and self interest and in the process they pose a series of fascinating questions about the national narratives that currently dominate definitions of the British and American poetic

traditions This innovative and exciting new collection will be of great interest to students and scholars of British and American poetry and comparative literature      **The Poetry Review** Stephen Phillips,Galloway Kyle,Harold Monroe,1987

**The Poetry Review** ,1987      Reading Modern Poetry Michael Schmidt,1989      *British Book News* British Council,1986      **The British Library General Catalogue of Printed Books, 1986 to 1987** British Library,1988      **C.
