Pierre, 2017-06-29 The Coronation of the White Rose is a story that follows my first novel The true meaning of the story represents peace after the tragedy of the people in the spring town of Virgin Mary The story also represents a new beginning at the end of an era When Isabel who is a mute rich blonde girl heard a bunch of rolling grains of precious stone making noise in the basement of her house on a dawn evening she left her room and followed it to find out what it was She discovered a bunch of rolling white pearls beads next to a white ballerina shoe with a long pink satin ribbon that holds the memories of a lost little girl As she put her hand on the shoes ribbon lightning strikes cast down from heaven through her dark vision galloping horses hooves with heavy breaths and neighing noises begging voices of a praying woman and a sniffing noise of a crying little girl invaded her ears She gasped and choked as she discovered a new world that evening As she went to bed that night she dreamed about a singing little girls shadow passing through the cathedrals stained glass windows in that town The girl was singing and praying and Isabel saw herself crowned as a new queen in front of the church Without thought and doubt she left the spring town of Virgin Mary in the morning to find out what her dream meant And life arrived tracing its own path for her used her as the gate of a new beginning and crowned her as the new Madonna of the whole land On the other side wild charming and escape convict Badjo Badu was troubling the spring town and playing with the hearts of two beautiful women Sandra Vedette a beautiful dark fierce mythical persona whom Badjo made a pact with to help her trace her way back to the flowering land but instead of that he found a girl in the spring town that he loved more Anna Mariah a beautiful Latina girl with long raven hair red lips and roses crowning her head and gave all his attention to her instead of helping Vedette accomplish her mission Read and find out about the game of these three lovely birds in the land of time **A Concordance to the Poems of Robert Herrick ,**
