Rose Madder Stephen King, 2016-01-01 The 1 national bestseller about a woman who escapes an abusive marriage is one of Stephen King's most engrossing horror novels. Relentlessly paced and brilliantly orchestrated, fueled by an air of danger, immediate and overwhelming. Publishers Weekly Rosie Daniels leaves her husband Norman after fourteen years in an abusive marriage. She is determined to lose herself in a place where he won't find her. She'll worry about all the rest later. Alone in a strange city, she begins to make a new life and good things finally start to happen. Meeting Bill is one and getting an apartment is another. Still, it's hard for Rosie not to keep looking over her shoulder and with good reason. Norman is a cop with the instincts of a predator. He's very good at finding people even if he is losing his mind. Fixed on revenge, Norman Daniels becomes a force of relentless terror and savagery, a man almost mythic in his monstrosity. For Rosie to survive, she must enter her own myth and become a woman she never knew she could be. *Rose Madder* is riveting, engrossing, packed with suspense. People Stephen King infuses this novel with an edge of your seat chilling atmosphere. *Rose Madder* is an eerie, remarkably mature and moving novel. The Washington Post Stephen King and the Uncanny Imaginary Erin Mercer, 2023-08-25 Offering an insightful examination of Stephen King's fiction, this book utilises a psychoanalytical approach, drawing on Freud's theory of the uncanny. It demonstrates how entrenched King's work is in a literary tradition influenced by psychoanalytic theory as well as the ways that King evades and amends Freud. Such an approach positions King's texts not simply as objects of interpretation that might yield latent meaning but as producers of meaning. King can certainly be read through the lens of the uncanny, but this book also aims to consider the uncanny through the lens of King. Organised around specific elements of the uncanny that can be found in King's fiction, this book explores the themes of death and the return of the dead, monstrosity, telepathy, inanimate objects becoming menacingly animate, and spooky children. Popular texts are considered, such as *IT*, *The Shining*, and *Pet Sematary*, as well as less-discussed work including *The Institute*, *The Regulators*, and *Desperation*. The book's central argument is that King's uncanny motifs offer insightful commentary on what is repressed in contemporary culture and insist on the failure of scientific rationalism to explain the world. King's uncanny imaginary rejects dualistic notions of an experiencing self in an inert physical world and insists that psychic experience is bound up with the environment. This book will be of interest to students and scholars of contemporary and popular literature, gothic and horror studies, and cultural studies. Audio, 1994 **Stephen King** Bev Vincent, 2024-09-03 Stephen King's *His Life, Work, and Influences* offers young Stephen King fans a thrilling journey through the writer's personal story and its impact on his work. *The Stephen King Universe* Stanley Wiater, Christopher Golden, Hank Wagner, 2001-05-21 This unique work of popular criticism of the stories and characters of author Stephen King embraces and explains the entire body of his work. The authors also demonstrate King's impact on popular culture and include a chronology of his life and career. *El retrato de Rose Madder* Stephen King, 2012-10-24 Era como si el cuadro la hubiera llamado obligándola a detenerse. n del dorso Rose Madder supo que ten a que ser suyo el adorno perfecto para su recién estrenado hogar de mujer libre Tras años de maltratos por fin Rosie Daniels había abandonado a su marido y emprendido una nueva vida en otra ciudad Pero es muy difícil no dejar pistas y Norman el brutal policía con quien se había casado inicia la caza sistemática e implacable de su mujer Cada vez estás y estás cerca y Rosie advierte no sin temor que su única aliada es esa figura pintada en el cuadro que la invita a pasar a su lado de la realidad Lectores y blogueros han dicho Este libro me ha enganchado cosa mala Pocas veces me llevo un libro a todas partes para aprovechar cualquier momento que pueda estar para leer incluido cuando hago la compra con el libro en una mano y el carro en la otra o las consiguientes colas en las cajas Pero era incapaz de cerrar el libro y quedarme sin saber cómo continuaba una mezcla entre thriller psicológico y fantástica que me ha fascinado de principio a fin Por mi parte recomendaré como Lector anónimo en casadelibro.com Una novela llena de misterio y suspense de principio a fin El ritmo de la trama es muy rápido para mantener el suspense Los personajes son una maravilla perfectamente bien delineados y contruidos y con una psique tremenda que respalda sus acciones y pensamientos Además los lectores de otros libros de King encontrarán diversas referencias a otras novelas también del género Montse Reyes en losmillibros.blogspot.com
