people all over the world when the government couldn't or wouldn't get involved. Now headquartered in the small town of Shadows Landing, Kane was called in to rescue a woman. Little did he know this case would once again change everything. Waverly Davenport was a Chief Science Officer in Charleston, South Carolina. She'd developed a new technology that would disrupt the criminal world. Waverly decided to take a well-earned vacation before starting the long process of patenting and selling her technology. The last thing Waverly expected at the five-star resort was to be kidnapped and held for ransom while out on an excursion or to fall for the man sent to rescue her. Kane thought the case would be over once he rescued Waverly. Now they were on the run, trying to make it back to South Carolina as the kidnappers pursued them. As Kane and Waverly's hearts become involved, so does the mystery of who is after Waverly and why. Can Kane and Waverly discover the truth before it's too late?

**Shattered Lies** Kathleen Brooks, 2017-10-19 The time has come to step out of the shadows. Valeria McGregor was a better shot, a better fighter, and smarter than everyone she'd ever gone up against as an agent for the DEA. Then she'd uncovered illegal activity within her own organization and was fired as part of a cover-up. Valeria is offered a chance to get back in the game as part of a secret elite group reporting only to the president. Valeria fully plans to find the men and women hell-bent on ruling the world from the shadows, but she also has revenge on the mind. Valeria secretly left her new team thinking she could go undercover to get to the bottom of how the shadow group was funded. Valeria discovered too late that when it comes to true evil, it's best to face it with your team at your back. Alone and on the run, Valeria finds herself being hunted by some of the most dangerous people on the planet. She has learned how the shadow group has been funded and what they have planned next, but she still has to find out where before it's too late. If the shadow group pulls off their next move, then there may be no stopping them. Grant Macay would do anything for his former Air Force Pararescue team leader Dalton Cage. So when Dalton calls and invites Grant into the fold, he doesn't hesitate to drop everything to rescue Valeria. With her past at the DEA threatening her survival and the world's most vicious drug lord hunting her, a feisty Valeria and Grant must make their way back to the team to prepare for the battle of their lives. This woman is unlike anything he's experienced before, and it doesn't take long for the sparks to fly as well as bullets. With time running out, Grant could only hope he and Valeria would be the ones left standing.
