Roses for Mama Janette Oke,1993 Roses for Mama Janice K. Hines Clark,2016-03-17 Mama was born on a farm near the small town of Port Oklahoma in 1918 She lived through two world wars The Great Depression Prohibition The Jazz Age The Dust Bowl Days and the Roaring 20s This book is about our family s life experiences in the small towns of Cordell Clinton and Oklahoma City our heritage and our mother and the remarkable job she did raising her five children I have included as many details as possible about what her life and her children s lives were like in rural Oklahoma during those years and as much historical data about Washita County and Cordell Oklahoma as I could find I have also included details about her children and grandchildren and what an impact she had upon our lives **Nissa's Place** A. Lafaye,2010-10-08 LaFaye surpasses the lyricism and emotional depth of her sparkling debut *The Year of the Sawdust Man* in this sequel It s been two years since Nissa s mother Heirah Rae left the family and Depression era Harper La for a new life in Chicago Nissa now 13 believes she must preserve her mother s presence in the household When Heirah Rae calls home to announce her birthday gift to Nissa a trip to Chicago she upsets the tenuous relationship between Nissa her father Ivar and her stepmother Lara Still feeling abandoned but hungry for time with her mother Nissa decides to travel back to Chicago with Heirah Rae who shows up on their doorstep During her stay in Chicago Nissa notes how her mother has blossomed away from Harper s nosy scandalmongers LaFaye achieves just the right balance between Nissa s introspection and the adventures she has with her mother The intricate prose mirrors the fragile complexity of Nissa s feelings about returning to Harper My heart shrunk a little as the train pulled away but I knew I d made the right choice I could feel it like a warm blanket on a cold nightAa tight satisfied feeling deep down inside strong enough to carry me home Readers will be moved as Nissa comes to view Heirah Rae s flight as an act of courage and a spur for Nissa to make her own dream of a library in Harper come true is most successful when he mixes his different approaches into the original sort of magic realism he creates in the title tale which concerns an erotically charged encounter between a virginal Irish au pair Nula and a Moroccan student Henri Tatahouine in Paris The hallucinatory quality of Henri s account of his life leaves Nula emotionally blistered as though she had been in the Sahara The comic horrifying *Cats in Space* which tells the tale of a group of kids who use helium balloons to launch a kitten into the air is similarly effective Though uneven Kalfus s collection is ambitious and daring with smart fluid prose and an abundance of surprises **Roses for Mama** Janette Oke,1991-01 The Petersons moved west in hopes of improving Mrs Peterson s health but when it is clear she has only months to live Angela fourteen knows that the other children will become her responsibility A DOZEN DEADLY ROSES Kathy Bennett,2018-08-25 A man obsessed with revenge An innocent boy in his crosshairs The child s LAPD mom is his only hope Someone wants her dead Police officer Jade Donovan thought life was going well a sweet four year old son a good job and a promotion in her future But things have taken a dangerous turn She s being stalked Hunted Her predator delivers dead roses to Jade each time the threats more descriptive more terrifying Her

one hope is to figure out who wants to kill her before the intimidations become a reality And the only man she can trust to help is the one man she's avoided A man who can destroy her world He had nothing to live for Former cop Mac Stryker lost everything years ago his wife his daughter and his career which he drowned with whiskey Now nearly five years sober Mac is slowly rebuilding his life He's got his badge back and a newfound purpose to help his partner find the man stalking and threatening her It's his job yes but there's more An attraction to Jade and her sweet son making Mac feel alive again But will a secret rock Mac's tenuous hold on sobriety When the stalker makes his final deadly strike can Mac forget the past and save Jade and her son Or will history repeat itself
