What Rough Beast? David Penchansky, 1999-01-01 A number of texts in the Hebrew Bible consistently command attention and yet defy easy explanation Why did God try to kill Moses Why did God kill the man who touched the ark to keep it from falling Why did God put a tree in the middle of the Garden David Penchansky tackles these tough questions and in so doing opens up for readers a new understanding of how the Hebrew Bible portrays God Penchansky examines six biblical narratives that depict God negatively outlining their social political and theological ramifications He believes the stories provide an important key to the Israelites understanding of their God He also believes the stories provide a structure for understanding experiences of evil and suffering within our own century and for accepting the ambiguity that permeates all human existence Christian Book Center

Rough Beast Máiría Cahill,2023-09-28 NUMBER 1 BESTSELLER IN THE IRISH NON FICTION CHARTS *Rough Beast* is shocking important and unputdownable Roddy Doyle *Rough Beast* is M ir a Cahill s harrowing story of her life and of what she went through at the hands of what is now Ireland s largest and richest party That story is told here for the first time in full detail and with unsparing honesty It is a story of unimaginable trauma and political corruption It brings to life a world of paramilitary secrecy and parallel laws but above all it is the story of one young woman s defiance of the power wielded by ex gunmen inspiring fear and silence and their influence over elected politicians M ir a Cahill grew up steeped in the traditions of Irish republicanism and the shadowy world of the IRA her great uncle Joe was one of the main founders of the Provisional IRA and her grandfather was Gerry Adams s mentor in the republican movement From an early age she seemed destined for a glittering career within the increasingly successful political machine of Sinn F in which was then enjoying the aftermath of the Good Friday Agreement She worked in a radio station alongside leading republicans the Sinn F in offices were her second home She knew Gerry Adams and other senior republicans as family friends But at the age of 16 she was sexually abused by a prominent Belfast IRA man When she

confided in some friends she trusted about the abuse one of them told the IRA without M's knowledge. A year later the organisation came calling and forced her to take part in an inept and grotesquely insensitive internal investigation. She was subjected to round after round of interrogations by senior IRA men and women usually in a network of safe houses around Belfast. Doubt was cast on her account of what had been done to her. Her assailant was allowed to confront and denounce her. Eventually her rapist was permitted to vanish from Belfast while Sinn Féin and the IRA professed bafflement about his whereabouts.

Vision, Reality and Complex Thomas Singer, 2020-11-09

Vision Reality and Complex brings together a rich selection of Thomas Singer's scholarship on the development of the cultural complex theory and explores the relationship between vision reality and illusion in politics and psyche. The chapters in this book discuss the basic principles of the cultural complex theory in various national and international contexts that span the Clinton Bush Obama and Trump eras. Each chapter grounds this theory in practical examples such as race and healthcare in the United States or in specific historical and international conflicts between groups whether they be ethnic racial gender local national or global. With chapters on topics including mythology leadership individuation revolution war and the soul Singer's work provides unique insights into contemporary culture activism and politics. This collection of essays demonstrates how the cultural complex theory applies in specific contexts while simultaneously having cross cultural relevance through the reemergence of complexes throughout history. It is essential reading for academics and students of Jungian and post Jungian ideas politics sociology and international studies as well as for practicing and trainee analysts alike.

Reflections on a Simple Twist of Fate: Literature, Art, and Parkinson's Disease Dean Scaros, 2018-06-21

What happens when our lives are suddenly disrupted by chronic or terminal illness? Of course science family faith and friends are there to help. But as author Dean Scaros demonstrates in this elegantly written and affecting book all the issues we face as a result of illness have been expressed through human artistic sensibility. We have been seeking meaning and solace and have often found it ever since we painted figures on the walls of our caves. This book considers through the lens of great literature and art issues that are important to us as we struggle to come to terms with progressive debilitating illness: issues such as personal dignity courage fear hope love time chance fate and friendship to name just a few. These issues are not physical or clinical. Rather they concern the ways in which we think and feel about our experience. Reflecting on them affords us an opportunity to better understand our experience and even gain a measure of wisdom from it.

Restoring Soul, Passion, and Purpose in Teacher Education Peter Grimmer, 2021-12-30

Using a conceptual model Grimmer forges a pathway for teachers to adopt a soulful way forward in professional practice individually

and collectively enhancing autonomy over programs and protecting the public trust placed in them as educators This text will benefit researchers academics and educators with an interest in teachers and teacher education educational policy and politics and curriculum thinking and enactment more broadly Those specifically interested in pedagogy educational change and reform and the philosophy of education will also benefit from this book
