Rough Cut from a Bygone War Bert Quint, 2000 Sam Sloane is an over the hill foreign correspondent still plagued by painful memories of his reporting days in Vietnam He has refused to adapt to the cheapening of TV news and is called home to be fired Back in the mahogany foxholes of New York he finds himself confronting not only today s corporate America but the demons of his own past A wounded cameraman helps him to deal with the nightmares and face the future It s a story of the intense friendship of comrades who live together and come close to dying together It is also a poignant tale of Americans and Vietnamese frightened men and lonely women and of one little girl who is the symbol of wartime Vietnam There is tragedy and profanity and dark humor but this story tells of more than man s inhumanity to man It speaks of man s humanity to man Transylvania Red , **IPI Global Journalist** , 2002 The Publishers Weekly , 2002 The Journals of Constant Waterman Matthew Goldman, 2014-06-12 Boats and life This is an unforgettable collection of ninety short tales about the boating Matthew Goldman has done in his life in sailboats canoes rowboats and other floating craft All these memoirs deal with the water from the puddle to the sea They wander as reflective as a sandy bottomed brook They linger as wistful as an idle boat in summer They revel as jubilant as broaching porpoises Who will want to read about Constant Waterman Anyone who s ever paused to watch a water strider anyone who s ever stood and listened to the sea anyone who leans when they see a sloop heel anyone who hopes to find a message in a bottle Here is that message Unfold it carefully read it aloud Read about boats read about passages read about islands read about the rain Learn about a murder in the woods by the river learn about restoring a wooden boat Hear about sailors boat builders ferrymen hear about canoeing amid the marshes The best part about it You don t have to spend your time sanding and varnishing You don t need to don any foul weather gear You don t need to know a bowline from a boom vang or know how to pole a canoe Here is the world of Constant Waterman wry introspective intimate impassioned Turn another page You may find a lighthouse you may find a swan You ll hear the hoarse cadence of the sea grinding shingle the wrinkling song of a stream through the forest the complaint of the wind in your standing rigging Listen Includes 50 beautiful pen and ink drawings by the author **The Leisure Hour** , 1897

The Last War Adrian Ferruelo, 2025-06-05 When global tensions erupt into World War III Captain Alex Carter and Dr Elena Marquez find themselves on the frontlines of a conflict that threatens to destroy humanity As nations collapse and cities burn they must navigate the chaos forming an unlikely alliance to survive and protect what remains of civilization Set against the backdrop of a world on the brink of annihilation this is a story of survival resilience and the enduring hope for a better future **Stops Along the Way** L. Brent Bozell III, 2021-12-07 Stops Along the Way tells tales of ten red headed Catholic children raised on a farm in the 60s just seventy miles from our nation s capital yet so rural that they could be welcomed by both the KKK and a diminutive black man who would become part of the family attending high school in the 70s in another country on another continent alone with two brothers free to explore mysterious castles and watch gripping

bullfights while enrolled in a school built in the Middle Ages working in the 80s in the most successful political enterprise of its time yet forgotten just one generation later shooting commercials in war zones while accused of starting a war and have you ever wondered what it was like to take off on one airplane from inside a cornfield or look out the window of another and watch a rocket ship fly by Stops Along the Way tells all this and so much more timeless stories that are the perfect antidote for today's poisonous headlines

The Polish Army 1939-45 Steven J. Zaloga, 2013-06-20 Poland was the first of the Allied nations to succumb to German aggression in the Second World War but by the most tortuous of routes her army managed to remain in the field through all five years of bloody fighting Polish soldiers fought in nearly every major campaign in the European theatre and their tale is a complicated and tragic one This richly detailed text by Steven Zaloga relates the story of the Polish Army during the Second World War from the first wave of Stukas in 1939 to its eventual conclusion

Coalition of the unwilling and unable John R Deni, 2021-01-12 Why does the United States need European allies and why is it getting more difficult for those allies to partner with Washington in standing up to China pushing back against Russia and pursuing other common interests around the world This book addresses the economic demographic political and military trends that are fundamentally upending the ability and willingness of European allies to work with Washington Brexit and its impact on Britain's economy and its military Germany's seemingly relentless economic and political rise France's continuing economic malaise Italy's aging population and its withdrawal from major overseas operations and Poland's demographic decline and single minded obsession with Russia will combine to make partnership with Washington nearly impossible In short the constellation of allies and partners the United States has relied on since 9 11 will look very different a decade from now How should Washington respond It doesn't hold all the cards but this book offers an array of practical recommendations for American leaders By leveraging these proposals U S policy makers can avoid the worst case scenarios and make the most of limited opportunities

The Romance of Teresa Hennert Zofia Nalkowska, 2014-11-01 The Romance of Teresa Hennert is a masterpiece of psychological realism and a still shocking portrait of mixed motives and bad behavior It renders a tragicomic vision of what happens when a society is suddenly deprived of the struggle that had defined it for more than a century Written in 1922 just four years after Poland achieved independence from its neighboring empires the novel focuses on a Warsaw community of officers bureaucrats intellectuals wives and lovers all of them adrift in a hell of their own making the long sought freedom to shape their own destiny At the center of this milieu is Teresa Hennert whose youthful charm modern habits and apparent indifference to the emotional torment of those around her make her an inescapable object of their fascination and desire Told in multiple voices and from numerous perspectives Zofia Nalkowska's novel is a mosaic of dysfunction at all levels of the new Polish society from a bumbling lieutenant who cannot stand his home life to a young Communist who believes his forebears have made a mess that only the next generation can clean up In this world ideological battles personal animosity postwar trauma and infidelity become inextricably bound

together driving these colorful increasingly confused characters toward corruption suicide and murder Nalkowska 1884 1954 though long neglected in the West was a central figure in the literary life of interwar Poland and was an early pioneer of feminist fiction in Central Europe Her spare witty prose will surprise contemporary readers with its frank sexuality and stark illustration of dreams gone horribly humiliatingly dramatically awry **The Seven Ages of Man** Charles Wells Hillyear,1918 **The Subcultural Imagination** Shane Blackman,Michelle Kempson,2016-06-17 The Subcultural Imagination discusses young adults in subcultures and examines how sociologists use qualitative research methods to study them Through the application of the ideas of C Wright Mills to the development of theory reflexive ethnography this book analyses the experiences of young people in different subcultural settings as well as reflecting on how young people in subcultures interact in the wider context of society biography and history From Cuba to London and Bulgaria to Asia this book delves into urban spaces and street corners young people s parties gigs BDSM fetish clubs school the home and feminist zines to offer a picture of live sociology in practice In three parts the volume explores history biography and subculture practising reflexivity in the field epistemologies pedagogies and the subcultural subject The book offers cutting edge theory and rich empirical research on social class gender and ethnicities from both established and new researchers across diverse disciplinary backgrounds It moves the subcultural debate beyond the impasse of the term s relevance to one where researchers are fully engaged with the lives of the subcultural subjects This innovative edited collection will appeal to scholars and students in the areas of sociology youth studies media and cultural studies communication research methods and ethnography popular music studies criminology politics social and cultural theory and gender studies **Hearings** United States.
