The Quest for Progress Sydney Nathans, 1983 Few would have guessed in 1870 that within fifty years North Carolina would be the most industrialized state in the South The *Quest for Progress* recounts that half century of turbulent change and growth It is the fourth volume in *The Way We Lived in North Carolina* a pioneering series that uses historic places as windows to the past An accelerating pace of life was evident everywhere in North Carolina at the turn of the century from mill villages to mushrooming towns Sky scrapers and suburbs country estates and mountain resorts testified to the state's new wealth But new conflicts marked the era as well Farmers plagued by debt fought back in a Populist movement that carried its cause to the nation Working men and women fought to keep their independence on the factory floor Black North Carolinians despite violence and disenfranchisement built the churches colleges and businesses that prepared the next generation to reclaim its rights By 1920 North Carolina was a state transformed Sites used to illuminate this period include mill villages a tobacco factory depots schoolhouses general stores a fire station a drugstore and the Thomas Wolfe Memorial Each volume in *The Way We Lived in North Carolina* examines the social history of an era weaving interpretation around dozens of historic sites and the lives of ordinary people who lived and worked nearby The series is based on the premise that the past can be most fully understood through the joint experience of reading history and visiting historic places These volumes will appeal to all who are interested in North Carolina history historic preservation and social history

Final Rounds James Dodson,2017-10-24 James Dodson always felt closest to his father while they were on the links So it seemed only appropriate when his father learned he had two months to live that they would set off on the golf journey of their dreams to play the most famous courses in the world Final Rounds takes us to the historic courses of Royal Lytham and Royal Birkdale to the windswept undulations of Carnoustie where Hogan played peerlessly in 53 and the legendary St Andrews whose hallowed course reveals something of the eternal secret of the game s mysterious allure over pros and hackers alike Throughout their poignant journey the Dodsons humorously reminisce and reaffirm their love for each other as the younger Dodson finds out what it means to have his father also be his best friend Final Rounds is a book never to be forgotten a book about fathers and sons long held secrets and the lessons a middle aged man can still learn from his dad about life love and family Final Rounds is a tribute to a very special game and the fathers and sons who make it so **Bell**
