religious sites and ceremonies images that show sacred places vestments rituals objects and texts and more *Astrology and Cosmology in the World's Religions* Nicholas Campion,2023-11-21 An ambitious examination of cosmologies and astrologies from around the world The diversity of cultures Campion includes is impressive Jacqueline Feke History of Astronomy When you think of astrology you may think of the horoscope section in your local paper or of Nancy Reagan s consultations with an astrologer in the White House in the 1980s Yet almost every religion uses some form of astrology some way of thinking about the sun moon stars and planets and how they hold significance for human lives on earth *Astrology and Cosmology in the World s Religions* offers an accessible overview of the astrologies of the world s religions placing them into context within theories of how the wider universe came into being and operates Campion traces beliefs about the heavens among peoples ranging from ancient Egypt and China to Australia and Polynesia and India and the Islamic world Addressing each religion in a separate chapter Campion outlines how by observing the celestial bodies people have engaged with the divine managed the future and attempted to understand events here on earth This fascinating text offers a unique way to delve into comparative religions and will also appeal to those intrigued by New Age topics Unlike most students of astrology Campion transcends the limitations of Western tradition to examine the nature and roles of astrological and cosmological concepts in cultures from all continents His examples provide original insights into how cosmologies shape these cultures artistic intellectual and religious activities Stephen McCluskey West Virginia University *Roman Catholicism & the Coming One World Religion* Billy Crone,2019-03-21 Roman Catholicism may have been around for over 1 600 years now but it is one of the most deceptive ongoing religious cults on the planet Not only are they not Christian but they lead people away from true Biblical Christianity and frankly straight into hell Therefore this book *Roman Catholicism the Coming One World Religion* gives you the reader an in depth understanding into the history background and false teachings of Roman Catholicism and their dastardly plans to create a global religion across the planet Here you will uncover many powerful insights into such mind blowing questions as Is Catholicism Really Christian Do Catholics Follow Doctrines of Demons Is Catholicism a Cult Do Catholics Follow False Doctrine Is Catholicism Demonic Do Catholics Teach a False Salvation Is Catholicism the Great Harlot Do Catholics Worship Mary Can Catholicism Christianity Coexist Do Catholics Worship Saints Will Catholicism Persecute True Christians Do Catholics Need to be Witnessed To *Animal Welfare in World Religion* Joyce D'Silva,2023-05-01 This unique and readable book examines the relationship between religion and animal welfare taking a detailed dive into the teachings and practices of the major world religions While there are many books expounding the beliefs of the major religions and many about the rights and welfare of animals there are few linking the two With each chapter focusing on one of the five major religions Judaism Christianity Islam Hinduism and Buddhism the book explores the beliefs and practices which drive our relationship with and treatment of animals The book draws on the scriptures of the major faiths and includes the voices of leading historical religious figures and contemporary faith leaders In doing so it compares

the teachings of old with contemporary practices and showcases the impact of the major religions on both the protection and exploitation of animals from running animal sanctuaries to participating in or condoning cruel sports and factory farming. Importantly the book also includes a chapter looking beyond the major world religions where it examines a wider range of beliefs and practices including Indigenous peoples from the USA and Australia Jainism Sikhism and Rastafarianism to provide fascinating insights into another range of beliefs and views on the human animal relationship. Overall this book challenges and encourages religious leaders and followers to re-examine their teachings and to prioritise the well-being of animals. This book is essential reading for those interested in the role of religion in animal welfare, human-animal studies and animal welfare and ethics more broadly.

Religion in Today's World Melissa M. Wilcox, 2013-12-19. Religion is a major force in contemporary society. It is also one of the least understood social and political influences on individuals and communities. In this innovative collection of original essays and classic readings, experts explore the significance of contemporary religiosity as a source of meaning and motivation, how it unites and divides us, and how it is used politically and culturally. Readers will be introduced to the broad debates in ways that will equip them to analyze, discuss, and make their own judgments about religion and society. This book should be read by anyone interested in understanding religion as a central source of meaning and politics, and is ideally suited for undergraduate teaching on religion and social issues and from a global perspective.

Archaeology and World Religion Timothy Insoll, 2002-09-11. This is the first text to consider the subjects of religion and archaeology in conjunction with each other. It explores the relationship between and the contribution archaeology can make to the study of world religions.

The World Religions Reader Gwilym Beckerlegge, 2001. Gathers together material on six of the world's most influential faiths with readings drawn from a broad range of historical and contemporary sources.
