Roving Commissions 31, 1991 *Government by Commissions Illegal and Pernicious* Joshua Toulmin Smith, 1849

The Illusion of Net Neutrality Bob Zelnick, Eva Zelnick, 2013-09-01 In this riveting treatise coauthors Bob Zelnick and Eva Zelnick sound the alarm on the debilitating effect that looming regulations rules and powerful interests would have on today's regulation free Internet The authors lay out the imminent threats from network neutrality to FCC regulations that would rob this global society changing communication powerhouse forever of its full potential **Churchill** Winston

Churchill, 2012-06-05 Gilbert a renowned historian and official biographer of Churchill selects 100 of the finest writings and speeches by Churchill These express the leader's thoughts and describe the main adventures and crises of his life coupled with Gilbert's commentary **Notice of Appeal Supreme Court** , *Victoria Crosses on the Western Front, 31st July 1917-6th November 1917* Paul Oldfield, 2017-07-30 In the past while visiting the First World War battlefields the author often wondered where the various Victoria Cross actions took place He resolved to find out In 1988 in the midst of his army career research for this book commenced and over the years numerous sources have been consulted Victoria Crosses on the Western Front Third Ypres 1917 is designed for the battlefield visitor as much as the armchair reader A thorough account of each VC action is set within the wider strategic and tactical context Detailed sketch maps show the area today together with the battle lines and movements of the combatants It will allow visitors to stand upon the spot or very close to where each VC was won Photographs of the battle sites richly illustrate the accounts There is also a comprehensive biography for each recipient covering every aspect of their lives warts and all parents and siblings education civilian employment military career wife and children death and burial commemoration A host of other information much of it published for the first time reveals some fascinating characters with numerous links to many famous people and events **Breaker Morant** Peter

FitzSimons, 2020-10-27 The epic story of the Boer War and Harry Breaker Morant drover horseman bush poet murderer or hero Most Australians have heard of the Boer War and of Harry Breaker Morant a figure who rivals Ned Kelly as an archetypal Australian folk hero But Morant was a complicated man Born in England and immigrating to Queensland in 1883 he established a reputation as a rider polo player and poet who submitted ballads to The Bulletin and counted Banjo Paterson as a friend Travelling on his wits and the goodwill of others Morant was quick to act when appeals were made for horsemen to serve in the war in South Africa He joined up first with the South Australian Mounted Rifles and then with a South African irregular unit the Bushveldt Carbineers The adventure would not go as Breaker planned In October 1901 Lieutenant Harry Morant and two other Australians Lieutenants Peter Handcock and George Witton were arrested for the murder of Boer prisoners Morant and Handcock were court martialled and executed in February 1902 as the Boer War was in its closing stages but the debate over their convictions continues to this day With his masterful command of story Peter FitzSimons takes us to the harsh landscape of southern Africa and into the bloody action of war against an unpredictable force using

modern commando tactics The truths FitzSimons uncovers about the Breaker and the part he played in the Boer War are astonishing and finally we will know if the Breaker was a hero a cad a scapegoat or a criminal A Harmony of Interests Manfred Weidhorn,1992 Manfred Weidhorn explores this emerging conservatism through consideration of different Churchillian interests such as domestic issues and the concept of imperial mission The most complex aspect of Churchill s conservatism is his ambivalence to war A closer reading of his utterances and of the observations of those about him suggests a definite and idiosyncratic love of war Clear too says Weidhorn is that violence was a means not an end for Churchill A man of peace Churchill s extremity in posing issues sometimes made peace elusive But in the crunch of 1940 his eccentricity or obsession became Western Civilization s salvation During his years in the wilderness Churchill wrote a huge biography of his ancestor the Duke of Marlborough Besides presenting the Duke a brilliant general much maligned for avarice and warmongering in a favorable way his work sheds an interesting light on the imminent World War II

modern critique of Enlightenment thinking specifically those philosophies of history that wrest the initiative from God in divinizing man His worry is apocalyptic politics those political movements that take Christ's Being therefore perfect even as your Father which is in heaven is perfect Matt 5:48 out of the realm of grace and make it a platform for political action Tolkien Philosopher of War has three core theses metaphysical political and aesthetic In this Tolkien is comparable to Cormac McCarthy especially his *Blood Meridian* Tolkien took note of a tight analytical connection between the vanity driving commercial civilization which Hume Smith and Ferguson all identified and the vanity driving the Promethean fantasies of apocalyptic politics War indeed total war is a predictable outcome of this analytical connection The three theses run 1 metaphysical the apocalyptic anxiety of Tolkien's lore is traceable to the gnostic rejection of the analogy of being typical of the philosophies of history that dominated his day 2 political in the English context Tolkien sided with the Tories against Whiggery defending monarchy as a counterweight to the vanity driving progressive philosophy of history 3 aesthetic Futurism's philosophy of history celebrated the Machine inverting the value order the Futurism art movement encoded anti Christianity fascist politics and apocalyptic war Tolkien's cosmogonical drama with its pastoralism and portraits of angels Gandalf and gods Nienna dramatizes an aesthetic resistance to Futurism
