Pray For Them Trisha Fenimore, 2023-05-23 Absolutely brilliant excruciatingly honest Indies Today 2023 EDITOR'S PICK 2022 BOOK OF THE YEAR SEMI FINALIST FIVE STAR RECIPIENT Indies Today GOLD BADGE RECIPIENT The International Review of Books Trisha Fenimore had a long list of things she never wanted to become By her early twenties she had become most of them Racist Hate filled Addicted Poor And finally Christian More than anything else Trisha vowed she would never become a Christian One day she realized the very thing she was running from might actually be her escape route away all the rest In 2014 while riding the New York City subway to a dead end job it dawned on the young woman that despite all her best efforts she had nevertheless become racist herself Following this profound realization Trisha sought guidance from an older Christian mentor and received advice which was simple though far from easy After over a year of prayer practice and failures too numerous to count she felt God call her to the most unlikely place of all a predominantly black seminary school in Harlem New York Trisha's time as the only white student in her class proved revelatory But she soon learned that when you've danced with the devil for so long you don't get to choose when the music stops From becoming an atheist at age eleven in the rural Midwest to attending a historically black seminary in Harlem to bringing the gospel to convicts in America's most notorious prison *Pray For Them* is a gritty searingly honest coming of age memoir about a young American woman's struggle through the good and evil which reside in all of us as well as her desperate search to find God and herself

The Adventures of Pinocchio Carlo Collodi, 2021-09-14 revelatory new edition of the most widely translated Italian book in the world soon to be a Netflix animated feature film co directed and co written by Guillermo del Toro and voiced by Ewan McGregor Cate Blanchett Christoph Waltz John Turturro and Tilda Swinton A Penguin Classic Carved from a piece of wood by the old carpenter Geppetto the puppet Pinocchio comes to life and wants nothing more than to be a real boy But while this beloved character has achieved literary immortality he is ultimately misunderstood He has a penchant for lying to be sure but it's when he avoids going to school that he repeatedly gets into trouble making *The Adventures of Pinocchio* an unusually timely novel about the importance of education in our increasingly authoritarian times to prevent our strings being pulled This effervescent new translation captures the antic spirit that makes the mischievous egotistical and easily distracted Pinocchio a late nineteenth century prototype for the likes of Bart Simpson Featuring copious annotations informed by the translators deep knowledge of Italy it reveals the novel to be not only a subversively entertaining children's book but also a sophisticated satire reflecting the author's concern for the social

inequality of his time and his belief that duty to others is at the core of our humanity A Desert Rose Tarella Quin,1913

Pinocchio Carlo Collodi,2008-11-18 Though one of the best known books in the world Pinocchio at the same time remains unknown linked in many minds to the Walt Disney movie that bears little relation to Carlo Collodi's splendid original That story is of course about a puppet who after many trials succeeds in becoming a real boy Yet it is hardly a sentimental or morally improving tale To the contrary Pinocchio is one of the great subversives of the written page a madcap genius hurtled along at the pleasure and mercy of his desires a renegade who in many ways resembles his near contemporary Huck Finn Pinocchio the novel no less than Pinocchio the character is one of the great inventions of modern literature A sublime anomaly the book merges the traditions of the picaresque of street theater and of folk and fairy tales into a work that is at once adventure satire and a powerful enchantment that anticipates surrealism and magical realism Thronged with memorable characters and composed with the fluid but inevitable logic of a dream Pinocchio is an endlessly fascinating work that is essential equipment for life **Village of Sycamore** Maria Rihte,2010-02-24 When thirty two year old woodworker and designer Jacqueline Callaghan arrives in the small village of Sycamore on a windswept island she has just sold her apartment in the city lost her job left her boyfriend and buried her grandmother Shes ready to begin a new life in her grandmothers old cottage in this picturesque village of lush gardens and wild waterfront Jackie opens her own studio and gallery and finds that life is perfect except for the bills In a desperate attempt to save the life she now loves Jackie organizes a studio tour rallying together the islands many artists and crafts people in hopes of bringing more visitors to the island The idea is popular but Jackie is almost defeated How to persuade these fiercely independent artists to work together without disrupting the delicate balance of their daily lives The whole village falls into chaos as artistic personalities clash and long hidden skeletons come out of the closet Secret trysts nude portraits love and inconsolable broken hearts mistaken death and resurrection slowly unravel Jackies carefully crafted tour plans **Crossroads: The Winds Of Grace** Jim Shroyer, *The Four Georges ; The English Humorists of the Eighteenth Century ; Sketches and Travels in London* William Makepeace Thackeray,1884
