Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton:

Royal and Republican Sovereignty in Early Modern Europe Robert Oresko, G. C. Gibbs, H. M. Scott, 1997-01-30 A collection of illustrated essays on sovereignty and political power in seventeenth and eighteenth century Europe

Dynastic Identity in Early Modern Europe Liesbeth Geevers, Mirella Marini, 2016-04-29 Aristocratic dynasties have long been regarded as fundamental to the development of early modern society and government Yet recent work by political historians has increasingly questioned the dominant role of ruling families in state formation underlining instead the continued importance and independence of individuals In order to take a fresh look at the subject this volume provides a broad discussion on the formation of dynastic identities in relationship to the lineage's own history other families within the social elite and the ruling dynasty Individual chapters consider the dynastic identity of a wide range of European aristocratic families including the Cro's Arenbergs and Nassaus from the Netherlands the Guises Lorraine of France the Sandoval Lerma in Spain the Farnese in Italy together with other lineages from Ireland Sweden and the Austrian Habsburg monarchy Tied in with this broad international focus the volume addressed a variety of related themes including the expression of ambitions and aspirations through family history the social and cultural means employed to enhance status the legal religious and political attitude toward sovereigns the role of women in the formation and reproduction of composite dynastic identities and the transition of aristocratic dynasties to royal dynasties In so doing the collection provides a platform for looking again at dynastic identity in early modern Europe and reveals how it was a compound of political religious social cultural historical and individual attitudes

The Struggle for Power in Early Modern Europe Daniel H. Nexon, 2009-04-20 Looks at the pivotal events of the sixteenth and seventeenth centuries including the Schmalkaldic War the Dutch Revolt and the Thirty Years War This book argues that early modern composite political communities had more in common with empires than with modern states

The Ashgate Research Companion to the Thirty Years' War Olaf Asbach, Peter Schröder, 2016-03-23 The Thirty Years War 1618-1648 remains a puzzling and complex subject for students and scholars alike This is hardly surprising since it is often contested among historians whether it is actually appropriate to speak of a single war or a series of conflicts Similarly emphasis is also put on the different motives for going to war as conflicting religious and political interests were involved This research companion brings together leading scholars in the field to synthesize the range of existing research on the war which is still fragmented and divided along national historical lines and to further explore the complexities of the conflict using an innovative comparative approach The companion is designed to provide scholars and graduate students with a comprehensive and authoritative overview of research on one of the most destructive conflicts in European history

Early Modern European Diplomacy Dorothée Goetze, Lena Oetzel, 2023-12-31 New Diplomatic History has turned into one of the most dynamic and innovative areas of research especially with regard to early modern history It has shown that diplomacy was not as homogenous as previously thought On the contrary it was shaped by a multitude of

actors practices and places The handbook aims to characterise these different manifestations of diplomacy and to contextualise them within ongoing scientific debates It brings together scholars from different disciplines and historiographical traditions The handbook deliberately focuses on European diplomacy although non European areas are taken into account for future research in order to limit the framework and ensure precise definitions of diplomacy and its manifestations This must be the prerequisite for potential future global historical perspectives including both the non European and the European world **Singing of Arms and Men** KELLEY. HARNESS, Kelley Harness, 2024-10-11

Equestrian ballets balletti a cavallo emerged as valued dramatic entertainments in early modern Europe demonstrating the wealth and magnificence of the patrons who commissioned them as well as the horsemanship and military skills of the noblemen who rode in them Author Kelley Harness undertakes the first comprehensive study of seventeenth century Florentine horse ballets and shows how the balletto a cavallo played a crucial role in self fashioning by the Medici family during the period Horse ballets also provided participating noblemen a venue for demonstrating critical markers of masculine nobility and confirming their family s relationship to the Medici **The Orders of Knighthood and the**

Formation of the British Honours System, 1660-1760 Antti Matikkala, 2008 Sheds considerable new light on the nature development and functions of the orders in a key phase of their history and goes a long way to explaining how such archaic institutions could flourish in a culture that is commonly thought anti traditional and especially hostile to the middle ages Professor JONATHAN BOULTON University of Notre Dame This is the first comprehensive study to set the British orders of knighthood properly into the context of the honours system by analysing their political social and cultural functions from the Restoration of the monarchy to the end of George II s reign It examines the revival of the Order of the Garter and the proposals to establish the Orders of the Royal Oak and the Esquires of the Martyred King at the Restoration the foundation 1687 and the revival 1703 4 of the Order of the Thistle as well as the foundation of the Order of the Bath 1725 It establishes just how central a part the orders played in the British high political life and its comprehensive and multidimensional approach carefully contrasts the idealistic discourse of virtue and honour to the real workings of the honours system it also makes the case for the Chivalric Enlightenment The orders over the water the Garter and the Thistle conferred by the Jacobite claimants are discussed for the first time in the context of the established British honours system Overall the comparison between the socially very restricted British and the increasingly meritocratic Continental orders highlights the isolation of the British honours system from the European tendencies **Politics and Foreign Policy in the Age of**

George I, 1714-1727 Jeremy Black, 2016-04-22 Through its focus on the relationship between foreign and domestic politics this book provides a new perspective on the often fractious and tangled events of George I s reign 1714 27 This was a period of transition for Britain as royal authority gave way to cabinet government and as the country began to exercise increased influence upon the world stage It was a reign that witnessed the trauma of the 1715 Jacobite Rebellion saw Britain fighting

Spain as part of the Quadruple Alliance and in which Britain confronted the rise of Russia under Peter the Great There has been relatively little new detailed work on this subject since Hatton s biography of George I appeared in 1978 and that book while impressive devoted relatively little attention to the domestic political dimension of foreign policy In contrast Black links diplomacy to domestic politics to show that foreign policy was a key aspect of government as well as the leading battleground both for domestic politics and for ministerial rivalries As a result he demonstrates how party identities in foreign policy were not marginal to either policy or party but instead central to both The research is based upon a wealth of both British and foreign archive material including State Papers Domestic Scotland Ireland and Regencies as well as Foreign Extensive use is also made of parliamentary and ministerial papers as well as the private papers of numerous diplomats Foreign archives consulted include papers from Hanover Osnabr ck Darmstadt Marburg Munich Paris The Hague Vienna and Turin By drawing upon such a wide ranging array of sources this book offers a rich and nuanced view of politics and foreign policy under George I

The Rise of the Military Entrepreneur Suzanne Sutherland,2022-09-15 The Rise of the Military Entrepreneur explores how a new kind of international military figure emerged from and exploited the seventeenth century s momentous political military commercial and scientific changes In the era of the Thirty Years War these figures traveled rapidly and frequently across Europe using private wealth credit and connections to raise and command the armies that rulers desperately needed Their careers reveal the roles international networks private resources and expertise played in building and at times undermining the state Suzanne Sutherland uncovers the influence of military entrepreneurs by examining their activities as not only commanders but also diplomats natural philosophers information brokers clients and subjects on the battlefield as well as through strategic marital and family allegiances Sutherland focuses on Raimondo Montecuccoli 1609 80 a middling nobleman from the Duchy of Modena who became one of the most powerful men in the Austrian Habsburg monarchy and helped found a new discipline military science The Rise of the Military Entrepreneur explains how Montecuccoli successfully met battlefield court and family responsibilities while contributing to the world of scholarship on an often violent fragmented political military landscape As a result Sutherland shifts the perspective on war away from the ruler and his court to instead examine the figures supplying force along with their methods networks and reflections on those experiences

Corruption and Justice in Colonial Mexico, 1650-1755 Christoph Rosenmüller,2019-05-02 Provides the first detailed analysis of the evolution of the concept of corruption in colonial Mexico

Britain and the American Revolution H. T. Dickinson,2014-07-30 This is the first modern study to focus on the British dimension of the American Revolution through its whole span from its origins to the declaration of independence in 1776 and its aftermath It is written by nine leading British and American scholars who explore many key issues including the problems governing the American colonies Britain s diplomatic isolation in Europe over the war the impact of the American crisis on Ireland and the consequences for Britain of the loss of America

The History of Cartography, Volume 4 Matthew H.

Edney, Mary Sponberg Pedley, 2020-05-15 Since its launch in 1987 the History of Cartography series has garnered critical acclaim and sparked a new generation of interdisciplinary scholarship Cartography in the European Enlightenment the highly anticipated fourth volume offers a comprehensive overview of the cartographic practices of Europeans Russians and the Ottomans both at home and in overseas territories from 1650 to 1800 The social and intellectual changes that swept Enlightenment Europe also transformed many of its mapmaking practices A new emphasis on geometric principles gave rise to improved tools for measuring and mapping the world even as large scale cartographic projects became possible under the aegis of powerful states Yet older mapping practices persisted Enlightenment cartography encompassed a wide variety of processes for making circulating and using maps of different types The volume's more than four hundred encyclopedic articles explore the era's mapping covering topics both detailed such as geodetic surveying thematic mapping and map collecting and broad such as women and cartography cartography and the economy and the art and design of maps Copious bibliographical references and nearly one thousand full color illustrations complement the detailed entries [The Hero of Italy](#)

Gregory Hanlon, 2019-08-15 The Hero of Italy examines a salient episode in Italy's Thirty Years War with Spain and France whereby the young duke Odoardo Farnese of Parma embraced the French alliance only to experience defeat and occupation after two tumultuous years 1635-1637 Gregory Hanlon stresses the narrative of events unfolding in northern Italy examining the participation of the little state in these epic European events The first chapter describes the constitution of Cardinal Richelieu's anti Habsburg alliance and Odoardo's eagerness to be part of it A chapter on the Parmenese professional army based on an extraordinary collection of company roster books sheds light on the identity of over 13 000 individuals soldier by soldier the origin and background of their officers the conditions of their lodgings and the good state of their equipment Chapter three follows the first campaign of 1635 alongside French and Savoyard contingents at the failed siege of Valenza and the logistical difficulties of organizing such large scale operations Another chapter examines the financial expedients the duchy adopted to fend off incursions on all its borders in 1636 and how militia contingents on both sides were drawn into the fighting A final chapter relates the Spanish invasion and occupation which forced duke Odoardo to make a separate peace The volume includes a detailed assessment of the impact of war on civilians based on parish registers for city and country The application of the laws of war was largely nullified by widespread starvation disease and routine selective infanticide These quantitative analyses supported by maps and tables are among the most detailed anywhere in Europe in the era of the Thirty Years War *Coffeehouse Culture in the Atlantic World, 1650-1789* E. Wesley Reynolds, 2022-03-10 This book argues that coffeehouses and the coffee trade were central to the making of the Atlantic world in the century leading up to the American Revolution Fostering international finance and commerce spreading transatlantic news building military might determining political fortunes and promoting status and consumption coffeehouses created a web of social networks stretching from Britain to its colonies in North America As polite alternatives to taverns

coffeehouses have been hailed as penny universities a place for political discussion by the educated and elite Reynolds shows that they were much more than this Coffeehouse Culture in the Atlantic World 1650 1789 reveals that they simultaneously created a network for marine insurance and naval protection led to calls for a free press built tension between trade lobbyists and the East India Company and raised questions about gender respectability and the polite middling class It demonstrates how coffeehouses served to create transatlantic connections between metropole Britain and her North American colonies and played an important role in the revolution and protest movements that followed *Monarchy and Exile* P. Mansel, T. Riotte, 2011-10-28 Using detailed studies of fifteen exiled royal figures the role of Exile in European Society and in the evolution of national cultures is examined From the Jacobite court to the exiled Kings of Hanover the book provides an alternative history of monarchical power from the 16th to 20th century Europe's Second Constitution Markus W. Gehring, 2020-09-24 The process of European constitutionalisation is met with extensive scepticism in current national legal and political spheres and in broader circles of public opinion across Europe By shedding light on these concerns this book reveals a widespread misunderstanding of constitutional federalism which permeates the Member State courts popular media and many academic communities A failure to address confusion over this fundamental concept is leading us towards impoverished development of the EU s Second Constitution and even ensuring that the role of both domestic and international European courts in enriching the constitutionalisation process is overlooked and undervalued In a bid to avoid such consequences this book explores how federalism and further constitutionalisation rightly understood in a dialogue of the European courts may actually change this process and allow a clearer advance toward Europe s Second Constitution for but also with the people of Europe **Aristocratic Power in the Spanish Monarchy** Samuel Weber, 2023 The first major study of the powerful Borromeo family of Milan in the seventeenth century uncovering their growing entanglement with the Spanish monarchy and the ways in which the Borromeo grappled with the ethical implications of this controversial relationship repeatedly reinventing themselves to preserve their social privilege **Jewish Politics in Spinoza's Amsterdam** Anne O. Albert, 2023-01-15 Finalist for Jordan Schnitzer Book Award for Philosophy and Jewish Thought 2023 This book untangles a web of ideas about politics religion exile and community that emerged at a key moment in Jewish history and left a lasting mark on Jewish ideas In the shadow of their former member Baruch Spinoza s notoriety and amid the aftermath of the Sabbatian messianic movement the Spanish and Portuguese Jews of seventeenth century Amsterdam underwent a conceptual shift that led them to treat their self governed diaspora community as a commonwealth Preoccupied by the question of why and how Jews should rule themselves in the absence of a biblical or messianic sovereign state or king they forged a creative synthesis of insights from early modern Christian politics and Jewish law and traditions to assess and argue over their formidable communal government In so doing they shaped a proud new theopolitical self understanding of their community as analogous to a Christian state Through readings of rarely studied sermons commentaries polemics

administrative records and architecture Anne Albert shows that a concentrated period of public Jewish political discourse among the community's leaders and thinkers led to the formation of a strong image of itself as a totalizing state-like entity an image that eventually came to define its portrayal by twentieth-century historians Her study presents a new perspective on a Jewish population that has long fascinated readers as well as new evidence of Jewish reactions to Spinoza and Sabbatianism and analyses the first Jewish reckoning with modern western political concepts

Later Stuart Queens, 1660-1735 Eilish Gregory, Michael C. Questier, 2024-01-04 This book gathers contributions on the later Stuart queens and queen consorts It seeks to re-insert Henrietta Maria Catherine of Braganza Mary of Modena Mary II Anne and Maria Clementina Sobieska into the mainstream of Stuart and early Georgian studies concentrating on the later Stuart queens from the restoration of King Charles II who married Catherine of Braganza in 1662 until the death of Maria Clementina Sobieska in 1735 who was married to James Francis Edward Stuart the titular King James III otherwise known as the Old Pretender It showcases these women's roles as queen consorts and as ruling queens in Britain and Europe and reveals how their positions allowed them to act as power brokers diplomats patrons and religious trendsetters during their lifetimes It also explores their impact in early modern Britain and Europe by assessing their influence in religion political culture and the promotion of patronage

Explorations in History and Globalization Cátia Antunes, Karwan Fatah-Black, 2016-04-14 Considering the ways in which the global turn is changing the theory and practice of historical disciplines *Explorations in History and Globalization* engages with the concept and methodology of globalization challenging traditional divisions of space and time to offer a range of perspectives on how globalization has affected social economic political and cultural history Each chapter covers a specific theme discussing how globalization has shaped these themes and how they have contributed to globalization throughout history Including topics such as ecological exchanges trade exchanges of knowledge migration empire and urbanization this volume both explains historical trajectories through a global analytical framework and provides tools that students can employ when posing their own research questions about historical globalization Containing suggestions for further reading and guidance on the ways in which primary source material can be used as a basis for global historical studies this is the ideal volume for all students interested in the global exchanges between people throughout history

Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton Introduction

Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks,

including classic literature and contemporary works. Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton Offers a diverse range of free eBooks across various genres. Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton, especially related to Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton books or magazines might include. Look for these in online stores or libraries. Remember that while Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton eBooks, including some popular titles.

FAQs About Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton is one of the best book in our library for free trial. We provide copy of Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton. Where to download Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton online for free? Are you looking for Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access

completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton To get started finding Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton is universally compatible with any devices to read.
